Translations of My Lenten Calendar:

If you would like to translate my Lenten Calendar into another language, that's great! On the next page of this file, you'll find a blank version that you can print, and write in any language. I only ask 2 things:

1. Please do not remove "Catholic Icing" from the bottom of the page.
2. You may post your translation on your website as long as you link back to my post about the Lenten calendar. Also, if you scan it and send it back to me, I will add it to this file to share with other as well!

Available Translations:

- Eastern Church
- Spanish
- French
- Portuguese
- Polish
- Swedish

Disclaimer! I have no way of making sure these are correct, I just share what others have sent to me and hope that others will find them useful.
