Confirmation Mission Hours Documentation Sheet

Each year, every Confirmation candidate is responsible for completing 15 mission hours where they put their “faith into action” before receiving the Sacrament of Confirmation. Students must complete a total of 30 mission hours between 9th & 10th grade.

The Diocese requires that: The Confirmation candidate should be given and challenged with opportunities to put his faith into action. These projects should be concrete and should truly express the needs of the parish, neighborhood, and world community... these opportunities to put their faith into action are an expression of that love which flows from our baptismal commitment and is essential to the Christian life.

**You may not count time you have been monetarily compensated for. If you are in doubt about an activity, please see the Mission Hours Guide or check with Fr. Seth, Fr. Charlie, or Lisa Neary to make sure that it qualifies as mission work.

Please only answer questions in 1-2 sentences. If you need more spaces, simply make copies of the back side of this document.
