Preference will be given to families with more than three children.

The family must include parents/guardians and children from the same immediate family, or grandparents and grandchildren. If you have questions, please contact Betsy Kneepkens.

5. Enter your e-mail address. If you have registered for an event on Active.com before, you may already have an account and password. If not, you will create a password now. If you forgot your password, you can follow directions on the site to reset your password.
6. Select yourself as the First Parent Attending. Do not pick a child for this question.
7. Complete YOUR date of birth and that you are registering Yourself.
8. Add your family by selecting the correct location of where they will sleep (Remember: **Your family must be registered for location the same as your original choice of LODGE, RV, or TENT**). If you change your mind for LODGE, RV, or TENT, go back and start at the beginning.

You can add (1) Spouse. Carefully choose the age of your children as prices change with age. You may adjust the quantity of children if you have more than one in the same age range.

15. **Health Information:** Choose an adult besides your Spouse to be your Emergency Contact and include their information.

20. **Review cart & check out:** Make sure you chose the same LODGE, RV, or TENT for each person and Accommodations. Do **not** click "Add Another Registration" or this will add another First Parent. That's a no-no.

Example of Family of 6 who chose to bring their RV/Camper Trailer. This family includes the First Parent, a Spouse, a 19 year-old, a 13 year-old, a 9 year-old, and a 4 year-old.
