## NOTICE: CHANGES TO 1<sup>st</sup>-5<sup>th</sup> FAITH FORMATION

First, please notice that faith formation for the 1<sup>st</sup>-5<sup>th</sup> children will be on Sundays, only.

Secondly, the bulk of the curriculum will be online, and not in the classroom. This is called the “flipped classroom” model. At the parent meeting, or when you sign up, you will be introduced to the online platform and how it works.

Students will complete the weekly lessons online throughout the year. On Sundays, the catechists will be able to facilitate a more personal and practical encounter with Christ. More information will be given at the parent meeting about this new format. Some of the benefits of the flipped classroom are:

1. It will allow us to accurately track progress of each student and respond to individual needs through the online platform.
2. Parents will accompany their children and help them complete the weekly assignments.
3. Faith Formation will be more personal and engaging.
4. The systematic online instruction will ensure constant learning regardless of any cancellations, snow days, etc.
5. The online platform can greatly assist families that find it hard to make it to Faith Formation every week.

Finally, there will be a monthly Family Faith Formation Day for 1<sup>st</sup>-5<sup>th</sup> parents which both parents attend (or at least one) at the normal Sunday faith formation time. The parents will have a session to enrich their faith and to give them practical tools to become greater witnesses of Christ in their families.
