## *Chili Cook-Off*

Our Annual St. Leonard Chili Cook-Off will be held on Saturday 11/11/23 from 4:30-7:30pm in the school gym. We need parents and student volunteers to make this event successful! There are volunteer opportunities Thursday 11/10, Friday 11/11, and Saturday 11/12. There are typically over 350 people that attend this event. No experience needed to volunteer, because Chili-Cook-Off Task Force members will be leading you. Thanks for making

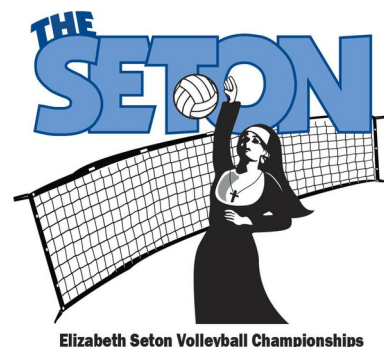

this a fun family and community event! Please contact Heidi Weidner at 414-418-6578 or [hebares@hotmail.com](mailto:hebares@hotmail.com) with any questions.

## *St. Leonard Sports - Volleyball Spotlight*

### **8th grade teams off to the Seton**

The 8th grade girls are currently in 4th place in their division A league games. They are playing extremely well and have received an invitation to the Seton Tournament (a statewide tournament of Catholic school teams). They are extremely excited to play in this prestigious tourney. On Monday at 1:30, St. Leonard will be hosting an all school pep assembly to show them our school spirit, wish them luck and cheer them on as they display their skills. Next Tuesday, Oct. 24, the team will be playing in their opening rounds of pool play. Their first game is at 5:30 at the Milwaukee Sting Center. They will play three matches that evening and if they make it to the top 16, they will play again on Thursday, Oct. 26 (they have a really good chance to advance). Come cheer on your 8th grade girls on Tuesday, Oct. 24 at 5:30 at Milwaukee Sting. The noise of the crowd will be beneficial to their great play. Don't forget to wear St Leonard spirit wear if you decide to come. Good luck girls.

Also, one of the boys from 8th grade plays volleyball for St. Alphonsus and he is also playing in the Seton on Monday night. We would like to celebrate him as well so he will also be part of our assembly and we wish him luck in the tourney.

### **6th grade girls**

It has been a wonderful volleyball season for the 6th grade girls team. All their hard work is paying off, especially with their ball control and serving skills. They have come together as a team and it has been a delight to see. A highlight of our season was a compliment the team received from a referee about their positive attitudes and impressive sportsmanship. They are growing both as players and as stewards of their Catholic faith. Way to go girls!

### **5th grade girls**

The fifth-grade girls volleyball team played in the St. John Vinney Tournament last week. They played strong on Tuesday night, winning the first game. They then faced the top-seeded team on Thursday in the bracket portion of the Tournament, the St. Leonard/St Joes girls kept it close playing very well as a team. The team continues to improve each week.

## *Teacher Wish Lists*

There are many items that teachers would love to have for their classrooms to help our kids be the best students they can be. This year, we've listed those items on an [Amazon Wishlist](#). However, these items do not need to be purchased directly through Amazon. Click the link below under the teacher you'd like to purchase items for. Please purchase an item to be delivered to your home, and you can bring that item to school. When the teacher receives the item, they will update their Wishlist if it does not automatically update. Thank you in advance for your generosity. If you have any questions, please reach out – [jenburau@live.com](mailto:jenburau@live.com).

### Teacher Conference Dinner

Its time once again to show our appreciation for our fabulous St. Leonard School teachers by providing them a meal during conferences! Per teacher request and due to the limited time they have to eat, we're scaling back this year's dinner to be grab and go brown bag style on Wednesday evening with leftovers for Thursday.

## SEE Training

### Safe Environment Education scheduled for St. Leonard

We are hosting a Safe Environment Education session at **St. Leonard on Tuesday, October 24, 2023 at 6:30 pm in the Gathering Space**. Pre-registration is required and takes about an hour. You can register for any upcoming Safe Environment session here: <https://milwaukee.cmgconnect.org/>

Safe Environment certification is required for all parish staff and volunteers, 18 and up, who interact with minors in any capacity. Awareness sessions give attendees the skills and resources to become advocates for child safety, both in our Catholic parishes and schools as well as in our communities.
