

WHAT TO EXPECT IN

C.I.A.

CATHOLICS IN ACTION

WHAT: C.I.A. is our middle school program! They will learn about faith and morality (from Matthew Kelly's Decision Point), science + God (based on Fr. Spitzer), play games, faith share and more!

WHY: The goal is for our middle school kids to become more rooted in their faith as well as to build a community with one another. Even though it's not a sacramental prep program, it's so important for our youth to stay connected in the church community!

WHEN: MONDAYS
Homework Lab: 4-5pm
C.I.A. Program: 5-6:30pm (Snacks Included)
