

DON'T NOW...

HOW TO HELP INDIVIDUALS & FAMILIES COMBAT PORNOGRAPHY

MONDAY, OCTOBER 22ND
1:00-4:00 P.M.
ST. PATRICK CHURCH
4330 ST. PATRICK DR.
IOWA CITY

Pornography exposure, use and addiction are not the topics most of us want to talk about. However, our silence will not make these insidious problems disappear. All clergy, school administrators, DREs, youth ministry leaders, catechists and other concerned parties are encouraged to attend this candid presentation. We will explore pornography's destructive effects and offer practical insights and resources for use in ministry to help equip the individuals and families we serve.
