

St. Andrew Parish School is where faith and knowledge are available for All

St. Andrew School News: Volume 3, 17th Edition

January 2019

Happy New Year St. Andrew!

Salutations and Happy New Year to you! We hope the Holiday Break was a relaxing one. We hope it was time to rekindle Faith, Love, and Joy with our Family and Friends; maybe even make it to Reconciliation and Mass with Father Oriol or Father Jose? Anyhow, we hope the start of the New Year is a pleasant one and productive one. As Wisconsin Winter Weather always gets our attention this time of the year, please remember that our little ones and even teens need to make sure they are prepared for the weather conditions as well. This also could be a great time to triple check our cherub's hats, gloves, mittens, and any snow gear as they will be outside during this time (20 degrees or higher).

Did your closets somehow shrinking your kids' school clothes over the break? If you are interested in maybe reselling (consigning) your student's old khakis or school uniforms or purchasing something here at school, please stop into the Main Office for more information. We may have something here the could benefit you. Thank you.

January will be a very busy time for St. Andrew: MAPS Formative Evaluations, Spartan Spectacular Basketball Tourney, End of 2nd Quarter and Beginning of 3rd Quarter, Catholic Schools Week, School Open House, Scholastic Book Fair, VIP Mass and Celebration, 1st Reconciliation Mass for our 2nd Graders at St. Patrick, and pre-registration for the 2019-2020 Academic School Year. We will continue to advertise many School Activities, Student Council Events, and many special Masses that will be happening. Please read all articles that go home in your Student's Family/Weekly Envelope, read emails, or check online on our School Website. If you ever have any questions, please reach out to your Student's Homeroom Teacher. Thank you.

Contemplatives in Action

As we enter the time of the year when all across our great nation, we celebrate our Catholic Schools. We are blessed in knowing what attributes our Students can obtain: to *Learn*, to *Serve*, and to *Lead*, which will help them *Succeed* in life. We as their Catholic Learning Community help lay the foundation for for their future. Thank you for supporting, promoting, and believing in the value of an “Amazing School from 2 Amazing Parishes”. Father Oriol, Father Jose and I thank you for blessing us with your children as we strive to build their Minds, Heart, and Souls with our Catholic Faith and Love. *St. Andrew Parish School is where Faith and Knowledge are available for All*”. This is just not a cool bumper sticker, but something we are ourselves are passionate about. Have a blessed January everyone.

Sincerely,

Randy
