

Healing Hearts ~ Mending Lives
Reconciliation Outside the Box

Tues., Oct. 19, 12:15-1 pm

Lower Level Auditorium

Presented by

Fr. Derran Combs, O.F.M., Ph.D.

For decades, St. Peter's Church has been known as the place to go in the Loop for a prayerful celebration of the Sacrament of Reconciliation. Spiritual healing and the mending of relationships with God and others occurs when the sacrament is celebrated well. However, the challenge is to continuously strive to maintain good relationships with people on a daily basis. The reality is that in our daily interaction with people—whether at the workplace, at school, at home, or in the public arena—people experience breeched trust among colleagues or schoolmates, shattered friendships, and painful disassociation with family members.

Our monthly *Healing Hearts* presentations attempts to help individuals restore such broken relationships with family, friends, co-workers, and associates with the hope of reestablishing heartfelt trust and affection.
