

MAINTENANCE COMMITTEE

MISSION STATEMENT

The mission of the Maintenance Committee is to maintain the entire complex in a manner that provides a safe, attractive environment, which promotes an atmosphere for worship and fellowship. This goal is accomplished by proactively maintaining all of its facilities and grounds in a cost efficient manner that is both functional and user friendly.

Included below are just some of the responsibilities that fall within the scope of the Maintenance Committee in which parishioners can volunteer their time and talent:

1. **Janitorial Projects**: Ensure the Church, Narthex, Office, Annex and grounds are clean and presentable for services and meetings.
2. **Plumbing Projects**: Repairing leaky faucets clogged drains and pipelines.
3. **Electrical Projects**: Repairing broken outlets, switches and breakers.
4. **Carpentry Projects**: Repairing items that are broken and constructing new projects for parish events.
5. **Painting Projects**: Interior and exterior painting and sheet rock work.
6. **Grounds Maintenance**: Landscaping, trash clean up, leaf and snow removal.

Parishioners with backgrounds as a licensed plumber, licensed electrician as well as carpenters and painters or anyone willing to donate their time and talent are always welcome to assist in these tasks. Please fill out the tear off portion of this form and place it in the collection basket or contact John Di Paula at the parish office between 8am-4pm at 410-298-8888 if you are interested in lending a helping hand.
