**Electronic Funds Transfer (EFT) for Envelope Giving**

Electronic Funds Transfer (EFT) is an alternate method for processing Sunday envelope contributions. This streamlined automatic collection process benefits both the parish and the parishioner.

**Benefits to parishioners:**

- Confirms your choice to put God first in your life
- No more “last minute” check writing
- Contribution is taken care of even when out-of-town or on vacation
- Payments don’t get lost or misdirected
- Contributions may be made from your account at any bank (\$10 minimum)

**Benefits to St. Anthony:**

- Reduces the time it takes to collect, count, and make deposits to bank
- Eliminates the processing of checks while still providing an accurate accounting of all transactions
- Maintains a more consistent giving pattern for church budgeting

Deductions will occur on the 5<sup>th</sup> of every month (or the day closest to if a weekend). A statement of your contributions will be furnished to you at the end of the year for tax purposes.
