

Welcome to another exciting CYO and Scouting season!!

Whether you are a spectator or coach, hopefully you are aware of the strength of both the CYO & Scouting programs at St. Joseph Maumee. That strength comes from a combination of the children, parents and coaches. An additional key factor in our programs is the support supplied by the St. Joseph Maumee Booster Organization.

The efforts and contributions of the Boosters are evident if you have ever attended a Feather Party, Reverse Raffle or Fish Fry. The proceeds from these events fund our programs and help maintain the level we have been blessed with. The success from these community events help to repair/replace equipment, start new programs, while also paying for team entry and coaching certification fees.

So that our programs remain at their current levels, we are asking for your help & support at these events. Each requires a variety of volunteers, either in the preparation for or working at. Please review the below list of events and rank your order of preference 1-3. Each family will be asked to help with 2/3 events. Plenty of notification and communication will provided to you so that your calendar can me marked for a time which will definitely be fun.

Have more questions about the Boosters??? Come to a meeting!!!! Monthly Booster meetings are held the 2nd Thursday of each month in the Family Center. Stop by, have fun and thanks for everything you do!!!!

Detach the bottom portion and return to your coach.

_____ Feather Party: Friday, November 17, 2017

_____ Reverse Raffle: Saturday, February 24, 2018

_____ Fish Fry: Friday, March 23, 2018
