## A message from Home and School

The Family Involvement Program at St. Leonard School offers parents a variety of ways in which they can become active and supportive partners in their child's education. Parent support and help is an integral component to the success of our school! Many volunteer opportunities are available for parents throughout the school year. Please click the following link:

<https://forms.gle/NMEVBkx1HS6bbaNC9> to review opportunities and sign up for the areas in which you have an interest - either to help starting right away or to request more information.

One submission per adult – thank you!

## Math Olympiads - 2023/24

### Calling all Middle Schoolers

Math Olympics is about to start. We are thrilled to be able to offer this program again this year to all students in grades 5-8. This year, we already have over 30 students signed up.

Mrs. Kaye and Mrs. Kordus sent home the forms earlier this week. Please fill them out and return them asap. The first practice is next week.

## Car Show Volunteers Needed

Home and School is having a fundraising car show and brat fry on Saturday, September 16 from 9 to 2. We need volunteers to help with greeting / registering participants, cooking and serving brats, selling drinks and bake sale items, as well as helping with the show and clean up. No experience is needed. It will be a day full of cool cars and fun people, so come hang out with us! This is also a great way for middle school students to get service hours! (set up / clean up and car show tasks available for student helpers)

Please click [here](#) to sign up to help out.

## Parent Night is September 21st

On Thursday September 21st, at 6:00pm, we will gather together to hear messages from various people who are all here to help your children be successful. The evening will begin in the gym this year. You will see/meet our new teachers and hear from me. We will hear from Home and School and PSC so that you can learn more about what it means to be a part of our thriving Committees. After our initial all school meeting, you will have an opportunity to go to your children's classroom and hear from their teacher as they explain classroom procedures and "How to's" that all parents need to know.

We are looking forward to the evening.

## Join us for Mass

The Archdiocese of Milwaukee will be here Friday September 15th to honor St. Leonard School for being recognized as an Exemplary School for our Mission and Catholic Identity. Please join us for Mass at 8:00am.

## Dress Code Reminders

Just a quick reminder to check the uniform policy in the Parent Handbook. We've seen many students wearing "spirit wear" and other non-uniform items thinking they can. We will ask your child to remove hoodies and non-uniform jackets.

## Be a part of something great

The St. Leonard Marketing Committee is committed to creating new ways to promote our school. If you have a background in marketing, or if this just sounds interesting to you, we could use you on our team.

Our first meeting of the school year is on Monday, Sept. 11th at 6pm. Call the office if you would like to attend and learn more about what YOU can do to help.
