

*Is it right, doctors are forced to perform abortions; Taxpayers to pay for them? NO, it's not! Please send your vote to the Department of Health and Human Services (HHS) today! The Obama Administration issued rules that wrongly interpreted "sex" in section 1557 to include "termination of pregnancy" and also "gender identity. Health care providers who don't consider 'abortion' or "gender transition" procedures to be appropriate medical care, and health plans that don't cover these procedures are being charged with sex discrimination!*

*The Trump Administration has proposed new rules to eliminate this from the previous Administration's rule. We need to support these proposed rules with HHS! The deadline for submitting comments is Tuesday, August 13 before 9PM!*
