Under the *Charter for the Protection of Children and Young People*, all dioceses in the United States have agreed to do the following:

1. Provide education and training for children, youth, parents, ministers, educators, volunteers and others about ways to make and maintain a safe environment for children and young people. This is education and training teaching children about boundaries and safe touches (this is not sex education), helping children to stay safe.
2. Offer the training to all children/young people.
3. Document that the training has taken place.

While all children are to be offered the Archdiocesan safe environment training, a parent/guardian may refuse to allow their child to participate in the Archdiocesan training. The following conditions must be met if a parent/guardian decides not to have their child(ren) participate:

1. The location is to provide to the parent/guardian the Archdiocesan curriculum if the parent chooses to cover this material with their own child(ren).
2. The parent must specifically state in writing: (1) that safe environment training was offered to their child, (2) that they refused to allow their child to participate in this training, and (3) that they have been offered safe environment training materials to use with their child. This signed form must be maintained within the archdiocese (by the parish) to ensure full accountability concerning the safe environment training of every child.

The safe environment training program at St. Anthony Parish will be offered on: February 19, 2023 during Religious Education.

The safe environment training program that will be used can be viewed at:
<https://www.stanthony-dubuque.org/religious-education>

In the event that you do not wish your student to participate in the safe environment training, please complete, date, sign, and return the form on the reverse side of this letter. Please list each child and the level/grade training they would have the opportunity to receive. If we do not receive the form by February 19, 2023, we will assume your approval of your child(ren)'s participation in the program.

Thank you for your attention to this matter.
