## Grand Knight's Report: continued . . .

- ❖ Brothers, it's extremely critical that each Knight maintain their volunteer hours. Please remember to sign-in for your volunteer hours at each event. Those hours include not just Knight projects; any volunteering you may do such as Outreach, Hospice, Veterans home, Pregnancy center; any hours spent in service to our parish or community. Ed Wilson must submit to our supreme master our hours of contribution for the year. In the past, we had to guess but know it is way below the actual time. Let's show them just how much we do contribute because we are very generous contributors to our parish and community! (See form for printing and use for two months per sheet on pg. 13).
- ❖ The Fourth Degree exemplification will be conducted in Orlando over the Thanksgiving holiday. For those wishing to participate, here is the web URL link to the Fourth Degree website, <https://www.floridakoffourth.org/events>. If planning to attend, here is the important information for the 4<sup>th</sup> Degree Exemplification. It will be held at The Rosen Plaza Hotel, 9700 International Drive, Orlando, Florida 32819 on November 24th 2018 . The room rate for this Exemplification is \$106.00 plus tax (per night). You can call (800) 627-8258 or (407) 996-9700 for reservations. The deadline for hotel reservations is November 1st 2018.

- ❖ *Let us take a moment to renew our Knight's four Core Principles:*

**Charity** – Our Catholic faith teaches us to “Love thy neighbor as thyself.” Members of the Knights of Columbus show love for their neighbors by conducting food drives and donating the food to local soup kitchens and food pantries, by volunteering at Special Olympics, and by supporting, both spiritually and materially, mothers who choose life for their babies. Knights recognize that our mission, and our faith in God, compels us to action. There is no better way to experience love and compassion than by helping those in need, a call we answer every day.

**Unity** – None of us is as good as all of us. Members of the Knights of Columbus all know that together we can accomplish far more than any of us could individually. So, we stick together...we support one another. That doesn't mean that we always agree or that there is never a difference of opinion. It does mean that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community.

**Fraternity** – Venerable Michael J. McGivney founded the Knights of Columbus, in large part, to provide assistance to the widows and children left behind when the family bread-winner died, often prematurely. The Order's top-rated insurance program continues to do this today, as do the good works of individual Knights, who gave more than 75.6 million service hours in 2017, illustrating how Catholics serve each other in fraternity and mercy. . . . continued pg. 3.

**Patriotism** – Members of the Knights of Columbus, be they Americans, Canadians, Mexicans, Cubans, Filipinos, Poles, or Dominicans, are patriotic citizens. We are proud of our devotion to God and country, and believe in standing up for both. Whether it's in public or private, the Knights remind the world that Catholics support their nations and are amongst the greatest citizens.

***Supreme Chaplain Monthly Challenge.  
from Archbishop William E. Lori***

---

Jesus said to his disciples, “In those days after that tribulation the sun will be darkened ... and the powers in the heavens will be shaken. But of that day or hour, no one knows, neither the angels in heaven, nor the Son, but only the Father.” — Gospel for Nov. 18, Mk. 13:24, 32

There's an old country Gospel song with a catchy refrain that asks this question: “What would you do if Jesus came to spend the day with you?” As Advent quickly approaches, the Church invites us to ponder this question - and prepare our hearts and souls accordingly.

We frantically prepare for Christmas, buying gifts and decorating our homes. But will we prepare our soul with the same sense of urgency, purpose, and care? Advent is a sobering time of reflection on the second coming of Jesus. “What would you do if Jesus came to spend the day with you?” Soon he will. May we meet him with open arms and pure hearts.

***This month's challenge:***

This month, recalling that we do not know the “day or the hour,” I challenge you to go confession, and make a commitment to go monthly thereafter as a means of maintaining vigilant care over your soul. Secondly, I challenge you in the coming month to forgive someone who has hurt you in some way.

### **Message from the President :**

November is a month for remembrance and thankfulness. As we begin this busy month, let us pause to remember all who have gone before us and to be thankful for the many blessings in our lives.

On November 2, 2018, we gathered for the Celebration of Mass at 6:30PM to honor the beloved members of our council who have passed. After mass, a memorial service and reception were held the church hall to pay tribute to our deceased members, who contributed so much to our association.

On Veteran's Day, November 11, we will remember the many men and women who have served in the armed forces of our country at a mass held at the Sarasota National Cemetery. All are encouraged to attend and join the Knights, Ladies, and their families for both the service and a meal afterwards. The Knights would like to provide items to the Veterans who reside in The Veteran's Village in Punta Gorda. They are collecting much-needed gifts for these Veterans and have asked the women to join them in their efforts. Please bring donations to the November 12, 2018 meeting.

November is also a time to be Thankful for the many blessings we have in our lives and share a little if we are able to. The Ladies' Auxiliary is gathering items to make five Thanksgiving Day Baskets that will contain everything a family needs for a holiday feast. Families with school age children will be the recipients of these dinners. Members have signed up to bring in items, but there is room in the gift boxes for extra nonperishable food or household item. Any perishable items should be brought to the church at 1:00 pm on November 20th. Families will begin picking up their baskets at 2:00 pm. I can hardly wait to see the joy on the faces of those we are blessing.

During this month remember, We are Catholic Women Led by The Spirit who have committed to serve God, our country, and each other. When we put our faith into action and work together to help our Knights and community, we can achieve our collective mission and make the world a more compassionate place to live. Wishing each one of you a magical Thanksgiving. Remember, there is ALWAYS something for which to be thankful.

Sincerely, Virginia Aynes, President

# The Burning Passion of St. Francis of Assisi

BY BRIAN KRANICK (EXCERPT NO.3)

It was in this period that Francis had a miraculous encounter with a leper. He had discerned in prayer that God wished him to deny himself and conquer his self-will. To this end, his conscience was tugging at him about his strong aversion and disgust of lepers.

One day, tradition has it that while he was riding through the countryside, he came upon a leper. Recalling his resolution, he approached the afflicted person, gave him some alms, and kissed his diseased hand.

Upon remounting his horse, he turned to look back at the person, but no one was there. From this point on, Francis began to visit and minister to lepers in hospitals and other undesirable places, washing their sores, kissing them, and eating with them. With this, he began his process of detachment from himself.

## *Devastation Once again. . .*

*Hurricane Michael has devastated the U.S.  
Northwest Florida Panhandle and Neighboring States!*

In response to an appeal from the National Headquarters of the Knights of Columbus, Council 7672 has authorized a \$250. donation and calls upon all the members of our Council to in turn to send whatever contribution they can to aid our Brother Knights who live and are working in the hurricane ravaged areas of North Florida, the Panhandle and several South Eastern United States. Along with this financial aid your prayers for the victims and relief workers is deeply appreciated.

**Mexico Beach before Michael:**

**Mexico Beach after Michael:**

Dear Brother Knight,

Hurricane Michael made landfall as the fourth strongest hurricane ever to hit the U.S. It left a path of devastation in Florida, Georgia, Alabama and the Carolinas that will take years to rebuild.

But before the rebuild can begin, relief is needed. Many have stepped forward in making a gift in response to our last email, but the need is still great. With your help, we will provide the affected individuals and families the

relief they desperately need. Your donation will allow us to continue working with local brother Knights and relief groups throughout the affected area to reach as many people in need as possible.

And with **100 percent of your donation going directly to relief efforts**, you know your gift will make a big difference.

## *Meditation for the Month of All Souls:*

---

All of us believe in life after death. When those we love die we don't believe that's the end for them, but the beginning of another life, a better life, a life with Jesus Christ and all his saints in heaven.

We also understand that perfection just might not be reached by all of us before we die. During our lifetime on earth the Holy Spirit does the best he can with the amount of cooperation we give him to form us into another Christ. But we still might have a way to go before his job is complete. And so, we might have to spend awhile in an anteroom, a waiting room, so to speak, where the Holy Spirit can complete us. The Catholic Church has a name for that room - we call it "PURGATORY!"

If you've ever waited in a doctor's office, and given our average age I know many of us have done so, you've already had a small taste of what purgatory may be like. Sitting in the doctor's waiting room, we are there for one thing. . . to see the Doctor. Magazines grow old real fast, and no matter how interesting the conversations of other patients may be, listening to them quickly grows old.

This month we're reminded by the Church that we can help deceased family and friends who find themselves in "heaven's waiting room" yearning to see God. We are taught that if we pray for them, we can speed them along in some mysterious way out of there and into heaven, to come face to face with God. By our prayers and good works done in their name we can help them shorten their stay in purgatory. We sure wouldn't want them to have to wait a moment longer than necessary before coming face to face with their Creator and experiencing everlasting happiness and peace.

It's the Will of God that we assist him in everything, or at least most everything that concerns the world we live in. He wants to continue his creative plan within and through us. This month we're asked to pray and offer Mass for our deceased brothers and sisters so they can become perfected and enter heaven. We cannot see them, touch them, or help them in any other way. Only the power of God's love in us and in our willingness to pray for them can we help them at all. We become more closely united with the departed when we lovingly pray. Those prayers will help them become more perfect and should also help us as well.

Never let a day go by without at least one Hail Mary for the departed. And say another one that someone will pray for you when you're gone. Let's pray today and every day for the souls in purgatory. Someday they might return the favor when we find ourselves sitting in that same heavenly waiting room, yearning with all our being to finally come face to face with God

## *November 2018*

Brothers & Sisters,

This month we celebrate the Feast of All Souls. At this time, we turn our minds and hearts to those who are sick or ailing and those who have left this life to move on to their eternal reward in the sight of God.

Please pray for . . .

Our Faithful Navigator Joe Pizzuto, Mike Occhicone, Ann Reser, Don Striplin, Peggy Ulrich, Lee Reser's son and granddaughter, Joe Valley, and Dan Nuzzi.

And keep in your prayers, the repose of the soul of Allen Lehn, a Fourth Degree Brother who died recently. His son Jim reported that one of Allen's favorite memories was the Fourth Degree Exemplification Ceremony.

And please pray for all husbands, wives and family members who are taking care of their sick loved ones.

*Lord we ask you for your grace and blessings on them throughout this year.*

We also continue to pray for:

- Our, deceased, ailing and aging brothers, sisters and their families.
