

MINUTES
PARISH COUNCIL MEETING
June 13, 2019
6:00 PM

Parish Council met in the Learning Center.

Members Present: Lou Ann Zitko, Marge McGinnis, John Sweet, Charlotte Sweet, Tricia Myers, Barb Kehlbeck, Cliff Hughes, Brenda Hughes, Nancy Stauff, Jim Joyce, and Dottie Joyce
Members Absent: Jeff Hoy, Helene Kuhn

Council talked about the successful result of our Rummage Sale on April 27. Discussion included that we would wait for a couple years to possibly have this again to allow people to accumulate items to donate.

We reviewed the many upcoming events that are happening. Discussion was held on each event including the need for donations as well as volunteers for each event to be successful. We talked about the need to have a number of fundraising events throughout the year.

Some of the upcoming repairs and maintenance to our buildings that we will be addressed and get estimates for will include:

- The pavers on the church steps, repair/remove.

- Refinish the Church Oak Doors. Big Bend Wood & Glass who installed the doors have been contacted to give us an estimate to refinish them.

- Anchor the loose pews and kneelers; cost to refinish/replace pews. Most times it is cost effective to replace instead of refinishing. A lot of companies will not refinish older pews. If replaced adjust spacing.

- Clean up Gallagher Hall, paint, replace windows possibly with some being glass block.

- Clean up Learning Center, install LED lights.

We talked about the outcome of parish meeting that was held on May 29 to discuss our Parish Project – Altar. Constructing the proposed Altar using remaining altar rail for supporting pedestals. Anonymous parish member will donate most of money to complete the project. Remaining cost would be by donations from individuals not fundraising. No construction will begin until we have all money required in hand. The existing Altar was installed when Fr. Tushim was pastor with the intention as temporary and replaced in the near future but did not happen. The conclusion of the meeting was we will formally write this proposed Altar construction plan and present it to Bishop Persico for approval.

A suggestion was made to include Parish Council Meeting minutes in the bulletin.

The next Parish Council meeting is scheduled for Thursday September 5, 2019 at 6:00 PM in the Learning Center.
