## Bus Schedules

When you come to Meet and Greet, you will see that the bussing schedules is posted in both hallways. if you have a questions, please see Mrs. Van Acker in the office.

## Safe Environment Training at St. Leonard

If you want to be involved with your child at school, remember that you must first attend the Archdiocese Safe Environment Training and complete a background check. This is a one time training that

can be done at any church. The next one at St. Leonard is coming up on August 31. Please click the link below and get yourself scheduled. If you can't make that one, there are others to choose from. Remember, you must complete this if you want to chaperone field trips, help in the classroom, be involved with High Interest Day, or any of the wonderful things we do here throughout the year.
