## *Big News about our Gym*

### **Water damage has been fixed**

Last week, after the first snowstorm that came through, we experienced a major roof leak that significantly damaged the gym floor. After a full week of trying to dry it out using special equipment, the restoration company agreed that the floor could not be saved. This was a major blow to our Athletic dept. as we were scheduled to host our first basketball tournament this week.

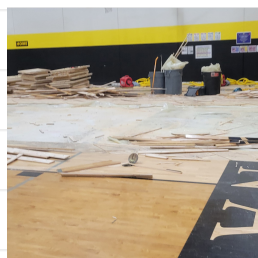

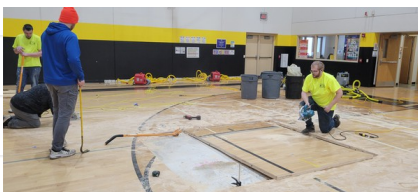

Working round the clock, the company has replaced the bad floor with a temporary floor that will allow us to get through the basketball season safely. I want to extend a huge thank you to all those that made this happen. Because of them, we are able to hold our second scheduled tournament this weekend.

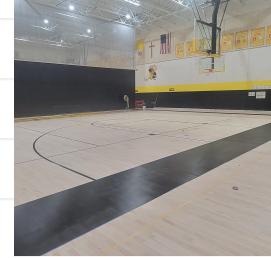

Thank you to:

Jim Kahle

Karen Tenfel

Ed Leonard, Dave Miller and all the basketball coaches

## *Mission Carnival*

### **It's Here!**

It's that time of year again for our amazing Mission Carnival. On February 2nd, Home and School will provide a wonderful experience for the students. K3 and K4 will have their Carnival time in the morning, and Grades K5-8 will have right after lunch.

During Mission Carnival, students get to play carnival type games, do a cake walk, win prizes (even a real goldfish!), face painting, and have snacks! It is such a great time for all.

In order to win a goldfish, a permission slip (attached below AND being sent in Friday Folders tomorrow) must come back to school signed.

Payment of \$8 will be pulled from TADS on February 1st. Please consider volunteering that day. A Sign Up Genius will be sent out soon.
