

**ParishSOFT Giving is an easy and safe way to make your donations which support our many programs and ministries here at St. Sylvester.**

No more worrying about lost checks or envelopes or those annoying bank fees for check usage.

### **How Easy Is it?**

Enrolling in ParishSOFT is easier than trying to find and fill out your envelope!

There are several different ways to enroll: online by clicking [here](#), calling their toll-free number, 1-866-930-4774 option 6; or the newest way by texting ENROLL to (631) 201-5922.

Our parish code for all 3 methods is NY285. The funds are drawn automatically from a bank account or a credit/debit card – whichever is easier for you. (It's a great way to build up your frequent flyer miles or cash back bonuses!)
