**2018 - 2019**

**Allelu!** is an early childhood program with innovations that make it easy to engage every child and build his/her faith! Allelu! delivers a unique, multisensory experience for 4-5 year old children.

Within this framework, the goals of Allelu! are to:

- Familiarize children with the Catholic sacraments, liturgical rituals, symbols, and seasons.
- Help form children's moral lives, standards and values.
- Teach children how to pray.
- Give children the words and tools they need to talk about God.
