

# Saint Francis of Assisi School

Dear Parents and Friends of St. Francis of Assisi,

**Welcome to the Seventeenth Annual International Food Fair!** Our parish and school community are delighted you could join us for this festive evening of food, socializing and spirited bidding.

We invite you to experience a taste of **cuisine from six different cultures** from around the globe and of course some traditional **Wisconsin** favorites. Travel with us and taste our variety of flavors from the **Polish, Latin American, Italian, French Creole', Asian** and **Irish** cuisines. To top off your feast we are offering delicious desserts in our **Internationally Themed Dessert Booth**. We will once again be offering fine wine for your enjoyment throughout the evening, offered at our **Wine Pull Booth**. If you get thirsty, enjoy one of our international beers at our food booths or a wide variety of beverages at our bar.

We hope you will enjoy perusing our **Silent Auction Areas** which are filled with treasures for your viewing and bidding pleasure. Don't forget to get your tickets for our **50/50 raffle** and the **Gift Collections** that have been donated by the students that we are here to support. The **Ticket to Ca\$h** offers a chance to win one of ten cash prizes just by purchasing a ticket. Don't be shy during our **Oral Auction** where we are offering once-in-a-lifetime items. Feel free to get caught up in the excitement of bidding, it's a win/win situation where you get to have fun and support the children of St. Francis of Assisi School.

There are many groups that need to be thanked for the work that they do in support of the International Food Fair. First, the **many volunteers** that put in countless hours to ensure that tonight's event is a success. This would not be possible without them. Next, the **families of St. Francis** for the donations made for our silent and oral auctions. Also, our **Food Fair Sponsors** for their generous financial support. Their **commitment to Catholic education** allows our school to continue to provide a strong academic and spiritual program for our students. To our **business leaders**, whose donations to our school and community are an investment in the future of our students and the Lakeshore area. Thank you to all our supporters!

We are especially grateful to **Roncalli High School** for being the host site of our largest fundraiser. They have once again graciously offered the use of their facility, equipment and expertise to make certain this event is again a success.

So please, enjoy an evening with your friends and family. Catch the contagious spirit of the evening. Shop the gifts we are given. And of course, taste the world. Thank you for joining us, and if you are not able to make it, thank you for your support and prayers.

God's blessings upon you and yours,
