Income levels are determined in accordance with the Income Verification Rules document available at www.doe.in.gov/choice.

* This income is the same as the federal Reduced Lunch program income limit. Families qualifying at this level qualify for a Choice Scholarship at 90% of the per-pupil funding based upon the family's school district of residence.

** This income is 150% of the federal Reduced Lunch program income limit. Families qualifying at this level qualify for a Choice Scholarship at 50% of the per-pupil funding based upon the family's school district of residence.

** This income is 200% of the federal Reduced Lunch program income limit. Families at or below this level qualify for an SGO Scholarship. Families of continuing Choice Scholarship recipients and/or students satisfying the Special Education Pathway qualifying at this level qualify for a Choice Scholarship at 50% of the per-pupil funding based upon the family's school district of residence.
