

Dear Craft Fair Vendors,

We are excited to announce that we will be adding a Friday evening, November 1, VIP "Sip and Shop" Wine Tasting Extravaganza to the Holy Family Craft Fair. Our Friday evening will feature wine tasting, hors d'oeuvres and an exclusive shopping experience for a limited number of people to explore your booths. We feel that this will provide a relaxing more leisurely experience for the shoppers and vendors alike. Outdoor lighting will be provided for vendors as well as security throughout the night.

With this new Friday evening venue, set up will be moved to 8am - 4pm with a break from 4pm - 6pm. Our VIP "Sip and Shop" will start at 6pm and end at 9pm. Saturday will be Craft Fair as usual, with doors opening at 6am for vendors and 8am for the public.

We are encouraging all vendors to open their booths for the VIP Friday evening event, however this is completely at your discretion. We do believe that this will be a prosperous event for all!

Mark your calendar for the mandatory check-in and set up Friday, November 1, between 8am - 4pm.

Let's make this another great year!

Dee Dee Hanson
Craft Fair Coordinator
