

Sts. Peter & Paul CCD Registration 2023-2024

Parents and Guardians: Every child under the age of 18, new or a continuing student must be registered to attend class. We also need contact information for regular and emergency purposes. Families not registered with the parish need permission of the pastor to attend our program.

AGE: Children must be attending grades 1-6 school level.

Fees: **\$30 per child**. No child will be denied for inability to pay. Please contact Lisa Monnin if assistance is needed. A cap of **\$100** for 4 or more kids.

Additional cost: We try never to ask for additional fees, but occasionally we have special events and would appreciate assistance with these. This year, we will have a multi-parish 2nd grade retreat. The cost is TBD. There may be other events as well.

Remember: Please be sure to **inform** your child's teacher or myself if your child will be absent. I prefer to be texted or called, as I sometimes do not receive e-mails soon enough. 937-638-1280. Attendance is important and **required** to receive the sacraments.
