Dear Parishioners:

As we come to the end of the Fiscal Year, 2022, I would like to thank each one of you for your generous gifts of treasure to financially support our parish, so that we may continue the work of Jesus Christ here at St. Mary's Church.

As we begin a new fiscal year, I would like to appeal to you once again to continue with your support and generosity. Please be assured that all your donations and contributions are accounted and spent wisely. I am thankful to our Finance Council and our Bookkeeper, Madeline Zeig for making sure that everything is accounted for.

Please take a moment to read through this report and reflect on the year that we had and take pride for what we have accomplished, and pray how we can do even more this year, 2023. Thank you.

May God who cannot be outdone in generosity bless you and your loved ones in a manner he knows best!

Sincerely yours in Christ,

Fr. Ramon D. Frayna
Pastor
