Old Business

- Parade Recap- Jason Visner reported a descent turnout for the parade but recommended a separate email next year encouraging participation and reminding students that it qualifies for service hours. Chip clips were the most popular parade handout; Fr. Dan suggested reaching out to marketing to see which toy handout is most cost effective and to purchase more items in the future. It is recommended to start preparing for parade in April 2020. Muskego Night Out was very successful and had great attendance.

New Business

- School Survey Results- The survey was sent out last June and there was a total of 45 responses. Most responses rated a 3 or a 4 and provided positive feedback. Mrs. Ellis will be analyzing written comments from the surveys for themes and communicating those in the future. A discussion around the R.O.C.K. star card replacing the Honor card was held. The changes were a result of the efforts of the school leadership team led by Mrs. Romine.
- New Families- Home and School will be discussing pairing up new families with mentor families to welcome them to our St. Leonard family.
- New Members and Role Changes- PSC is looking for new members to sit on the committee and is an open meeting for all to attend. Colleen Michaud accepted the nomination to remain the Chair of the committee, Nathan Miller accepted the nomination to remain Vice Chair, and Alison Kleibor accepted the nomination for the Secretary position.

Action Steps

- Collen will write a more detailed explanation of PSC for an upcoming newsletter encouraging more members to join.
- Upon her return from leave, Mrs. Ellis will communicate written results of school survey.

Closing prayer was led by group.

Next meeting will be held on October 8, 2019.

Respectfully submitted by Becky Moulton
