

Faith Direct Electronic Giving is an easy and safe way to make your donations which support our many programs and ministries here at St. Sylvester.

No more worrying about lost checks or envelopes or those annoying bank fees for check usage.

How Easy Is it?

Enrolling in Faith Direct is easier than trying to find and fill out your envelope!

There are several different ways to enroll: online by clicking [here](#), calling their toll-free number, 1-866-507-8757; or the newest way by texting ENROLL to (631) 201-5922.

Our parish code for all 3 methods is NY285. The funds are drawn automatically from a bank account or a credit/debit card – whichever is easier for you. (It's a great way to build up your frequent flyer miles or cash back bonuses!)
