

THANKSGIVING DAY COLLECTION FOR THOSE IN NEED

As in years past,
our annual Thanksgiving Day collection
will be used to assist families and local organizations
serving those in need this holiday season.

This year, due to COVID-19 precautions,
instead of a food drive,
we are asking for financial contributions
to assist our local food pantries.

If you wish to contribute, please place your monetary donation in a clearly labeled envelope or use one of the envelopes located in the church foyer, and place it in the collection box by Sunday, November 29th or drop it off at the Parish Office.

Monetary donations allow local organizations that serve those in need to get the best value by purchasing in bulk. It also limits the number of hands coming into contact with food items and allows the greatest number of families and individuals to benefit from your support.

Checks may be made out to SJV Silent Angels.

Thank you for your goodness and generosity!
