# Sacred Heart Catholic Preschool

**Let the children come unto me.**  
- Mark 10:14

## Mission Statement

Sacred Heart Catholic Preschool is committed to providing an opportunity for young children (ages 3-6) in our parish and community to play, learn, grow, and develop in a safe and secure Catholic Christian atmosphere. This preschool ministry will seek to lay a foundation of faith and education, supported by our parish family, that will assist in the formation of conscientious adults.

## Introduction

The staff of Sacred Heart Preschool strives to provide a secure and nurturing environment for our little ones. Each child and each family is a gift from God and will be treated with love and respect. Love of God and others will be taught through our daily activities with games, art, music, field trips, special events, and the study of God's world.

## Accreditation

This preschool meets the accreditation standard and criteria of the Missouri Non-Public Accrediting Association.

## Goals

We will strive to:

1. Provide opportunities for children to grow in their knowledge and love of God.
2. Provide an atmosphere in which children can mature emotionally and continue to develop and maintain a positive self-concept.
3. Provide an environment of stimulating opportunities that will encourage the cognitive development of each child.
4. Encourage children in the development of social awareness and social skills by providing a variety of interactions throughout the daily routine.
5. Provide opportunities for children to strengthen and coordinate large and small muscles in a variety of physical activities.
6. Maintain an environment in which children have the opportunity to make choices, carry out their own plans, and review their experiences.
7. Provide a positive and developmentally appropriate educational environment that will prepare the children to enter kindergarten.
