July 2, 2020

Hello Sacred Heart Parishioner(s),

As many of you have heard, Johnson County, Missouri has issued a Mandatory Mask Order that will start on July 6th, 2020 at 12:01 am. This will effect both our office procedures and our Mass services.

Father and Staff strongly encourage our parishioners to begin following the mask order for Mass services this weekend (July 4th and 5th). This means that masks will remain on when we enter, are in the pew, moving around the church and exiting the building. The Eucharistic Ministers will bring you Communion in your pew.

Our offices are currently operating under normal hours. In order to comply we ask that you call and e-mail when possible to do business. When coming into the church offices we will be maintaining the Mask Order and social distancing. Offices will have tape on the floor to mark social distance. When occupying a room with parishioners who are not members of your household, masks and social distancing will be applied.

We are still streaming the 10:30 am Sunday Mass and the dispensation from the Bishop is still in place. We strongly encourage parishioners to participate remotely if they are at risk or uncomfortable following these orders. If you want to receive Communion, please contact Fr. Joe at the office to schedule a visit or set-up time with a Eucharistic Minister.

The staff here at Sacred Heart truly appreciate all of the kind words and support that we have received as we navigate through this time in our history. Please let us know if this is anything that you need or if there is a way that we can support you during this time.

Thank you,
May God's Blessing be upon you and yours,

Sacred Heart Staff
Fr. Joe Bathke, Cpps
