“As parents, you are the first and foremost educators of your children. Your role is decisive; scarcely anything can make up for it if you fail. You must never forget that it is also the task of the whole family to serve the life of each of its members. Through your ministry of education and your personal witness, you are for your children the first heralds of the Gospel message of love.”

--from Familiaris consortio, Apostolic Exhortation of the Family by Pope John Paul II
