Answers given by 2nd grade children:

Question: Who's the boss at your house?

- *** Mom doesn't want to be boss, but she has to because Dad's such a goof ball.
- *** Mom. You can tell by room inspection. She sees the stuff under the bed.
- *** I guess Mom is, but only because she has a lot more to do than Dad.

Question: What's the difference between Moms and Dads?

- *** Moms work at work and work at home and Dads just go to work at work.
- *** Moms know how to talk to teachers without scaring them.
- *** Dads are taller and stronger, but Moms have all the real power cause that's who you got to ask if you want to sleep over at your friends.
- *** Moms have magic, they make you feel better without medicine.
