*I asked God for strength that I might achieve.
I was made weak that I might learn humbly to obey.
I asked for health that I might do greater things.
I was given infirmity that I might do better things.
I asked for riches that I might be happy.
I was given poverty that I might be wise.
I asked for power that I might have the praise of men.
I was given weakness that I might feel the need of God.
I asked for all things that I might enjoy life.
I was given life that I might enjoy all things.
I got nothing that I asked for, but everything I hoped for.
Almost despite myself, my unspoken prayers were answered.
I am, among all men, most richly blessed.*

From Father Fletcher...”Soon we began to visualize a school. We knew that the parish had no hope of growth until we had one, as the good Catholics moving to Grand Forks naturally wanted to locate in a parish that had a school and St. Mary’s had none. We were forced therefore to jump in deep water.”
From Father Fletcher...”First we had to procure a new rectory, because where we lived had to be the site of the new school. Fortunately in 1925 the residence at 302 Belmont was for sale and we purchased it for \$6,000. It had to be remodeled some and with the addition of office and housekeeper’s quarters, plus a new heating plant, bought the total cost to around \$9,000, a lot of money back in the twenties. That \$9,000 plus all we owed, was stretching our financial necks out a mile.”
From Father Fletcher...”Before we could think about a school however, we had to get additional property. With a prayer and hope in my heart, I approached Mr. and Mrs. Schulstead, our good and friendly neighbors to the north of our little shack at 210 Belmont Road. They were reluctant to sell the home they enjoyed but being a wonderful family, and knowing we needed the property for expansion, they gave their consent a few days after my request. Nor did they hold us up on their price—as some may have prone to do, knowing we needed it.” “This purchase cost us another \$3,900, but gave us a large enough lot to build our school.”.... “The Schulstead house was moved to the lot in back of 302 Belmont, and is now the home of St. Mary’s janitor.”
