St. Andrew School News: Volume 3, 21st Edition

May 2019

Bienvenidos St. Andrew!

How time flies from month to month, blizzard to gentle spring rain. As we continue to celebrate Easter, we also want to take in all of the wonderful events that will be taking place. Do the 8th Graders have their “Countdown Calendar ready”?

The Parish and School will continue to be very busy during May. Activities such as: (subject to change): ***Student(s) 2019-2020 Fall School Registrations, MAPS Formative Assessments, First Communion, Parent Info Night on Standards Based Grading, World Fair, May Crowning, Chili’s PSA Fundraiser, Tour De’ Tech Fundraiser, All Parish Meeting, All School Band Concert, Athletic Awards Night, HS Confirmation, All School Picnic, and Getting Ready for 8th Grade Graduation*** to name a few.

We welcome Mrs. Debbie Compall to help take the reigns of the 3rd Grade class as Mrs. Lussow and her husband will be expecting their 1st Child. Please keep them in your prayers as we celebrate this glorious event! “Oriol Lussow”..Father, does that sound good? (lol)

Contemplatives in Action

April and May have to be one of my favorite 2 months. I enjoy the blossoming plants and trees and the splendor the colors of spring provide us. I too love Easter and knowing the Christ is here for us, forever.

As we continue on our own/individual Easter Journey, continue to pray, continue to share, continue to give your hearts as Jesus did. Each year our cherubs get older, taller, “wiser”. And some of cherubs leave the nest here at St. Andrew and seek out other new adventures beyond ourselves.

Are we prepared for this journey? Do we have the necessary tools to be successful? Before we head into June, let us check our traveling pack and make sure He is in our hearts and in our spirits before we finish our journey called “May”.

Have a Blessed Month,

Randy
