

Dear Parents/Guardians 7th & 9th Graders,

Ghoul Evening! On Wednesday, October 24 we will be working on a service project we call 'Trick or Canning', intended to introduce the 7 Principles of Catholic Social Justice Teaching (see back if you'd like to quiz your child - it'll be a real 'treat' for them!), collect non-perishable food in order to feed the hungry, and have some fun in the process. We will be driving to and walking the nearby neighborhoods to collect food. We still need some help as far as chaperones, driving, sorting food and for bringing & serving treats for the teens afterwards. Please fill out the form below if you are able to assist. We need a permission slip for each student and we are asking that each student bring a non-perishable food item or two if you're able. Please bring permission forms with you that night. No costume is necessary - however there is a costume contest for leaders.

Yes! I would like to volunteer to help with the Trick or Canning Project! With so much to prepare we will not phone you but will ask you to sign in when you arrive that night. Please be in the Great Hall by 7PM - be patient as we get the teens organized and then we will put you to work.

Check the area you'd prefer to assist with:

- ☐ serve treats to teens after they return
- ☐ walk with a group (doesn't have to be your teens' class)
- ☐ drive group to a nearby neighborhood (fill out form attached)
- ☐ provide treats such as a package of cookies or bottle of pop.
- ☐ Provide a gift card/service for costume contest
- ☐ help organize/weigh food as it comes in (need lots for this!).
- ☐ Be a number cruncher and tally the pounds of food
- ☐ Help take food the following morning to food shelf on Thursday, October 25 at 9:00AM (usually takes about an hour)

**Please detach and return this form to the office
