

How do I become Catholic? What is God calling me to do?

RCIA, the Rite of Christian Initiation of Adults, is the process of preparation for adults or children who were not Baptized or those who were Baptized in another faith, who desire to become Catholic. This is really a response to God nudging you to become closer to Him through the Divine grace that is given in the Sacraments. The process usually begins in the fall of each year but can begin at any time and continues until the culmination at the Easter Vigil, receiving the Sacraments.

Anyone is welcome to inquire about how to become Catholic and encouraged to contact the Parish or a friend in how to get started. Don't hesitate to answer God and respond with trust and faith. Don't be afraid to follow Jesus in a life of discipleship and joy!

If you would like more information about RCIA or would like to enroll in the RCIA process of discipleship, contact Gerry Wolf, Director of Evangelization and Formation, 262-628-1141, or gwolf@stgabrielhubertus.org.
