

From Mrs. Lea Rosenberg
Coordinator of Youth Ministry
St. Gabriel Parish

Looking to connect with mom's at St. Gabriel Parish/School? We have a mom's group for you to join! We will begin September 14th with a virtual experience called a WonderHunt. A Wonderhunt is the simple act of intentionally looking for wonder in an effort to reawaken your heart.

For us, it will be a 10-week program with two 'challenges' each week. We will receive a short, inspiring message with a lesson, a reflection, and a fun photo challenge. We post our photo to a closed group through the app Mighty Networks. It allows for interaction at our own pace.

The series will start September 14th, run for 10 weeks (ending right before Thanksgiving) and will cost \$34.99 per person. While this program will send you prompts that you can complete on your own, we will also try to meet once a week virtually for about an hour to discuss observations and thoughts. Do not worry if you can't commit to every day and week. You can hop in when you can; we understand that life looks quite different these days!

If you are interested, please let Lea Rosenberg know by September 7 at lrosenberg@stgabrielhubertus.org. A link will be sent to all interested around that time to register.

Thank you, and God bless you!
