

November 20, 2020

Dear Parishioners:

In response to the Lucas County Health Department *Stay at Home Advisory* through December 17, we are suspending all in-person ministry meetings and activities until January 4 out of an abundance of caution. All liturgical activities (Masses, Parish Penance Service, and Christmas Remembrance Service) will continue.

This is a challenging time indeed! But as we re-affirm this weekend, Christ is still the King!

God Bless and stay healthy!

Fr. Eric
