Dear Previous Supporter:

We are reaching out to you because you have generously supported our School Development Campaign in the past and we are asking for your help once again.

As we began this school year with promise and hope, we have discovered some areas that need our immediate attention. These target areas include **Communication/Safety, Academics and Technology**.

The safety of our children and families is always our top priority. Our current PA system needs to be upgraded so that all classrooms can be reached immediately and reliably in the event of an emergency. We are working with the current system; however, it is not efficient, and we estimate we'll need to raise an additional \$5,000 through this campaign to properly replace it.

Mrs. Kraus also continues to work on developing a strong STREAM program, offering advanced mathematics classes, and equipping the school with the latest technology available to classrooms. She has applied for various grants to supplement our current needs; however, we estimate an additional \$2,000 required through this campaign to get these programs in place and assist our children.

These necessities and goals can't be reached without the help of our entire SJV community. **We targeted a goal of \$30,000 for this year's campaign and to date have raised \$23,000 toward that goal.** We are asking for your support in making this campaign successful and to help provide the tools and resources needed to prepare our students for the bright futures they deserve. We're almost there and with your help we know we can achieve our goal!

St. John Vianney has produced generations of excellent students who have become accomplished Catholic women and men and remain proud parishioners of St. John Vianney today. We want our current students to continue this tradition of excellence.

Please consider helping our campaign, a gift at any level is greatly appreciated. You can return the enclosed form with a check or visit our website sjvop.org to donate with a credit card. If you need assistance with online gifts, please connect with the parish office at 716 674-9133.

Thank you for your continued support.
