## A Body Broken for a Broken People Divorce, Renarrriage, and the Eucharist

Francis J. Moloney's *A Body Broken for a Broken People* has become a classic study of what the New Testament reveals about the Eucharistic practice of the early Church. Completely revised and extended to address contemporary pastoral issues in light of Pope Francis's Synod on the Family, this substantially revised edition examines the New Testament's discussion of divorce, remarriage, and access to the Eucharistic table. Through a close reading of the New Testament texts, Professor Moloney shows that, without fail, they indicate that the Eucharist is not a reward for the perfect, but God's gracious nourishment for the weak. *A Body Broken for a Broken People* provides fresh insights from the Scriptures into the purpose of the Eucharist in the Christian community, Eucharistic hospitality, and especially what it means for those who have divorced and remarried. It is also an exemplary case study of courageously reading the New Testament with fresh eyes, and contributing exegetical insight to a responsible examination of the Church's pastoral practices.

Thomas Merton was the most popular proponent of the Christian contemplative tradition in the twentieth century. Now, for the first time, some of his most lyrical and prayerful writings have been arranged into *A Book of Hours*, a rich resource for daily prayer and contemplation that imitates the increasingly popular ancient monastic practice of "praying the hours".

A Book of Hours

Editor Kathleen Deignan mined Merton's voluminous writings, arranging prayers for Dawn, Day, Dusk, and Dark for each of the days of the week. *A Book of Hours* allows for a slice of monastic contemplation in the midst of hectic modern life, with psalms, prayers, readings, and reflections.

Open any page of this wonderful book and you will find a mind-stopping, heart-catching phrase that will remind you, in Merton's unique way, that God is here, all around, right now, and in that moment everything will be different and you will be changed." --Sylvia Boorstein, Author of *It's Easier Than You Think*

Published to coincide with Pope Francis's Year of Mercy and the Vatican's canonization of Mother Teresa, this new book of unpublished material by a humble yet remarkable woman of faith whose influence is felt as deeply today as it was when she was alive, offers Mother Teresa's profound yet accessible wisdom on how we can show mercy and compassion in our day-to-day lives.

For millions of people from all walks of life, Mother Teresa's canonization is providentially taking place during Pope Francis's Extraordinary Jubilee of Mercy. This is entirely fitting since she is seen both inside and outside of the Church as an icon of God's mercy to those in need.

Compiled and edited by Brian Kolodiejckuk, M.C., the postulator of Mother Teresa's cause for sainthood, *A Call to Mercy* presents deep yet accessible wisdom on how we can show compassion in our everyday lives. In her own words, Mother Teresa discusses such topics

#### *A Call to Mercy*

as:

- the need for us to visit the sick and the imprisoned
- the importance of honoring the dead and informing the ignorant
- the necessity to bear our burdens patiently and forgive willingly
- the purpose to feed the poor and pray for all
- the greatness of creating a "civilization of love" through personal service to others

Featuring never before published testimonials by people close to Mother Teresa as well as prayers and suggestions for putting these ideas into practice, *A Call to Mercy* is not only a lovely keepsake, but a living testament to the teachings of a saint whose ideas are important, relevant and very necessary in the 21st century.

Challenging today's accepted wisdom, Catholic scientist Gerard Verschuuren, Ph.D., here demonstrates that the question of whether God exists is not one science can answer. Indeed, that would be like expecting a microscope to reveal the square root of sixteen!

#### *A Catholic Scientist Proves God Exists*

Verschuuren begins by explaining the five famous medieval proofs for the existence of God based on reason alone that have survived despite nearly a thousand years of efforts to refute them. With his wise help, you'll come to see that just as reason gives us access to the existence of numbers, so it is reason that gives us access to the existence of God. In fact, when we use our reason to investigate the existence of God, we encounter proofs that are more powerful, by far, than any that science could ever provide.

Yes, Verschuuren is a Catholic; but he's also a long-standing scientist, schooled in using reason alone to draw forth from evidence the proofs to which it necessarily leads.

Why silence both within the liturgy and outside of it is a necessary element of that conversation with God

Why, during the collection, you should also explicitly offer Christ your heart

Victims of abuse—any abuse—need to know how other people have made it through the recovery process. As a victim of incest herself, Jan Frank understands the myriad emotions that victims struggle with and offers ten proven steps toward recovery in *Door of Hope*.

*A Door of Hope*

A powerful story of inspiration and restoration, *Door of Hope*, is Jan's journey toward wholeness. But it is much more than a story. It is hope for other victims. *A Father Who Keeps His Promises*

Hahn explores the "covenant love" God reveals to us through the Scriptures and explains how God patiently reaches out to us—despite our faults and shortcomings—to restore us into relationship with his divine family. Join Hahn as he follows the high adventure of God's plan for the ages, beginning with Adam and Eve and continuing down through the generations to the coming of Christ and the birth of the Church. You'll discover how the patient love of the Father revealed in the Bible is the same persistent love he has for you.

*A Grief Observed*

A classic work on grief, *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. Written after his wife's tragic death as a way of surviving the "mad midnight moments," *A Grief Observed* an unflinchingly truthful account of how loss can lead even a stalwart believer to lose all sense of meaning in the universe, and the inspirational tale of how he can possibly regain his bearings.

The Passion of the Christ has touched millions of hearts since its release in 2004. It has been called the most powerful film ever produced about the life and death of Jesus.

*A Guide to the Passion*

Yet, despite its visual and emotional impact, the dramatic events portrayed do not explain themselves; they often give rise to perplexing questions: Why did Jesus need to die?, What is the point behind the haunting demonic scenes?, What do we know of the soldier who pierces Jesus' side?

*A Guide to the Passion: 100 Questions About The Passion of The Christ* offers a fascinating and enlightening insight into the meaning of Christ's passion, explaining how his death was not a defeat, but the beginning of a great victory.

Winner of a 2013 Excellence in Publishing Award from the Association of Catholic Publishers.

#### A Heart on Fire

In *A Heart on Fire: Rediscovering Devotion to the Sacred Heart of Jesus*, Rev. James Kubicki, S.J., presents a persuasive and engaging guide to the Sacred Heart of Jesus, an age-old and often misunderstood Catholic devotion. He delves into the rich theological and spiritual roots of the devotion and demonstrates how the faithful may encounter the Sacred Heart of Jesus in one another, scripture, the sacraments, and especially in the Eucharist.

Fr. Kubicki, former national director of the Apostleship of Prayer (now the Pope's Worldwide Prayer Network), brings to life the rich imagery associated with the devotion's history and provides a contemporary look at traditional devotions like the Twelve Promises, family consecration and enthronement, the Sacred Heart Badge, the Litany of the Sacred Heart, holy hours, and devotion to the Immaculate Heart of Mary. Known around the globe for her indefatigable work on behalf of the poor, the sick, and the dying, Mother Teresa has devoted her life to giving hope to the hopeless in more than one hundred and twenty countries. She inspires us all to find a way to translate our spiritual beliefs into action in the world. How has one woman accomplished so much? And what are the guiding principles that have enabled this humble nun to so profoundly effect the lives of millions? Now, in her own words, Mother Teresa shares the thoughts and experiences that have led her to do her extraordinary charitable work. A candid look at her everyday life--at the very simplicity and self-sacrifice that give her the strength to move mountains--*A Simple Path* gives voice to the remarkable spirit who has dedicated her life to the poorest among us.

#### A Simple Path

Just as important as her beliefs are how they are put into action in the world, and *A Simple Path* also tells the story of the founding of the Missionaries of Charity, their purpose and practice, and the results of their tireless work. Through faith, surrender, and prayer, the missionaries live to serve others; they have improved the lives of countless souls and given dignity to the dying. Their mission has also produced a ripple effect, spreading human compassion to communities where there is need.

Through these examples, as well as the uplifting words and guiding prayers of Mother Teresa and those who work with her, everyone can learn how to walk the simple path that Mother Teresa has laid out for us, to help create a truly kinder world for the future.

*A Simple Path* is a unique spiritual guide for Catholics and non-Catholics alike: full of wisdom and hope from the one person who has given us the greatest model of love in action in our time.

Through the centuries, Our Blessed Lady has appeared frequently on earth with messages of warning, hope, and consolation for humanity—but never more frequently than in the last two centuries. Heralded as the Marian Age, the past two hundred years have been blessed with numerous appearances of Our Lady, each one offering messages of inspiration and hope and urging the world to return to the love of God through prayer, penance, and reparation for sins.

#### A Woman Clothed with the Sun

A Woman Clothed with the Sun considers the seven most significant apparitions of Our Lady in the past two centuries: that of the Miraculous Medal at Paris, those at La Salette, Lourdes, Knock, Fatima, Beauraing, Banneux—and also the sixteenth-century appearance of Mary at Guadalupe with its profound message for Americans. The historical background of each apparition is given, the vision itself described, and Mary's messages are quoted by writers distinguished for their special knowledge of the apparitions and their literary excellence. In his introductory chapter, editor John J. Delaney traces the relationships between the apparitions and provides a penetrating analysis of their significance.

Recipient of the Marian Library Medal, A Woman Clothed with the Sun has been critically acclaimed as the one book on Our Lady that should be read by everyone.

"Dear brothers and sisters, I have often thought of how the Church may render more clear her mission to be a witness to mercy; and we have to make this journey. It is a journey which begins with spiritual conversion. Therefore, I have decided to announce an Extraordinary Jubilee which has at its center the mercy of God. It will be a Holy Year of Mercy. We want to live in the light of the word of the Lord: 'Be merciful, even as your Father is merciful' (cf. Lk 6:36)."  
—Pope Francis, from his announcement of 2016 as a Holy Year of Mercy

#### A Year of Mercy

Only a few years into his papacy, Pope Francis has spoken and written many times on the theme of mercy, going so far as to call it "the Lord's most powerful message." Published in partnership with the Vatican, A Year of Mercy celebrates the Jubilee year of 2016 with a collection of his most moving words on the subject of mercy.

These bite-sized quotes bring the pontiff's warm, accessible style to bear on the message of God's love and his infinite capacity for forgiveness if we simply lay our sins before him. Pope Francis addresses not only God's mercy for his people, but also our own duty to be merciful to our fellow sinners: "Let us be renewed by God's mercy, let us be loved by Jesus, let us enable the power of his love to transform our lives too; and let us become agents of this mercy, channels through which God can water the earth, protect all creation and make justice and peace flourish."

This wonderful collection is sure to bring hope and comfort to all who read it. Give it as a heartfelt gift or use it as a yearlong companion to renew and reaffirm your own trust in God's infinite mercy.

Answering a Fundamentalist

If you have had a family member leave the Church for Fundamentalism or if you have ever been approached by a Fundamentalist at work or socially, you are acutely aware of the fervor in which Fundamentalists seek converts. At times their persistent methods may cause you to question your beliefs. Now there is a way to help you strengthen your Catholic Faith. Answering A Fundamentalist provides you with a more thorough understanding of a Fundamentalist's beliefs as well as replies to help you defend your Faith. Before each of the sixteen chapters, Father Nevins presents a common misunderstanding about the Catholic Faith. Then using logic and reasoning rooted in Scripture and Apostolic Tradition, he dispels the misconception. Father Nevins quotes heavily from the Revised Standard Version of the King James Bible most commonly used by Fundamentalists. He Quotes scripture to show that the Bible is far broader than some selected texts which have been handed down from a long anti-Catholic conditioning.

## Arguing Religion

Every day, millions of people fight about religion. Whether with friends, family, or on social media, we expend lots of energy, lots of sharp words, and lots of strong feelings. But very few know how to have a good religious argument a rational, respectful, and productive exchange of differing views.

Bishop Robert Barron, one of the leading Catholic figures in the world and among the most active on social media, has enjoyed thousands of fruitful religious arguments. In this book based on talks delivered at Facebook and Google, he explains why religion at its best opens up the searching mind, and how we all believer and unbeliever alike can share better discussions about God.

AUGUSTINE OF HIPPO-SELECTED WRITINGS translated and introduced by Mary T. Clark preface by Goulven Madec "You have made us to be toward you, and our heart is restless until it rests in you" Augustine of Hippo (354–430)

## Augustin of Hippo

Augustine of Hippo (354–430), bishop, philosopher, and Doctor of the Church whose thought molded the Western theological tradition, is clearly one of the most influential figures in the history of the Church. At the heart of his brilliant philosophical and theological speculation is his spirituality-a spirituality founded on the reality of the soul's experience of the Trinity in the depths of its interiority. This book is a collection of his writings, which in every sense must be considered true classics of spirituality in the West. Included are excerpts from Confessions, On the Trinity, The City of God, and Homilies on the Psalms along with the complete texts of the Rule of St. Augustine, On Seeing God, and On the Presence of God. In speaking of Augustine's relevance for our time, Paul VI said: "If St. Augustine were alive today, he would speak as he spoke a thousand and more years ago. Why? Because he really personifies a humanity that believes, that loves Christ and our beloved God."

Be the Hands and Feet-Living Out Gods  
Love for All His Children

New York Times bestselling author and world-renowned motivational speaker Nick Vujicic is known worldwide as the man without arms and legs who personifies a "can do" spirit. Now in greater detail, he explains how the example of Jesus Christ motivates him to travel and speak broadly because the "good news" of the Gospel is just too good to keep quiet! Although the world has so many problems, no challenge is too great for the God who promises to move mountains. Using compelling stories from his own experience, Nick shares the heart of his message, the motivation behind all he does, and something that he believes the world needs now more than ever before: A faith in Jesus Christ that moves people to act and make the world a better place.

We live in a culture that produces hopelessness with astounding consistency. When everything seems chaotic and we are faced with a multitude of negative realities, we might be tempted to say that nothing makes sense anymore. But we are not alone—God walks with us and his lively presence fills us with hope. And so we are able to smile in spite of our difficulties. Despair is defeated because God is among us. Hope does not disappoint!

Beautiful Hope

What gives you hope? What are your hopes and dreams for yourself, your children, your church, your community, your nation? What sustains that hope and turns those dreams into reality? What are some of the unique ways you bring hope to people in your life? The contributors featured in Beautiful Hope offer intensely personal answers to these questions, and their stories will spark your own exploration of hope and increase its abundance in your life.

Today many are worried about the future and what it holds. Many are concerned about the future of our Church. If we are to become people who can shine the light of faith into the darkness of our world, things must change. We need an infusion of hope so we can see more clearly and live boldly as children of God.

"It is not the same thing to have known Jesus as not to have known him, not the same thing to walk with him as to walk blindly, not the same thing to hear his word as not to know it.... We know that with Jesus life becomes richer."- Pope Francis, *The Joy of the Gospel*

In her first book, *Forming Intentional Disciples: The Path to Knowing and Following Jesus*, Sherry Weddell, cofounder of the Catherine of Siena Institute, captured the attention of Catholics across the globe as she uncovered the life-changing power that accompanies the conscious decision to follow Jesus as his disciple.

## Becoming a Parish of Intentional disciples

Now, in the groundbreaking *Becoming a Parish of Intentional Disciples*, she has gathered together experienced leaders and collaborators whose exceptional field-tested wisdom and enthusiasm for transforming Catholic parishes into centers of discipleship and apostolic outreach is both inspiring and practical.

The authors consider:

The role of intercessory prayer in parish transformation

How "fireside chats" can help a pastor connect with his parishioners and call them to personal discipleship and mission

The co-responsibility of lay people and pastors in the work of making disciples

The revolutionary impact of a discipleship approach to youth ministry

How one parish successfully fostered a culture of intentional discipleship, and much more

As Sherry asks in her own chapter, "Are we willing to answer the call and pay the price necessary to become a new generation of saints through which God can do extraordinary things in our time?"

## Befriending Our Desires

Desire is at the heart of what it is to be human. The power of desire, while embodied and sensuous, is God-given and the key to all human spirituality. Humanity is blessed with a deep longing that is infinite in extent and can only ultimately be satisfied in God. *Befriending Our Desires* portrays the intimate connection between desire and the spiritual journey. Drawing on Hebrew and Christian Scriptures, Christian spiritual classics (with some reference to Buddhist spirituality), poetry, and other literature, plus personal and pastoral experience, Philip Sheldrake explores the role of desire in relation to God, prayer, sexuality, making choices, and responding to change.

Josh Hamilton was the first player chosen in the first round of the 1999 baseball draft. He was destined to be one of those rare "high-character" superstars. But in 2001, working his way from the minors to the majors, all of the plans for Josh went off the rails in a moment of weakness. What followed was a four-year nightmare of drugs and alcohol, estrangement from friends and family, and his eventual suspension from baseball.

#### Beyond Belief

Beyond Belief details the events that led up to the derailment. Josh explains how a young man destined for fame and wealth could allow his life to be taken over by drugs and alcohol. But it is also the memoir of a spiritual journey that breaks through pain and heartbreak and leads to the spectacular rebirth of his major-league career.

Josh Hamilton makes no excuses and places no blame on anyone other than himself. He takes responsibility for his poor decisions and believes his story can help millions who battle the same demons. "I have been given a platform to tell my story," he says. "I pray every night I am a good messenger." #### Bible Facts

This guidebook to the Bible includes lots and lots of maps, chronology and timelines, David's family tree, a visual depiction of the Hebrew calendar, a graphic illustration of the Temple, and meaningful artistic renderings and photographs from the past and present. There is commentary on everything from the history of the Bible (manuscripts, canon, apocrypha), to archeology, to music and fashion in the bible, to diet, to miracles, to pagan deities mentioned in the Bible, to crime, heaven/hell, angels/devils, etc., etc., etc. All kinds of interesting facts make this an extraordinarily valuable Bible resource. They really stick with actual scripture, but smaller sized pieces with story like explanations for kids- leaves it open to add discussion for your kiddos. There lovely pictures too. some comments in the books even added things that I didn't know and hadn't thought of. I like that these are thorough, not just the cliff notes version.

#### Bible Story Vol 5

Caution: Arthur Maxwell is Seventh Day Adventist so some stories may not align totally with Catholic Belief.

In what has been described as a 'breakthrough book,' three Vancouver Island authors have produced a volume that will be keenly read by students of both personality and religion.

*Biblical Characters and the Enneagram: Images of Transformation* explores the personalities of a whole range of Biblical figures through the lens of the Enneagram, an ancient system for understanding personality. The result is an exploration in self-awareness and a fresh look at the many compelling and insightful stories and people found in the Bible.

*Biblical Characters and the Enneagram* In the book, 18 biblical 'characters' are presented as models of transformation, personal growth and spiritual development, showing how the habitual masks we have all unconsciously learned to wear can be revealed as pale and unsatisfactory imitations of our original inner beauty. The book shows how these stories of transformation can lead us to embrace our real selves and discard the sham substitutes of our fabricated personalities.

Christophe Lebreton, OCSO, aged forty-six, was the youngest of the seven Trappist monks assassinated in Algeria by terrorists in 1996. He was also the poet of the group. Anyone who was enthralled by the film *Of Gods and Men* should find in *Brother Christophe's Journal* ample and deeply moving material for meditation on both the light and the darkness inherent in the human condition.

A millennial Catholic priest writes to his generation to answer their concerns with God and the Catholic Church, and invites them to discover what they may have been missing.

Only 2 in 10 Americans under 30 believe attending a church is important or worthwhile.

Well over half of young adults raised in the Catholic Church have dropped out with many having a strong anti-Church stance, many even believing the Church does more harm than good.

Fr. Josh Johnson was one of these people.

Was.

## Broken and Blessed

In *Broken and Blessed* he tackles the harsh realities facing the Catholic Church in the 21st century.

With charity and courage he speaks to his own generation of Catholic Millennials, who often feel their needs and concerns are not being addressed by the Church, or who simply do not believe the Catholic Faith has any relevance to their lives.

Using his own experiences, both as a former struggling young Catholic and as a priest, Fr. Josh offers an inspiring witness of how he came to know God, rather than just knowing about him and presents practical ways for us to truly know God as well

*Broken and Blessed*:

Addresses head-on Millennials most pressing issues with the Catholic Faith

Presents powerful and inspiring stories from Fr. Josh's own faith journey

Shows how one can truly encounter Jesus in a personal way

Offers practical insights on how to overcome habitual sins

Discusses the nature of prayer, as well as the challenges to prayer and how to

In this thoughtful follow-up to *Simply Christian*, today's leading Bible scholar,

Anglican bishop, and acclaimed author uses the Gospel of John to reveal how

Christianity presents a compelling and relevant explanation for our world.

N. T. Wright argues that every world view must explain seven "signposts," indicators inherent to humanity: Justice, Spirituality, Relationships, Beauty, Freedom, Truth, and Power.

## Broken Signposts

If we do not live up to these ideals, our societies and individual lives become unbalanced, creating anger and frustration—negative emotions that divide us from ourselves and from God, he contends. Using the Gospel of John as his source, Wright shows how Christianity defines each signpost and illuminates why we so often see them as being "broken" and unattainable.

Drawing on the wisdom of the Gospels, Wright explains why these signposts are fractured and damaged and how Christianity provides the vision, guidance, and hope for making them whole once again, ultimately healing ourselves and our world.

#### Calendar of Saints

Originally published in 1986 and now available in paperback for the first time, this book celebrates the lives of men and women whose goodness and devotion to God have inspired the world. Here, arranged according to their special days throughout the whole year, are saints from different periods of history and from every walk of life. Some, such as David (patron saint of Wales) led lives of great simplicity. Others were devout eccentrics, such as Simeon Stylites who lived on a pillar for thirty-seven years. Some, such as Joan of Arc were at the forefront of public affairs. On almost every page inspirational sayings illustrate the courage, humour and wisdom of those who put their commitment to goodness before everything else. Lavish illustrations - more than three hundred paintings, many in full colour - provide a rich, unusual and comprehensive gallery of portraits spanning almost two hundred years of art.

#### Called to be Children of God

This book gathers fourteen Catholic scholars to present, examine, and explain the often misunderstood process of "deification". The fifteen chapters show what "becoming God" meant for the early Church, for St. Thomas Aquinas and the greatest Dominicans, and for St. Francis and the early Franciscans. This book explains how this understanding of salvation played out during the Protestant Reformation and the Council of Trent. It explores the thought of the French School of Spirituality, various Thomists, John Henry Newman, John Paul II, and the Vatican Councils, and it shows where such thinking can be found today in the Catechism of the Catholic Church. No other book has gathered such an array of scholars or provided such a deep study into how humanity's divinized life in Christ has received many rich and various perspectives over the past two thousand years. This book seeks to bring readers into the central mystery of Christianity by allowing the Church's greatest thinkers and texts to speak for themselves, demonstrating how becoming Christ-like and the Body of Christ on earth, is the only ultimate purpose of the Christian faith.

You will see that you can trust our heavenly Father, who is truly one with his Son.

What do you think of the Bible? Are you saved? You wish some well-informed Catholic friend were around to help with the answer.

Charlton Heston Presents the Bible

Chesterton

Part of a literary circle that included H.G. Wells, George Bernard Shaw, Hillaire Belloc, and Max Beerbohm, G.K. Chesterton (1874-1936) wrote essays of social criticism for contemporary journals, literary criticism (including notable books on Browning, Dickens, and Shaw), and works of theology and religious argument, but may have been best known for his Father Brown mysteries. Chesterton's interest in Catholic Christianity, first expressed in Orthodoxy, led to his conversion from Anglicanism to Roman Catholicism in 1922. His classic Saint Francis of Assisi and the equally acclaimed Saint Thomas Aquinas confirmed his reputation as a writer with the rare ability to simultaneously entertain, inform, and enlighten readers. This revised edition of Garry Wills's finely crafted biography includes updates to the text and a new Introduction by the author.

Chocolate for Lent

Delving into the delicious depths of humanity, *Chocolate for Lent* offers a Lenten program like no other

Christ in the Margins

A celebrated artist teams with a bestselling author to reveal the face of Christ that shines in the most unlikely places! *Christ in the Margins* features forty Robert Lentz icons and biographies of Christ figures who confound the status quo. Together with Edwina Gateley's stories of men and women who have led her to experience the Christ who lives in all of us, particularly those on the margins, it is both profoundly spiritually and spiritually profound. The prophets, outcasts, holy fools, visionaries and mystics, artists and poets featured in include Christ the Good Shepherd, Christ Sophia, the Apache Christ, the Christ of Maryknoll, St. Martin De Porres, Damien the Leper, St. Vincent De Paul, St. Therese of Lisieux, St. Katherine Drexel, Blessed Julian of Norwich, Mychal Judge, Cardinal Joseph Bernardin, and many others.

Christ, Experience of Jesus as Lord

In this sequel to "*Jesus: an experiment in Christology*", the focus shifts from the historical person of Jesus of Nazareth to the experience of Christ in the Church. As a result of their experience, New Testament Christians, in a variety of ways, found grace, or salvation from God, in Jesus. Our task must be to understand as deeply as possible the nature of the experience of these Christians in order to see how it is found -- and acted upon -- in our very different modern world

Christian de Chergé, prior of the Cistercian community at Tibhirine, Algeria, was assassinated with six of his fellow monks in 1996. De Chergé saw his monastic vocation as a call to be a person of prayer among persons who pray, that is, among the Muslim friends and neighbors with whom he and his brothers shared daily life. De Chergé's writings bear witness to an original thinker who insists on the value of interreligious dialogue for a more intelligent grasp of one's own faith.

Christian de Cherge

Christian Salenson shows us the personal, ecclesial, and theological foundations of de Chergé's vocation and the originality of his life and thought. He shows how the experience of a small monastery lost in the Atlas Mountains of Algeria contributes importantly to today's theological debates.

I highly recommend anyone interested in ecumenism or Christian and Islamic studies to read this book. Salenson weaves together not only a very good biographical story about Christian and his fellow monks but at the same time discusses how the Christian practices of prayer, lectio divina, eucharistic, sacraments, fasting, feasting, and almsgiving can be deepened by an openness to what Abbot de Chergé called 'radical hospitality' or 'friendship.' Today, as parts of the Church become more closed minded, more sectarian, more inward-looking, we need more words of wisdom from people such as Abbot de Chergé, who provide us with hope in this world which seems to lack hope. Fr. William C. Mills, Author of *Encountering Jesus in the Gospels*

#### Christian Mystics

Mystics, those men and women who seek a deep and direct experience with the presence of God, are found across the religious spectrum. Their appeal transcends the boundaries of their own particular religious traditions. Think Francis of Assisi or Thomas Merton. Here, King (theology and religious studies, Univ. of Bristol, U.K.) introduces 60 Christian mystics, both male and female, in two- to five-page profiles. The author begins with the early mystics, such as Clement of Alexandria, and then moves to figures closer to our era, like Gerard Manley Hopkins, Evelyn Underhill, and Simone Weil (some readers may be surprised at these more contemporary examples). The brief, well-written introductions are informative while also leaving the reader with the desire to delve deeper. Serving as both an introductory text and an excellent reference, this is recommended for various types of libraries. John Moryl, Yeshiva Univ. Lib., NY

#### Cities of the Biblical World

This text is designed to introduce students of the Bible to the archaeology, geography, and history of many of the important sites of the Old and New Testament worlds. Many of these sites were centers for trade, religion, defense, culture, industry, and government. DeVries details the development of significant sites from villages and towns to cities, based on how the site could meet the essential needs of the people. The availability of water or arable land, proximity to trade routes, and easily defensible terrain were prime factors in determining a city's prominence. This study concentrates on the cities in Mesopotamia, Aram/Syria and Phoenicia, Anatolia, Egypt, and Palestine during the Old Testament period, and Palestine and the provinces of the Roman world during the New Testament period. Special attention is given to the geographical setting of the city, the history of its development, its relevance to the Bible, its distinguishing features, and any significant archaeological discoveries made at the site.

#### City of God

No book except the Bible itself had a greater influence on the Middle Ages than *The City of God*. And since medieval Europe was the cradle of modern Western society, this work is vital for understanding our world and how it came into being. St. Augustine is probably the most influential Christian thinker after St. Paul, and this book is his masterpiece, a vast synthesis of religious and secular knowledge. It began as a reply to the charge that Christian other-worldliness was causing the decline of the Roman Empire. Augustine produced a wealth of evidence to prove that paganism bore within itself the seeds of its own destruction. Then he proceeded to his larger theme, a cosmic interpretation of history in terms of the struggle between good and evil: the City of God in conflict with the Earthly City or the City of the Devil. This, the first serious attempt at a philosophy of history, was to have incalculable influence in forming the Western mind on the relations of Church and State and on the Christian's place in the temporal order. The original *City of God* contained twenty-two books and fills three regular-sized volumes. This edition has been skillfully abridged for the intelligent general reader by Vernon J. Bourke, author of *Augustine's Quest for Wisdom*. The heart of this monumental work is now available to a much wider audience.

Collected here is a kaleidoscope of stories about real people from all walks of life who experienced what might be called a "remarkable coincidence" in their lives. Are the patterns of their life stories really random? Or is there an underlying design that reveals the hand and presence of Someone who cares? This 200-page volume offers a clear synopsis of the essential contents of the faith as promulgated in the Catechism of the Catholic Church in 598 questions and answers.

Compendium Catechism of the Catholic Church

Here's a perspective from a teenager: The Catechism of the Catholic Church is a HUGE book and is therefore harder for me to approach and read. Yes, when I have a question about the faith I try and consult it, but sometimes topics are hard to find. The language used is very beautiful, but also very hard to understand. Now take this Compendium: The set up involving the question - answer format is very user friendly. It covers all the basics and important information. The language used is closer to the vernacular and therefore much easier for the every day person to read and understand. There are pictures, quotes, and prayer references. I was a bit wary when I bought it, but for the first time I have voluntarily approached the catechism just for the sake of reading it. I have been able to clearly understand things presented. Now, I understand that it doesn't replace the actual Catechism, but here's another plus: There are side notes that link the text to paragraphs in the Catechism. So when you feel ready to move on to further study you can do so. Overall it is an amazing resource for Catholics and for people interested in the faith but who are a bit wary of picking up a ten pound book. (Anna Sproull 20060601)

"It will be an essential tool for youths and young adults, and the perfect companion to a youth or young adult's Bible, spiritual reading, or textbook. Catechetical leaders in high schools, colleges, and parishes will appreciate its versatility as a reference book, discussion starter, or core resource for RCIA programs." (Crux of the News 20060612)

ens of thousands of American adults join the Catholic Church every year. Why? What is it that attracts them to Catholicism?

## Convergence

"In me, two things ordinarily thought of as incompatible were meeting," writes the narrator of this intriguing personal journey. Born in 1934, Bruder was "always" a "devout, observant, believing Jew"—a trustee of her Long Island, N.Y., synagogue, the author of a book with Jewish themes ( *Going to Jerusalem* ), a mother of two and long married—but she nevertheless felt a nagging sense of spiritual incompleteness. Through what she terms "experiential theology," a series of serendipitous if sometimes painful meetings with religious thinkers and mystical experiences (God speaks to her at a traffic light), Bruder, a self-described woman of intellect and an elitist, found herself called to Catholicism. Not a traditional story of conversion, hers is a modern, self-aware account of jousting with God, told with a reassuringly light touch. Bruder serves as chaplain at Fordham University in New York.

## Could God Love Somebody Like Me

Fr. Mike Schmitz, one of the leading presenters in the Church today, speaks powerfully about the Sacrament of Reconciliation. In this Lighthouse Talk, he makes clear the truth that Christ deeply loves and wants to encounter each of us as we are, with all our imperfections. Fr. Mike debunks the lies we often believe about not being good enough to approach Jesus, and he draws upon Scripture to explain rationally why we go to priests to encounter God's mercy and forgiveness in Confession.

Thoroughly revised and updated for a new generation, the essential guide for men and women to help them weather the turmoil of divorce and build rich, rewarding lives.

There is nothing easy about the breakup of a marriage, from coping with loss and failure to dealing with the uncertainty of the future. In this intelligent and insightful book, Abigail Trafford charts this emotional journey, identifying the common phases in the evolution from marriage to separation to divorce, and eventually to a new life.

## Crazy Time Surviving Divorce and Building a New Life

Based upon her personal experience, extensive research, and interviews with hundreds of divorced men and women, Trafford offers individuals a better understanding of their own experiences and the message that they are not alone in their pain and confusion. *Crazy Time* is also an investment in the future—Trafford reveals the telltale signs of a marriage in crisis, and discusses what determines whether a relationship will survive over time.

This revised edition includes the most up-to-date research on the personal and economic effects of divorce in adults and children's lives, addresses the special challenges of becoming single again in the age of the Internet, and broadens the experience of divorce to the breakup of all committed relationships. For anyone who has divorced or is considering taking that step, *Crazy Time* offers a sense of hope and confidence that this transition is not only an ending but can also be a valuable beginning.

## Crossing the Threshold of Hope

A great international bestseller, the book in which, on the eve of the millennium, Pope John Paul II brings to an accessible level the profoundest theological concerns of our lives. He goes to the heart of his personal beliefs and speaks with passion about the existence of God; about the dignity of man; about pain, suffering, and evil; about eternal life and the meaning of salvation; about hope; about the relationship of Christianity to other faiths and that of Catholicism to other branches of the Christian faith. With the humility and generosity of spirit for which he is known, John Paul II speaks directly and forthrightly to all people. His message: Be not afraid!

## Day by Day with Mary

Collection of Marian thoughts and themes selected from issues of 25 year old My Daily Visitor magazine

Dynamic Catholic was founded on the idea of meeting people where they are and leading them to where God is calling them to be. Once Catholics are engaged in their spiritual journey, there is an abundance of materials that can feed them and draw them deeper into relationship with God and the Church. But there is a great shortage of materials that engage disengaged Catholics.

Most young Catholics are disengaged. Engaging them is therefore the first step. Until they are engaged it doesn't matter how much information you download on them; they simply will not absorb it and make it their own. There are many programs that faithfully present the teachings of the Church. But that alone is not enough. While presenting the Church's teachings faithfully is essential, it is also critically important that they be presented in ways that are engaging, accessible, and relevant.

## Decision Point

DECISION POINT has taken more than four years to develop. The truth is, in many ways it is very different from what we originally envisioned. When we first set out we thought that the entire program would be online. But over and over again, you asked for physical workbooks, leader guides, and DVD's so we adapted. Hundreds of people have spoken into this project, and it is better because of that.

This is the process we worked through to develop this engaging, robust workbook. This is not just any other book. One look at it we hope you can see this. We hope Confirmation Candidates treasure this workbook and make it their own. We've created plenty of space for them to write all over this book and use the journal pages to jot down their personal thoughts and experiences as they prepare for their Confirmation day. We hope they keep this book long after their Confirmation has passed and that they refer back to it throughout

Discover how God gives the desires of our hearts and gifts in our life

Learn how the Lord desires to be invited into every aspect of life

## Desires of the Heart

Sister Bethany Madonna, vocations director for the Sisters of Life, shares how God not only wants us to know him, but also to give us the desires of our heart and gifts that bring purpose, meaning, and hope. In this Lighthouse Talk, she makes it clear that "receiving is the gift that we give" to the Lord and that he wants to be invited into every aspect of our lives. Speaking from her own life experience, Sister Bethany shows the importance of asking in order to receive all the Lord has in mind for us.

The preeminent resource guide for more than twenty years, this one-of-a-kind book, now available in paperback, has been updated to include those recently canonized and beatified.

#### Dictionary of the Saints

Since its original publication in 1980, John J. Delaney's *Dictionary of Saints* (more than 200,000 copies sold) has become the leading reference book for the scholar and general reader alike. With more than five thousand biographies of the saints—from the well known to the obscure—this new edition brings to life the inspiring accomplishments of these men and women of God. The martyrs and the monks, the mystics and the virgins, the doctors and the peasants are all contained in this essential volume. To know the saints, how they thrived in their achievements, how they lived in destitution, is to meet a fascinating company of people whose actions have influenced and enriched the history of the world.

Reset in an easy-to use-format, it contains substantial listings for the more popular saints, and thumbnail sketches for those less well known. From Aaron to Zosimus, this modern dictionary has been updated with the entries for the newly canonized, including Italian mystic Padre Pio, Mexican Nahuatl Juan Diego, Polish Franciscan Maximilian Kolbe, and Americans Katharine Drexel and Rose Philippine Duchesne. It also contains a complete listing of feast days, an index of patron saints, and several other useful appendices.

Most of us are trying to put together the jigsaw puzzle we call life without a very important piece. Over time this becomes incredibly frustrating. In this extraordinary prayer journal, Matthew Kelly powerfully demonstrates that we cannot live the life we have imagined, or experience the joy we yearn for, unless we learn to tend the soul. From there, with his classic style of practical wisdom, he teaches us how to remedy this problem.

When our bodies are hungry, our stomachs growl. When our souls are hungry, we become irritable, restless, confused, overwhelmed, exhausted, anxious, discontent, and tend to focus on the things that matter least and neglect the things that matter most.

#### Dig the Well Before You Get Thirsty

Are you taking care of your soul? Are you feeding it and nurturing it? Or are you ignoring it and neglecting it? The reality is, most people have never really been taught how to tend their souls. *Dig the Well Before You Get Thirsty* will help you to do just that, and so much more.

If you ever wondered how Matthew Kelly has been able to write and speak the way he has over the past three decades, he is about to share his secret with you. As he shares what transformed his life, along with intimate details of his own journey and struggle, he teaches us how to apply the great spiritual lessons learned to our own lives.

At every turn he floods the reader with hope and demonstrates unmistakably that the best is yet to come!

## Discipleship for the Future

Many Christian thinkers have come to see evolution as a pattern of ongoing progress, one begun in God, drawn forward by God, and culminating in an encounter with the fullness of God. Christian believers can look, then, upon human experience as an ever-greater opening to a fullness latent in all human longing, but now unveiled and made operative by the coming of Jesus Christ and the sending of the Holy Spirit—God’s great sending and outpouring which moves creation toward a completion which is identical with the Kingdom of God. Christian spirituality contains aspects of looking back, but it must also contain look around in reflection. Its fundamental orientation is looking forward toward a tomorrow glimpsed only by hope. †

RCIA teams often struggle with getting catechumens and candidates to participate regularly in the church’s liturgy. Those who do often feel bored or confused, or they see it as a nice tradition or an inconvenient obligation rather than the heart of our Catholic faith. So we fill the gap with more catechesis that explains the liturgy to seekers, and we pray they will have a better personal experience on Sunday. Yet neither causes them to love the liturgy as we do.

## Divine Blessing

In *Divine Blessing: Liturgical Formation in the RCIA*, Timothy P. O’Malley shows us how we can break out of a classroom model about liturgy and instead invite seekers to be formed by the Risen Christ through the liturgy. This book will give you a process for preparing your catechumens and candidates to learn the liturgy’s symbolic language of self-giving love that will sustain them with divine blessing and train them to be Christ’s disciples in the world.

Transforming a parish is challenging, demanding, and sometimes messy work. *Divine Renovation Apprentice*, Fr. Simon Lobo breaks open his experience as an associate pastor working on the renewal of St. Benedict Parish in Halifax, Nova Scotia, the birthplace of Divine Renovation. With honesty, humility, and great clarity, Fr. Simon offers his personal reflections on the actual process of renovation with practical wisdom critical to anyone who wants to see their parish experience new life. More than simply a biographical account of the change at St. Benedict, this book contains insights on how to Change Culture, Build a Game Plan, and Develop Leaders for lasting parish change.

## Divine Renovation Apprentice

An engaging guide for parishes seeking to cultivate communities of discipleship and vibrant, dynamic faith. Highly acclaimed for his work with parish renewal and the New Evangelization, Fr. James Mallon shares with us the many ways for bringing our parishes to life. Through humorous and colorful stories, Mallon challenges us to rethink our models of parish life, from membership-based communities to assemblies of disciples of Jesus who proclaim and share the good news with all peoples. Accessible and engaging, *Divine Renovation* turns to the Church’s many writings on evangelization and mission so as to articulate practical ways for injecting new life into our parishes. Pastors and parish ministers will be inspired by this book and turn to it for many years to come.

A "breathtaking" memoir of a daughter's quest to find a miracle for her dying father, by the bestselling author of *The Book That Matters Most* (Publishers Weekly).

When her beloved father was diagnosed with inoperable lung cancer, Ann Hood—the author *Comfort: A Journey Through Grief*—refused to give up. If conventional medicine could no longer help, then she would go to any length to find something that could—even if it took a miracle.

## Do Not Go Gentle

In this heartfelt and heartbreaking narrative, Ann's quest to save her father's life becomes a reawakening of her self. Through trial and desperation she recollects the story of her family's own past and their quest to find a better life in America, and renews her connection to her Italian Catholic heritage, all of which reminds her of where she came from and who she truly is: her father's daughter.

With a sensitive yet strong voice, Ann Hood's "spiritual quest to make sense of her father's fatal illness is rendered with exceptional grace" in a story that "affectingly explores the link between faith and family ties" (Entertainment Weekly).

Doors to the Sacred

A work of major importance, written for an ecumenical audience, *Doors to the Sacred* is a sweeping and detailed account of the historical and cultural evolution of sacramental rituals and practices. Since its initial publication, the book has garnered widespread critical acclaim and has become a mainstay not only for students but for all thinking Christians who want to understand the past fully while making their present participation in the sacraments more genuine and intelligent. Martos has greatly expanded all of the bibliographic material and has incorporated the latest developments in theological study and inquiry. Dying and Rising with Christ - The  
Theology of St Paul

Paul's vision has had enormous influence on subsequent Christian thought, and indirectly on Western thought in general. Dying and rising with Christ, Terrance Callan describes the theology of Paul that underlies and comes to expression in his letters. What is most distinctive about this presentation of Paul's theology is the argument that dying and rising with Christ as part of the body of Christ is central to Paul's understanding of Jesus as savior and to his understanding of Christian life. While other presentations of Paul's theology acknowledge the presence of this theme in Paul, none of them sees it as central to his theology. Dying and Rising with Christ also discusses Paul's understanding of God more extensively than other presentations. With this new perspective, this book presents aspects of Paul's visions that are new to contemporary believers and can renew their understanding of Christianity. It discusses Paul's understanding of God more extensively than others and is ideally suited to college or seminary courses on the New Testament, on Paul, and various theological topics. It is highly accessible to the non-specialist and excellent for parish discussion groups.

Eucharist

For many Catholics today, the Eucharist is merely a symbol of Christ, and the Mass is merely a collectivity of like-minded individuals gathering to remember his life. But the truth of what is made present on the altar, and what the faithful dare to receive into their bodies and souls, is far more strange and beautiful. In this engaging theological treatise, Bishop Robert Barron offers a reintroduction to the ancient meaning and power of the Eucharist. Through a threefold analysis of the Eucharist as sacred meal, sacrifice, and Real Presence—distinct but tightly interwoven motifs grounded in Scripture—Bishop Barron draws readers into the profound truth flowing out of Jesus' words at the Last Supper: "Take, eat; this is my body. . . . Drink from it, all of you; for this is my blood of the covenant." We are not merely invited to remember Jesus or imitate his moral example; we are invited to the grace of communion—and ultimately, to the realm of God—by eating and drinking the very self that he offers in sacrifice.

Eucharist as a Celebration of  
Forgiveness

An in-depth study of the history and theology of the Eucharist as primarily a celebration of forgiveness rather than as a tool for exclusion and the ethical consequences that arise from such a study.

On many occasions throughout the history of the Catholic Church, God has provided visible proof of the invisible reality of the Real Presence of Jesus Christ in the Holy Eucharist.

Eucharistic Miracles

In her book, *Eucharistic Miracles*, Joan Carroll Cruz documents 36 such miracles which occurred from 800 AD to the present day. This book tells of consecrated Hosts which have visibly turned to human flesh, have bled, levitated, and which have become hard as flint when received by a person in mortal sin. It details the official investigations that have been made into these miracles by scientists throughout the world, and where some can still be venerated today. *Eucharistic Miracles* also recounts miraculous Eucharistic phenomena in the lives of saints: saints who lived with only the Eucharist for sustenance, received Communion miraculously, or experienced raptures, ecstasies, levitations, visions, locutions, and more.

Pictures and photographs of the miracles, the churches they took place in, and the people involved are also included, adding the final touch to a comprehensive, detailed, and extraordinary overview of these miraculous happenings.

*Eucharistic Miracles* is a superb compilation of God's visible testimony of the truth of the Catholic Faith, proving the reality of one of its loftiest mysteries — the Real Presence of Jesus Christ in the Holy Eucharist.

Everyone makes the journey at some time." *Facing Life's Challenges* is a guidebook that affirms: "Hang in there long enough, with sufficient determination, and you'll won." Dr. Gallagher has helped thousands in her 50 years as a mental health counselor. These clients, whom she calls heroes and whose stories she tells, work through every form of emotional, psychological and spiritual illness, including childhood abuse, anger, overeating addiction, anxiety, low self-esteem and depression.

#### Facing Life's Challenges

A personal, surprising, and heart-warming book wherein two spiritual masters of our time advance the central questions of life and faith. "Brother David Steindl-Rast and Father Anselm Grün are figures of hope, people who by the power of their example can offer an orientation in a world that has become too complex to comprehend. The spirituality they radiate is an everyday thing that is nevertheless both profound and vivid. . . .

"Our conversations, on which this book is based, could be read as a 'crash course' in Christian spirituality. This book will be an inspiration and an aid to spiritual life for many people of our time, whether they are believers or not." Johannes Kaup From the Introduction.

Faith Beyond Belief-Spirituality of Our Times

"The effect of reading this book is extraordinary. There's a sense of warmth and intimacy here that is often lacking in more systematic presentations of theology. It's like being invited to pull up a chair at the breakfast room table where two wise and gentle monks are having a conversation, pondering the deepest thoughts of their hearts. Their conversation draws on insights from the enduring religions of the world as well as from psychology, philosophy, and poetry. But it is all grounded in the real stuff of ordinary, human life. Brother David and Father Anselm delve deeply into places of the human heart that every reader knows well, and you might find yourself marvelling at how well they seem to know and embrace you. The words conversation and conversion share a common root-one conveys friendly intimacy and the other conveys dramatic power. This book conveys both." The Reverend Gary D. Jones, Rector of St. Stephen's Episcopal Church, Richmond, Virginia  
This is a very readable account of the life and work of the best-known and best-informed pro-life apostle in the world, on the occasion of the fiftieth anniversary of his ordination to the priesthood. And it is supplemented by dozens of photographs.

Faithful for Lifw

It begins with his birth in 1920 and his early years in a wonderful large German family on a farm in Minnesota. Paul went to high school at St. John's Benedictine Abbey in Collegeville, Minnesota, and entered the Benedictine novitiate in 1941 while he was in college there. He was ordained in 1947. After teaching in St. John's High School for five years he completed his doctorate in sociology at the Catholic University of America in 1956, and began teaching in St. John's University. He taught, in particular, a popular course in family sociology.

In 1972 Father Marx founded the Human Life Centre at the university, published *The Death Peddlers*, and began to organize pro-life resistance to the International Planned Parenthood Federation. In 1973 Pope Paul VI said to him: "You are a courageous fighter; never give up." Father Marx has spent most of his later life traveling to ninety-one countries, many of them several times, warning bishops, priests, and pro-life laity about the evils of contraception, sterilization, abortion, and bad sex-education programs. He has also encouraged Natural Family Planning and has arranged training courses for teachers of it.

In the first half of life, we are naturally preoccupied with establishing ourselves; climbing, achieving, and performing. But as we grow older and encounter challenges and mistakes, we need to see ourselves in a different and more life-giving way. This message of falling down - that is in fact moving upward - is the most resisted and counterintuitive of messages in the world's religions.

Falling Upward

Falling Upward offers a new paradigm for understanding one of the most profound of life's mysteries: how those who have fallen down are the only ones who understand "up". We grow spiritually more by doing it wrong than by doing it right, and the disappointments of life are actually stepping stones to the spiritual joys in the second half of life.

Though daily Mass is held most frequently, resources for daily homilies can be in short supply. In this book, Bishop Sklba offers a rich collection of ideas — fire starters — for preparing brief, spiritually nourishing homilies for daily Eucharist. Like building a campfire, where one ignites the logs with more easily flammable paper, these fire starters" are intended to provide the spark for weekday homilies. God's Spirit provides the flame.

Fire Starters

Each day, the biblical citations and summary phrases for the reading and the gospel plus the refrain from the psalm are provided. After each citation, Bishop Sklba offers a series of meaningful insights from his expertise as a Scripture scholar, prayerful study of Scripture, and many years of preaching and pastoral experience. These brief entries provide knowledge and inspiration that will stimulate personal prayer and spark homily possibilities for the preacher every day.

Fire Starters will support anyone privileged to be called to leadership at weekday celebrations of the Eucharist to prepare for the important ministry of preaching.

A Better Way of Loving-unconditional love

Scott Hahn has the rare ability to explain the essential teachings of Catholicism in a totally accessible manner. Rather than burdening the reader with difficult or arcane references and arguments, he writes of familiar feelings and situations and allows the theology to unfold naturally. In First Comes Love, Hahn turns his attention to the search for a sense of belonging, revealing the intimate connection between the families men and women create on earth and the divine family, the Holy Trinity.

First Comes Love

Delving into the Gospels, Hahn shows that family terminology--words like brother, sister, mother, father, and home--dominates Jesus' speech and the writings of His first followers, and that these very words illuminate Christianity's central ideas. As he explores the fatherhood of God, the marriage of the Church to Christ, and the all-enveloping role of the Holy Spirit, Hahn deepens readers' understanding of the sacraments, teaches them how to create a family life in the image of the Trinity, and demonstrates the ways in which the analogy of the family applies to every aspect of Catholicism and its practices--from the role of "father" embodied by the ancient patriarchs and contemporary parish priests, to the comfort and guidance offered by the brothers and sisters who comprise the Communion of Saints, to the nurturing embrace of Mary, the mother of all Christians.

Through real-life examples (both humorous and compassionate) and quotations drawn from the Scriptures, Hahn makes it clear that no matter what sort of family readers come from--no matter what sort of "dysfunction" they have experienced--they can find a family in the Church. Reaching out to newcomers and to lifelong Christians alike, First Comes Love is an invitation to discover a true home in the divine.

How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples.

These are times of immense challenge and immense opportunity for the Catholic Church.

Consider these statistics for the United States.

Only 30 percent of Americans who were raised Catholic are still practicing.

Fully 10 percent of all adults in America are ex-Catholics.

The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010.

Only 60 percent of Catholics believe in a personal God.

## Forming Intentional Disciples

If the Church is to reverse these trends, the evangelizers must first be evangelized--in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of Forming Intentional Disciples, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within.

Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world.

Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and

As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually.

If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics?

What was the early Church like? Contrary to popular belief, Rod Bennett shows there is a reliable way to know. Four ancient Christian writers—four witnesses to early Christianity—left us an extensive body of documentation on this vital subject, and this book brings their fascinating testimony to life for modern believers. With all the power and drama of a gripping novel, this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church—Clement of Rome, Ignatius of Antioch, Justin Martyr, and Irenaeus of Lyons.

A story of embracing God's grace and mercy

One man's conversion from a disillusioned, hate-filled young man to a committed follower of Christ

From White Supremacist to Catholic  
Writer

Joseph Pearce, an accomplished writer best known for his literary biographies, tells of his own conversion from disillusioned, hate-filled young man to committed follower of Christ. Here he presents his early life, which included a stint in a skinhead band, white supremacist activity, violent demonstrations, and time spent in prison, and how he eventually embraced God's grace and mercy. Joseph is one of the most prolific Catholic authors of our time and now serves as senior editor for the Augustine Institute.

Genesis is Volume I in the Anchor Bible series of new book-by-book translations of the Old and New Testaments and Apocrypha. Ephraim Avigdor Speiser was University Professor and Chairman of the Department of Oriental Studies at the University of Pennsylvania.

Genesis

Using authoritative evidence from archaeology, linguistics, and comparative religion, the author presents some startling conclusions about the first book of the Bible. He proves, for example, that the famous opening phrase, "In the beginning," is not true to the meaning of the first word, that the designation "Torah" for the Pentateuch is a misnomer, that the best-known stories of Genesis are grounded in pagan mythology. Speiser is an iconoclast in the tradition of Abraham; he exposes the false in order to help achieve truth. As he says in his introduction, he "is not motivated by mere pedantry...but by the hope that each new insight may bring us that much closer to the secret of the Bible's universal and enduring appeal."

Get the complete picture of Mary, the Mother of God

Discover the role of Mary in Scripture, Church history, the lives of the Saints, and our lives

Get to Know the Mother of God

There's a little bit about Mary in Scripture. We can glean a bit more from the Tradition of the Church. But where can we go to get the complete picture, to find out about the whole Mary? In an engaging style, Chris Padgett does just that as he walks us through what the Bible has to say about the Mother of God. What has she meant to the Church throughout the centuries, what have the saints told us about her, and most importantly, what we can learn from her ourselves?

Go in Peace

The best-selling collection of the beloved pope's most personal thoughts and writings—revised and expanded This definitive compilation brings together the words that Pope John Paul II most urgently wanted the world to hear and embrace. Arranged by the themes he emphasized in his quarter century as pope—including prayer, forgiveness, family, suffering, the church, and Christ—Go in Peace gives the reader an up-close and personal look at this great churchman's pastoral heart and passes along his vision for a vital life of Christian faith. "Make time for study, meditation, and reflection. Use your intelligence well; make an effort to reach correct convictions; do not waste time; deepen the motives and foundations of faith in Christ and in the Church, so as to be firm now and in your future. We remain firm in our faith by means of prayer; remember St. Paul wrote: 'Pray without ceasing.'"

| Go into the Street      | <p>Pope Francis has called for a church of and for the poor and has sought to reclaim the collegial vision of the Second Vatican Council. This book calls on ten distinguished theologians to explore the ecclesial vision of the first pope from the global South. Francis sees the church as the “holy, people of God.” This is the church that enjoys in the Spirit what he calls “infallibility in believing” (infallibilitas in credendo): “We should not even think . . . that ‘thinking with the church’ means only thinking with the hierarchy of the church.” Starting with an examination of how Francis’ papacy both advances the themes of his predecessors and represents genuinely new developments, this volume considers his concern for a fresh reception of Vatican II, his efforts to move the church toward the periphery and accompany those who live on the margins of church and society. The pope seeks to shape a dialogical church that listens. Key chapters also explore the tension between the church universal and local churches, Francis’ understanding of the importance of popular religion, and his particular vision of social justice. †</p> |

Reflections from leading spiritual writers in North America reveal what one theologian has called the “bright sadness” of Lent — that it is not about becoming lost in feelings of brokenness, but about cleansing the palate so that we can taste life more fully. Lent and Easter reveal the God who is for us in all of life — for our liberation, for our healing, for our wholeness. Lent and Easter remind us that even in death there can be found resurrection. Using stories from his practice as a therapist, Dr. Carter offers healing to both those who divorce and those who know and love them. With kindness and love, he shows that the wonderful gift of God's grace is the best way to respond to people facing this trying life challenge.

Businessman, professor, and philanthropist, William E. Simon Jr. has been highly influenced by the dynamic and inspiring Catholic parishes he has attended for more than 25 years. In 2012, he founded Parish Catalyst, an organization devoted to researching and supporting the health and development of Catholic parishes. Great Catholic Parishes looks at Simon's insights and the success stories of 244 vibrant parishes to show what makes them great.

In 2012 and 2013, Simon and his team studied 244 Catholic parishes to determine what made them exceptional. The study found that all of the parishes shared four foundational practices that led to a profound sense of belonging within their parish communities and a deepening commitment to discipleship:

#### Great Catholic Parishes

Share leadership by using clergy and lay staff with the best talents and skills to direct the community

Foster spiritual maturity and plan for discipleship by offering a variety of formation programs and ministry opportunities to reach parishioners at differing points in their lives

Excel on Sundays by dedicating significant time, energy, and money to liturgical celebrations that parishioners and visitors find welcoming

Intentionally evangelize by challenging insiders to look outward and providing service programs, social events, global mission opportunities, and pastoral care at key sacramental moments that focus on inviting outsiders to deeper relationship with Christ and the Church.

In Great Catholic Parishes, Simon shares personal stories such as finding a welcoming parish home and what he learned about evangelizing from a mission trip to Kenya. Pastors from exceptional parishes offer helpful ideas, strategic advice, and practical strategies, as well as anecdotes about lay

#### Growing in Grace-Christian Formation

A collection of homilies, speeches, and "messages of the day" that brings together Pope Francis' wisdom on finding happiness in the here and now

#### Happiness in this Life

For Pope Francis, the appreciation of our everyday lives is a spiritual undertaking. Joy is a divine attribute, and creating joy around us an essential part of faith. Every homily and speech in this audiobook delivers, in warm, engaging language accessible to believers and nonbelievers alike, a key lesson, instructing listeners on finding love and happiness in a chaotic world.

Along the way, Pope Francis discusses the sanctity of women's rights, talks about how the love of sports can bring out our best qualities, and explains why fighting discrimination is the essence of loving thy neighbor. He shares personal stories and anecdotes from his life, provides comforting messages of hope, and discusses the ways flawed families can make you a better person. The core ideas of Francis' papacy - mercy, support for marginalized people, and diplomacy - shine through.

#### Hard Sayings

Have you ever read something in the Bible that made you just scratch your head? Has a skeptic ever challenged you to defend a seemingly scandalous verse of Scripture? You're not alone. The Bible contains more than a few hard sayings (John 6:60): ancient idioms, apparent contradictions, myth-like events and figures, and passages that seem to be embarrassingly out of step with modern culture or science. How can a Catholic reconcile such things with his own faith, and with what the Church teaches about the inspiration and inerrancy of Sacred Scripture? Don't worry. As Trent Horn (Answering Atheism) explains in *Hard Sayings*, God's revelation in the Bible is not something Catholics need to be ashamed of or read with a mental reservation. Trent examines dozens of the most confounding passages in Scripture and offers clear, reasonable, Catholic explanations to unlock their true meaning. He also provides basic principles for reading and interpreting Scripture that the wisdom of the Church has developed over the centuries.

"Easy to read, personal, and well-written with a message much more than surface deep. Joanna probed, challenged, and encouraged me to live day by day as Mary in a Martha world."—Carole Mayhall, author of *Come Walk with Me* and *Here I Am Again, Lord*

The life of a woman today isn't all that different from the lives of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet . . . but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him . . . yet you struggle with weariness, resentment, and feelings of inadequacy.

Having a Mary Heart in a Martha World

Then comes Jesus, into the midst of your busy life, to extend the same invitation he issued long ago to the two sisters from Bethany. Tenderly, he invites you to choose "the better part"—a joyful life of intimacy with him that flows naturally into loving service.

With her fresh approach to the familiar Bible story, Joanna Weaver shows how all of us, Marys and Marthas alike, can draw closer to our Lord: deepening our devotion, strengthening our service, and doing both with less stress and greater joy.

This book includes a twelve-week Bible study for individual or group use. A Study Guide and a corresponding ten-session video series on DVD or online are available separately.

The recent wave of news about sexual abuses committed by Catholic clergy and coverup by church leaders has left many of the faithful in emotional turmoil regarding their relationship with the church. Amidst the other difficulties the situation presents, how do dioceses and parishes find a way to minister to these hurting parishioners? RENEW International has created *Healing Our Church*, a small-group resource which faces the issue head-on and helps the faithful begin the healing process. *Healing Our Church* will help the faithful deal with the complex emotions this scandal has caused and start on the path to healing and renewed discipleship. This six session faith-sharing resource can be used as part of a diocesan process, or by individual parishes. The six sessions are: ■Facing the Truth ■Healing Our Wounds ■Rebuilding Our Church ■Why Do I Remain a Catholic? ■We Believe ■A Way Forward

Healing Our Church

Shlemon shares her own personal experience with divorce and the healing process that followed and offers seventeen chapters dealing with such issues as children, finances, and relatives, fear, guilt, and forgiveness. Each concludes with a prayer that enables readers to place their experience before the Lord.

Heaven Bound-Creating a Funeral or  
Memorial for Your Pet

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. Heaven is For Real details what Colton saw and his family's journey towards accepting their young son had visited the afterlife.

"Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me."

#### Heaven Is For Real

Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read.

With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing:

Meeting long-departed family members

Jesus, the angels, how "really, really big" God is, and how much God loves us

How Jesus called Todd, Colton's father, to be a pastor

The Battle of Armageddon

Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses."

#### Heavenly Helpers

This collection of contemporary true stories includes physical healings, spiritual healings, lost things found, hopeless situations that came to a good end, and much more.

#### Hebrews and James

Through 28 lessons, study the essential teachings of Hebrews and James and learn the critical role they play in the teachings of the Catholic Church. You'll be amazed by the depth of teaching and exegesis these studies contain, whether you are studying for yourself or leading a small group in your parish.

Her own Words to the Nuclear Age -  
Memoirs of Sr Lucia

This wonderful book is also about Our Lady of Fatima, as told by the oldest seer, Sr. Lucia, who died ten years ago at the age of 97. It delves into depth the relevance of Our Lady's prophecies, which have come true, especially her prediction of World War II, which she said would be even even worse war than World War I. When by one of the seers asked how it could be worse than WWI Our Lady answered that it was because its purpose was to exterminate the Jewish People, Our Lady's and Jesus's People and the Faith of the original Apostles and disciples. The prophesied " great unexplained light in the night sky" seen all over much of Europe in 1938, was a sign to the world that this worse war was coming soon. It was determined to be an unusual manifestation of the aurora borealis. But when Lucia saw it she immediately recognized it as the prophesy of Our Lady and stated so. The authenticity of whether or not it was truly a natural phenomena, the aurora borealis, forms one of the main and most interesting debates between scientific explanation and the spiritual. Skeptics pointed out that WWII really didn't start until much later when Germany invaded Poland; but others consider WWII to really have begun with the The Anschluss, which was the annexation of Austria by Nazi Germany in March 1938. Interesting for believers and non believers in the events of Fatima, from May 13, 1917 to October, 13, 1917. For your discernment. John M. Haffert is a renown author on Fatima. Highly recommended and relevant for today's nuclear weapon world, especially in light of the Russian/Ukraine conflict. Read it, even if you disagree, it will make you think thoughts you may never have considered before. It did me!

Dissolve the distractions of ego to find our authentic selves in God.

#### Immortal Diamond

In his best-selling book *Falling Upward*, Richard Rohr talked about ego (or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation.

Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves

*Immortal Diamond* (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.

#### In God's Hands

*In God's Hands: The Miraculous Story of Little Audrey Santo* From Poland, Italy, Ireland, and Arizona, from all over the world, people have flocked to Worcester, Massachusetts. They have journeyed to the home of the miraculous, where dozens of religious statues and pictures have wept tears of blood or shed streams of oil. They have come to see four consecrated Communion hosts that have bled. They have come, perhaps, with the hope of receiving a miraculous cure. But most of all, they have come to see a little girl named Audrey Santo whom God has chosen to surround with these miracles, for the life and story of little Audrey has drawn attention like none before. The tragic victim of a drowning accident at age three, Audrey now lives confined to her bed. She is in a coma-like state known as Akinetic Mutism and receives around the clock care from a staff of nurses and family. Yet for some reason, God has taken her life and used it in a special way. From what appears to be the Sacred Stigmata, to claims of prayers miraculously answered through Audrey's reported intercession, this silent, suffering child has become a testimony of life in a culture of death. *In God's Hands* is the long awaited, powerful, and moving account of the life of Audrey Santo. It is a book that you will not put down, and a story you will never forget.

In His Steps: What Would Jesus Do? is a religious fiction novel written by Charles Monroe Sheldon which was first published in 1896.

In His Steps-What Would Jesus Do

In His Steps takes place in the railroad town of Raymond, probably located in the eastern U.S.A., and Chicago Illinois. The main character is the Rev. Henry Maxwell, pastor of the First Church of Raymond, who challenges his congregation to not do anything for a whole year without first asking: "What Would Jesus Do?"

In Search of Belief

A refreshing and contemporary analysis of the true meaning of the Creed. Honest and thought provoking, calling us to spiritual adulthood.

In Search of Stones - A Pilgrimage of Faith, Reason, and Discovery

From the acclaimed author of *The Road Less Traveled* comes the personal story of his own journey of self-discovery. On a three-week spiritual quest with his wife to see the ancient megalithic stones in the countryside of Wales, England, and Scotland, he gained insight into such issues as parenthood, holiness, romance, art, and his own shortcomings.

The taste of fresh berries, the quiet cadence of waves lapping a lakeshore, the song of an owl in the night, the glory of a sunset: so many details manifest the reality that Earth is not merely the place where we are, but that it is truly our home and is meant to be our home.

Most modern scientists dismiss this notion as romantic nonsense, arguing instead that Earth and, indeed, the entire universe is actually a cosmic accident, the mystifying result of billions of years of random events.

Here in this work of basic science written for nonspecialists, scientist Gerard Verschuuren confronts those men and women on their own territory force for force, atom for atom, cell for cell, and even planet for planet.

In the Beginning

With clear, well-documented explanations, he shows that the latest findings of modern cosmology, physics, chemistry, geology, and other sciences tell a remarkably different story. Instead of the vaunted randomness of our immense universe, scientists have recently discovered indisputable patterns in the structures of matter and energy. Over the eons, these distinctive patterns drove the universe inexorably toward formation of the Earth as what we experience it to be: our secure, exceptional, and singularly welcoming home.

In these pages, you'll learn, among other things:

- Why the universe is so old . . . and so vast!
- Earth's unique chemical and geological characteristics that make it a hospitable place for mankind
- How the moon became critical to life on Earth
- How volcanism, mass extinctions, and even changes in the Earth's orbit

James

The epistle of James abounds with punch and clarity. Amazingly relevant and practical for our age, it continues to be a popular New Testament book for followers of Christ. Its themes, which include good works issuing out of genuine faith, equal treatment of the rich and poor, taming the tongue, heavenly wisdom, and patience in the midst of suffering, have brought great encouragement to God's people.

This enlightening commentary puts these important issues in perspective and reveals the full content of this noteworthy Bible book.

A series of books of Biblical scholarship, whose first edition was published in 1968. It is arguably the most-used volume of Catholic scriptural commentary in the United States.

Jerome Biblical Commentary

The book's title is a reference to Jerome, known for his translation of the Bible into Latin (the Vulgate), and his extensive Biblical commentaries.

Where else but America do people ask: What Would Jesus Do?  
What Would Jesus Drive?  
What Would Jesus Eat?

"This book is for believers and non-believers alike. It is not a book about whether one should believe in Jesus, but about how Americans have believed in and portrayed him."—from the Introduction

Jesus in America is a comprehensive exploration of the vital role that the figure of Jesus has played throughout American history. Written by one of our most distinguished historians, Richard Wightman Fox, this book provides a brilliant cultural history of Jesus in America from its origins to today, demonstrating how Jesus is the most influential symbolic figure in our history.

#### Jesus in America

Benjamin Franklin understood Jesus as a wise man worthy of imitation. Thomas Jefferson regarded him as a moral teacher. The assassination of Abraham Lincoln, which occurred on Good Friday, was popularly interpreted as paralleling the crucifixion of Jesus . . . as one preacher put it, "Jesus Christ died for the world, Abraham Lincoln died for his country." Elizabeth Cady Stanton appropriated Jesus' message to champion women's rights. George W. Bush named Jesus as his favorite political philosopher—and several other GOP candidates followed suit—during the last presidential race. As we have seen in recent presidential elections, the name of Jesus is often thrust into the center of political debates, and many Americans regularly enlist Jesus, their ultimate arbiter of value, as the standard-bearer for their views and causes.

Fox shows how Jesus influenced such major turning points in American history as:

Who was Jesus? A prophet? There have been many of those. A miracle-worker? A radical revolutionary? A wise teacher? There have been many of these, too. In his latest book, renowned Scripture scholar Gerhard Lohfink asks, What is unique about Jesus of Nazareth, and what did he really want?

#### Jesus of Nazareth

Lohfink engages the perceptions of the first witnesses of his life and ministry and those who handed on their testimony. His approach is altogether historical and critical, but he agrees with Karl Barth's statement that "historical criticism has to be more critical."

Lohfink takes seriously the fact that Jesus was a Jew and lived entirely in and out of Israel's faith experiences but at the same time brought those experiences to their goal and fulfillment. The result is a convincing and profound picture of Jesus.

Jesus: The Way, the Truth, and the Life by Marcellino D'Ambrosio is a book of approximately 200 pages that stands alone but also accompanies the 10-week video study program presented by Catholic experts Marcellino D'Ambrosio, Jeff Cavins, and Edward Sri.

In this book, Catholics walk step by step with Jesus from his infancy to the Ascension. Anchored in the life of Christ as presented in the Gospels, it explores the entirety of Jesus' life—who he is, what he is really like, what he taught, what he did for our salvation, and what this means for us as Catholics today.

This study shows, in a simple way, how Jesus, the Incarnate God, is both fully divine and fully human—his intimacy with the Father, his revelation of the heart of the Father, and his extraordinary influence on his disciples, his followers, and even his enemies.

Jesus, The Way, The Truth, and the Life

Most importantly, this encounter with Christ will inspire and empower you to center your entire life in him as you come to know and love him in an ever-deeper and more intimate way.

In this book, Catholics will learn...

Who Jesus is and how he answers the longings of the human heart.

Why Jesus was baptized.

The significance of the Transfiguration.

The essentials of Christology explained in a way the average Catholic can understand.

The mystery and meaning of the Resurrection, Christ's triumph over death.

The nature of Jesus' mission and the redemption of humanity.

Our role today as Catholics in the Great Commission.

Richard Rohr, internationally known retreat leader, speaker and writer, plumbs the depths of the Job's story and its relevance for us today. Rohr strips Christian faith down to the essentials, beyond glib answers and a "hand-me-down" experience of God, and points the way to true knowing. In this invigorating exploration, the tension between suffering and faith becomes a powerful means to an authentic, open connection with the divine.

Job and the Mystery of Suffering

When Karol Wojtyla was elected Pope on October 16, 1978, he became the first Slavic Pope in history and the first non-Italian in 455 years. Taking the name John Paul II, the new Pope delivered a message in his first homily in St. Peter's Square that has resounded throughout his entire papacy: "Be not afraid!"

Created for the occasion of his twenty-fifth anniversary as Pope, John Paul II: A Light for the World provides a celebration in photographs and words of the courageous pastor who guides more than one billion Catholics and has made his mark on history the world over. Elegantly designed and produced, John Paul II: A Light for the World features over 140 photographs—many of which seldom have been seen outside the Vatican—by official Vatican photographers who have captured the Pope's remarkable life and ministry for two and a half decades. These beautiful photographs are accompanied by selections from the Pope's own speeches and writings as well as essays and personal reflections by scholars and friends that provide insight into the public and private person of Pope John Paul II.

#### John Paul II - A Light for the World

Organized into three sections—Pastor, Pilgrim, Prophet—more than forty essays by staff of the United States Conference of Catholic Bishops explore the depth and breadth of the themes central to John Paul's papacy, while nearly thirty personal reflections by cardinals, bishops, and others who have had personal encounters with the Pope reveal his profoundly human, and often humorous, side.

A joint effort between the United States Conference of Catholic Bishops, the Catholic Communications Campaign and Sheed & Ward, John Paul II: A Light for the World is the definitive commemoration of John Paul II's twenty-fifth

John Paul II - An Invitation to Joy

Invitation to Joy is an indispensable book for anyone who wants to understand the papacy of John Paul II. It is a straightforward, simple pictorial memoir that collects excerpts from the pope's writings and speeches (including one previously unpublished original prayer), sewn together with Vatican-approved commentary by former Time correspondent Greg Burke. In four chapters (entitled "The Human Family"; "The People of God"; "Human Dignity"; and "A Devotional Life"), John Paul II presents an epigrammatic, rough-cut portrait of his life and religious vision. ("Life' is one of the most beautiful titles which the Bible attributes to God. He is the living God.") Each chapter contains dozens of color photographs of the pope, in almost every conceivable setting--from his own confessional in the church of St. John Lateran to New York's Central Park. (Many of these photographs sprawl across two full pages, and their emotional impact is difficult to describe in words.)

Archbishop Jorge Maria Mejia, archivist and librarian of the Holy Roman Church, has written an exuberant introduction to the book, which is the best possible summary of the message that John Paul II offers in the pages that follow: "Here is a man, known around the world, who proclaims with gestures and words that life is worth living: that it has a meaning, that it is not closed off between two inscrutable abysses, that it is not inside itself, but is open to others; that love is possible and enriching; that all of us, men and women, whatever the hue of our skins, are called to form a family, with God."

John Paul II - Rise, Let Us Be On Our Way

Following the success of the international bestseller *Crossing the Threshold of Hope*, Pope John Paul II provides the world with a glimpse into his past in *Rise, Let Us Be On Our Way*. Chronicling the years he spent as a bishop and later archbishop in Krakow, Poland through his election as the first Polish Pope in 1978, he recounts everything from communist efforts to suppress the church in Poland to his efforts to adopt a new and more open style of pastoral ministry. With recollections on his life as well as his thoughts on the issues facing the world now, Pope John Paul II offers words of wisdom in this book that will appeal to people of any faith looking to strengthen their spirituality.

Joshua and the Children

Joseph F. Girzone has woven another magical story, a modern-day parable, in *Joshua and the Children*, which gracefully continues the teachings and inspirations from his previous bestseller, *Joshua*. A stronger Joshua arrives in a deceptively ordinary village only to witness the doings of unscrupulous leaders and violent people. The children are the first to recognize that something is quite different about this stranger who has come seemingly from nowhere. It is through the villagers' children that Joshua is able to restore a sense of peacefulness and honesty. "A new day had dawned, a new spirit spread throughout the land, and it all seemed to have happened because of the simple, unassuming goodness of one gentle stranger who knew only how to love." Read *Joshua* first

## Joshua and the City

The fourth installment in the Joshua series, *Joshua and the City* reaches some encouraging and very important conclusions. In an urban community where poverty, senseless violence, racism, and AIDS seem like insurmountable problems, Joshua manages to sow seeds of renewal with his words of love. He reaches out to every person with transforming openness, showing how to regenerate the city and bring about undreamed-of economic revitalization.

Yet many other problems remain that money cannot help. And it is, most importantly, to these that Joshua addresses his healing message. In a world of despairing doubt, *Joshua and the City* gives the reader hopeful answers that lead toward peace and understanding.

With simple and profound prose, Joseph Girzone bringing to light incredible insights into modern Christianity and adds to his bestselling series with the story of the revolutionary Joshua in a contemporary setting.

It is the end of a bitter cold winter. A crowd of people files into a cathedral to celebrate the consecration of a new bishop—a good man, they think, strict in doctrine but capable of compassion. A man of tradition, not of reform. A “company man.” His name is David Campbell.

## Joshua and the Shepherd

And sitting in the last pew of the cathedral is a clean-shaven man of ordinary build, with gentle hazel eyes. His name is Joshua.

Within twenty-four hours of his first encounter with Joshua, David Campbell will propose the most far-reaching reforms in a millennium, reforms to destroy sectarian barriers, reforms to change the direction of the church, reforms to return Christianity to its founders with a simple message. With Joshua as his mentor, David Campbell—the Shepherd—preaches to Catholics, Protestants, Muslims, and Jews of the universal truth of God’s love. It is a message that changes everyone it touches. And no one who reads *Joshua and the Shepherd* will ever forget it.

The bestselling Joshua series takes an invigorating, timely new turn as Girzone's beloved hero spreads his message of love and compassion from the streets of our nation's capital to the blood-soaked lands of the Middle East.

#### Joshua in a Troubled World

Joseph Girzone possesses a unique ability to make Jesus' words and actions come to life for contemporary audiences. His fictional depictions of Jesus' return to the present-day world—the Joshua series—have inspired millions of readers. Joshua in a Troubled World is at once a magnificent continuation of his perennially popular series and an enlightening perspective on the political paranoia and destructive acts of vengeance that fill the front pages of our daily newspapers. Arriving in Washington, D.C., Joshua walks along Pennsylvania Avenue with a cool detachment and determination that sets him apart from the bustling crowds. Under ordinary circumstances, he would no doubt be seen simply as a man wrapped in his own thoughts. But in these security-obsessed times, his Middle Eastern appearance and his spontaneous stops at various churches, temples, and mosques inevitably arouse suspicions. Taken into custody by two government agents, Joshua challenges the legal and moral justness of their actions and they reluctantly release him to continue his mission. It is the most difficult and controversial mission he has ever undertaken—a plan to unite Arab- and Jewish-Americans and to work with them to resolve the bitter wars and religious animosities in the Middle East. Read Joshua first.

#### Joshua in the Holy Land

But home is no more peaceful than it was during the "time long ago" remembered by Joshua. Violent, seemingly intractable disputes poison the very air. It falls to Joshua, retracing the path taken two millennia ago, to lead his followers to peace in this world as well as in the next. Joshua in the Holy Land will carry every reader back to where it all began.

Back to Nazareth and Bethlehem.

Back to Capernaum and Bethany.

Back to Jerusalem.

#### Joshua the Homecoming

Full of resonances with the Gospels, Joshua in the Holy Land is a profoundly satisfying addition to the Joshua phenomenon. Read Joshua first. Joseph Girzone wrote his parable in 1983 and published it himself with neither accompanying fanfare nor expectation of the extraordinary effect it would have on people around the world. With only word-of-mouth for advertising, and by virtue of its simple message of love, Joshua became an international force of spiritual strength. After its modest beginnings, Joshua and its sequels have millions of readers around the world and continue to bring hope and peace to all who seek nourishment. When Joshua moves to a small cabin on the edge of town, the local people are at first mystified, then confused by his presence. A quiet and simple man, Joshua appears to seek nothing for himself. He supports himself solely by carpentry and woodworking, and he charges very little for his services. Yet his work is exquisite. Even more exquisite, and even more mysterious, is the extraordinary effect he has on everyone he meets. All who come in contact with him can't help but be transformed by his incredible warmth. The acceptance and love in his eyes and in each action amazes the townspeople. Who is Joshua and just what is he up to? The answer to that question amazes them almost as much as the discovery of that same transforming power in each of their own hearts. Read Joshua first.

Joshua's Family

This engaging prequel to Joseph Girzone's bestselling series, which has sold more than 5 million books in the United States, describes Joshua's early years and the first inklings of his destiny as a messenger of love in a troubled world. Millions of readers around the world have followed the story of the gentle woodcarver and carpenter who was first introduced in 1983 in Joseph Girzone's beloved parable, Joshua. In JOSHUA'S FAMILY, Girzone travels back in time, painting a captivating portrait of the mother and father who nurtured Joshua and of the friends and neighbors who viewed the unusually precocious child with an uneasy balance of wonder and skepticism. Joshua's extraordinary nature and mysterious gifts come to light even as he participates in the ordinary routines of small-town life: his gentleness and loving spirit imbue his interactions with contemporaries and adults alike. As he grows from child to adolescent, Joshua gradually awakens to the knowledge that he has been placed on earth for a special reason. Leaving the comforts of family and a familiar world, he moves to the outskirts of a distant town, where he will begin to teach others how the powers of love, tolerance, and understanding can heal the divisions in the human family and bring everlasting peace to the world. This is the book so many have been waiting for, and its powerful message is a much-needed antidote to the difficulties in today's world. Read Joshua first

It's been a diabolical masterpiece, one that has compromised the work of the Church in every way and has left countless lives in ruin. Many Catholics are understandably asking, Why should I stay? Why not abandon this sinking ship before it drags me or my children under? In this stirring manifesto, Bishop Robert Barron, founder of Word on Fire Catholic Ministries and Auxiliary Bishop of the Archdiocese of Los Angeles, explains why this is not the time to leave, but the time to stay and fight. Reading the current crisis through the lenses of Scripture and Church history, Bishop Barron shows that we have faced such egregious scandals before; that the spiritual treasures of the Church were preserved by holy men and women who recommitted themselves to fighting evil; and that there is a clear path forward for us today. For Catholics questioning their faith, searching desperately for encouragement and hope, this book will offer reasons to stay and fight for the Body of Christ.</p> |

"This little book is a gem!"

From Sunday Mass to Monday mayhem: Can the central act of Catholic worship transform our daily lives?

#### Living the Mass

In the United States, only 25% of self-proclaimed Catholics attend Mass on a weekly basis. Many Catholics believe that far more people would attend if only the homilies were better, or the music were more inspiring, or . . . the list goes on. But best-selling authors Fr. Dominic Grassi and Joe Paprocki are convinced that the real problem lies not in the Mass itself but in a lack of understanding of how the Mass prepares each person to live day in and day out as a baptized Catholic Christian.

In *Living the Mass*, Grassi and Paprocki show how each part of the Mass relates to our baptismal call, closing the chasm between Sunday Mass and daily life. This newly revised edition takes into account the changes in the new Roman Missal, yet rather than isolating those texts or commenting on them, the authors have integrated the changes seamlessly into the book. This assimilation ensures that readers stay focused on the core message of the book—how the Mass as a whole changes us—rather than become sidetracked by the Missal's new texts.

Ideal for the countless Catholics who attend Mass simply out of habit, for the many who haven't been to Mass in a while, or for anyone seeking to join the Catholic Church, *Living the Mass* compellingly demonstrates how the one hour spent at Mass on Sunday can truly transform the other 167 hours of the week. *Living in the Sacred* is a follow-up faith-sharing resource for RENEW International's popular *Longing for the Holy* and is based on Ronald Rolheiser's latest book, *Sacred Fire*. *Living in the Sacred* takes participants on a deeper spiritual journey exploring the second stage of discipleship: "Giving your life away". Having moved through the "getting your life together" stage participants have made life commitments either in marriage or other relationships, child raising, to sick or elderly parents or other relatives, careers, communities, etc. *Living in the Sacred* is about how we stay true to these commitments as disciples of Christ.

#### Living the Sacred-Spirituality for Everyday Life Part II

**Longing for the Holy-Spirituality for  
Everyday Life Part I**

Also available as Audio Book. Based on selected insights of Fr. Ronald Rolheiser, O.M.I., *Longing for the Holy: Spirituality for Everyday Life* is for those who want to enrich their sense of the presence of God and develop a deeper spirituality. It concerns the way we channel the deep longing at the core of our beings and explores the implications of the central mysteries of faith—the Incarnation, the Eucharist, and the Paschal Mystery—for spirituality. Attending to the cultural challenges that keep us from realizing our true desire, it considers the important themes of church community, justice, sexuality, the practices of the spiritual life, and being a mystic of the everyday. "We need someone to name the essentials. The Holy Longing tries to do that and *Longing for the Holy: Spirituality for Everyday Life* is a huge help in highlighting those essentials and making suggestions as to how we might integrate them more into our lives." Fr. Ronald Rolheiser, O.M.I. "A very Good guide for faith-sharing meetings, incorporating several important sources. Father Rolheiser's insights put the concepts of traditional Catholic spirituality in contemporary terms, which have proved helpful to many." Fr. Benedict Groeschel, C.F.R. "RENEW International has done it again! In *Longing for the Holy: Spirituality for Everyday Life* they have mined the depths of Rolheiser's classic work, and made faith sharing, grounded in authentic Christian Spirituality, a journey worth taking." Rebecca Titford, Director of Religious Education, Archdiocese of Mobile. Published with Imprimatur from the Archbishop of Newark.

Mark-Storyteller, Interpreter,  
Evangelist

The earliest and briefest of the four Gospels has traditionally been ascribed to a disciple named Mark. In some ages it has been overshadowed by its lengthier neighbors in the New Testament, but its pages hold rich rewards for those who ask the right questions. Who was "Mark," and what were his purposes--historical, theological, or otherwise? How does he shape his story of Jesus, and what interpretation of the origins of Christianity does that shaping reveal? More particularly, what is his understanding of his central character, Jesus of Nazareth? And finally, what abiding value does his story hold for those who read this "good news" as a key part of the charter of the Christian church in its life today?

Seminarians, other graduate students and advanced undergraduates, pastors, and other readers seeking an introduction to the Gospel of Mark through the lens of sensitive literary, historical, and theological scholarship need look no further. In *Mark: Storyteller, Interpreter, Evangelist*, Francis J. Moloney offers the fruits of top-level biblical scholarship in a broadly accessible format. Students and professors alike will appreciate and profit from his fresh and lucid presentation of the message of one of the Christian faith's earliest and most enigmatic proponents and the inventor of its most revered literary genre.

Mary - Images of the Virgin in Art  
Mary - Images of the Virgin in Art

This booklet gives a short outline of the origins of the devotions to Mary and the saints, the way in which saints are proclaimed today, and the place apparitions of Mary have in the context of the Church. The hope is that catechetical leaders will find here a resource that will help explain the place of Mary and the saints within the context of the life of the Church. Many of the most touching images in the Catholic imagination are those of the Blessed Virgin Mary and of favorite saints. We imagine, for example, the young Mary facing an angel who asks her to make a choice not only for herself but for the world as well or the image of a sorrowful mother at the foot of the cross. We also imagine the saints and their heroic love for God and others: the joy of St. Francis of Assisi preaching to the birds; the sacrifice of St. Maximilian Kolbe giving up his life so another can live.

Mary and the Saints

This book gives a short outline of the origins of the devotions to Mary and the saints, the way in which saints are proclaimed today, and the place apparitions of Mary have in the context of the Church.

In a remarkable true story of faith and blessings, a mother tells of her sickly young daughter, how she survived a dangerous accident, her visit to Heaven and the inexplicable disappearance of the symptoms of her chronic disease.

#### Miracles from Heaen

Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from ever living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst inside an old, hollowed-out tree, a fall that may well have caused death or paralysis. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and was inexplicably cured of her chronic ailment.

Miracles from Heaven will change how we look at the world around us and reinforce our belief in God and the afterlife.

#### Miraculous Images of Our Lord

42 true accounts about miraculous manifestations of Our Lord from various parts of the globe, richly illustrated by actual photos. Miraculous statues, crucifixes and other holy images. Includes The Holy Shroud, Veil of Veronica, Infant Jesus of Prague, San Damiano Crucifix (cover photo) from which Our Lord spoke to St. Francis, etc., etc. Shows Our Lord's infinite love for us--causing Him to manifest it through His venerated images. A well of inspiration; a buttress to our faith in Christ! Impr.

#### Mother Angelica

In a comprehensive and engaging biography, Arroyo chronicles the life and faith of Mother Angelica, the nun who almost singlehandedly created a religious media empire through her Catholic cable network, EWTN. Born in 1923 to unstable parents (a cruel father who later abandoned the family and a chronically depressed mother), Mother Angelica—then called Rita Rizzo—is an unlikely person to have redrawn the landscape of Catholicism in America. The strength of Arroyo's biography is what he calls his "unfettered access" to records, associates and the nun herself; as an anchor and news director for EWTN, he's known her for years. But this is not purely a sweetness-and-light portrait; she comes across as outspoken and sometimes hot tempered, arguing with cardinals and even hurling a knife at a sharp-tongued uncle when she was 17. Overall, Arroyo gives a strong sense of the woman who enrages liberals, delights conservatives, but is respected by almost all Catholics.

From the founder of EWTN Global Catholic Network comes this profoundly practical, humorous, and common-sense approach to answering life's most vexing questions. Mother Angelica gently confronts your real-life struggles, lifting your heart to God and leading your soul to heaven as she provides answers from a life dedicated to God not the promises of a world entrenched in vice.

Mother Angelica will become your trusted companion in the battle for virtue as you read through her advice and answer her call to grow closer to Christ. She'll help you conquer your most deeply rooted sins, and she'll lead you to overcome the fear of death, the pain of guilt, and the seemingly benign attachments you have to the things of this world.

Mother Angelica's Answers, Not Problems

She'll also lead you to a more profound understanding of the spiritual life, explaining why it's so hard to be good, why suffering must happen to even the best of us, and why God doesn't answer all your prayers. With Mother Angelica as your guide, you'll also learn:

- How to pray even when God seems distant or silent.
- Ways to overcome the difficulty in believing in God.
- The five steps to discovering God's will for you.
- The eight kinds of suffering and how each can shape and purify your life
- Ways to avoid the most common mistakes in praying to God.
- What to ask for and what not to ask for in prayer
- Ways to overcome lust and what God is trying to teach you with this affliction.

Mother Teresa of Calcutta was the founder of the Missionaries of Charity and winner of the Nobel Peace Prize, but her story is so much more remarkable. From her childhood in the Balkans to her work in India, from attending the victims of war-torn Beirut to pleading with George Bush and Saddam Hussein to choose peace over war, Mother Teresa was driven by a mighty faith.

Mother Teresa - A Complete Authorized Biography

Newly revised and updated, this edition includes a personal insight into the beatification and continuing process of canonization for Mother Teresa, the ongoing work of the Missionaries of Charity, and her "dark night of the soul."

Mother Teresa consistently claimed that she was simply responding to Christ's boundless love for her and for all of humanity, bringing to the world a great lesson in joyful and selfless love. This book is a glimpse into her extraordinary faith, work, and life.

Mother Teresa My Own Words

"My Life on the Rock", the dramatic conversion story of Jeff Cavins, (apologist and host of EWTN's "Life on the Rock"), is the true and bittersweet story of an emotional and spiritual search for peace in a chaotic world. Jeff was a "rebel - and then he became a rebel for Jesus. This moving account of his journey, told in his own words, is sometimes whimsical, sometimes serious, but never boring (just like Jeff). You won't want to put this book down.

#### My Life On the Rok

Jeff's story recounts his early Catholic upbringing, rejection of the Faith, ordination as a Protestant minister, and finally his return home to the Catholic Church. It definitely was not a smooth trip: he went toe-to-toe with this own father and three Bishops in his search for truth.

So, if you are a Catholic searching for answers, or if you have a friend who has fallen away from the Church, read Jeff's book - he's been there.

The author of the bestselling Joshua series and other popular inspirational books chronicles his own spiritual journey and describes with stunning honesty the difficult decisions he made along the way.

Joseph Girzone has attracted a tremendous following with his series of novels that imagine Jesus living in the contemporary world. His nonfiction writings and talks on spirituality have affected audiences around the world. Girzone's ability to capture the meaning of faith in simple, direct language is more apparent than ever in this moving book about his personal journey through a dark night of the soul.

#### My Struggle with Faith

In My Struggle with Faith, Girzone recounts the long, complicated, and often painful process he went through as he sought to find peace with his beliefs. He writes about hard decisions that set him on unexpected paths and about the immense feelings of loneliness he experienced in making those choices. In thoughtful and thought-provoking reflections he brings to life the years of searching and the deep, critical thinking that gave him the courage to embrace his beliefs, opening a world of excitement and adventure for him.

In writing about what his beliefs have meant to him and about the intimate relationship with God that has sustained and guided him, Girzone illuminates the universal human struggle to find meaning in life. My Struggle with Faith offers readers insights, inspiration, and encouragement to follow their beliefs and create a more meaningful spiritual life.

#### Mystics and Miracles

Mystics and Miracles by Bert Ghezzi explores the lives and saintly miracles of twenty-four ordinary people chosen by God to do his extraordinary work.

From visions and healing to prophecies and miracles, these mystics provide a direct connection between the human and the divine. Ghezzi's easy-to-understand writing style makes this collection of biographies ideal for anyone who wants to better understand the saints and the miracles they performed.

His Roman-Catholic faith has been an enduring part of the life and personality of William Buckley, Jr. Now, for the first time since his ground breaking God and the Man at Yale he has written a book about faith--his own.

#### Nearer My God

Nearer, My God, An Autobiography of Faith is William Buckley's superbly written story of his life seen through his abiding love for the Catholic Church, a love instilled in him from childhood. He reminisces about his school days in England, his family, the affect the Lunn/Knox dialogue had on him, and examines many aspects of Catholicism and its theology, doctrine and liturgy and on the way discourses about Lourdes, the vernacular mass, the Church and the State, the Crucifixion, the priesthood, contraception as well as the many people who have assisted him on his life's journey. A remarkable, revealing book about one man and his faith.

#### New Jerome Bible Handbook

This handbook is drawn from the New Jerome Biblical Commentary with the full co-operation and help of the contributors and eidtors on whose work it is based. It makes available to general readers the background knowledge they need in a simple form, with the help of pictures and maps. The teaching of each book of the Bible is brought out in detail, and a highlight from each book is featured, to give a flavour of its style. The handbook includes a comprehensive index and contains 13 articles on relevant subjects from archaeology to fundamentalism. It is aimed at Bible study groups, school students and those interested in the Bible.

Thousands sought Jesus during his life. Only a few followed him to Calvary. What will you do?

#### No Greater Love

No Greater Love is a biblical pilgrimage that reveals Christ's amazing love for us. Best-selling catholic author Edward Sri guides you through the last hours of Christ's life. You will walk step-by-step with Jesus from the Garden of Gethsemane to the Mount of Calvary. Every step of the way, Old Testament prophecies, messianic expectations, biblical symbolism, and historical context shed light on the mystery of Christ's suffering and death. Experience a deeper understanding and appreciation of God's immeasurable and unconditional love as you draw closer to Jesus than you ever have before.

What was Jesus going through at each moment?

How did the Old Testament foretell of Christ's death?

Why did Christ die for us? What did it accomplish?

What was the meaning behind of the tearing of the temple veil, the crowning with thorns, the, and other events during Christ's Passion?

What do the cryptic last words of Jesus mean?

Though this book is used as part of the video study program by the same name for parishes, small groups, and families, this book stands on its own and does not require additional background or resources. Questions at the end of each chapter can be used for personal reflection or group discussion.

#### No Irrelevant Jesus

Is Jesus relevant for today? If you think not, don't bother with this book. But if you think that Jesus might have something to say to today's world, which Jesus comes to mind? Is he "gentle Jesus, meek and mild," offering individual salvation but with no message for a suffering world? Is he to be remembered as a Zealot fighting for a hopeless cause or as an outstanding rabbi? Was he a prophet in the long series of Israel's prophets or a religious founder like Muhammad or Gautama? Or was Jesus unique, a man utterly consumed by zeal for the reign of God, by the "fierce urgency of now," the leader of a movement dedicated to God's cause but committed to nonviolence and living for others? If we seek him, can we find him in the churches? In *No Irrelevant Jesus*, Gerhard Lohfink, author of the acclaimed *Jesus of Nazareth*, explores these questions and offers a resounding yes to the relevance of Jesus today. *Old Testament Times* deals in a non-technical manner with the broad social and cultural context in which the events recorded in the Bible took place. Particular attention is given to recent archaeological discoveries and the light they shed on the Old Testament. Certain of the more problematic issues of Old Testament history are also examined in outline.

#### Old Testament Times

The world of the Old Testament was geographically and politically interdependent and coexisted with the world of the ancient Near East. The people and times of the Old Testament cannot and must not be studied in isolation from the larger Near Eastern background. Any information that can be discovered about the history, religion, languages, literatures and cultures of ancient Oriental peoples have an important bearing upon our understanding of the people of God.

*Old Testament Times* is more than a survey of the Old Testament; it is an examination of the background in which the Old Testament was written. Dr. Harrison explores the relevance of the historical, political, social, and economic framework relating to the beginning and growth of the Israelite people and the development of Judaism.

#### On Fire with the Spirit

Designed to complement Merrill C. Tenney's well-known *New Testament Times*, this present volume contains more than one hundred photos as well as indexes and a list of books for further reading.

John Bertolucci has captivated thousands of people across the world with the message of the gospel. What has happened to transform this parish into an extraordinary preacher, the foremost Catholic evangelist of our day. *On Fire with the Spirit* tells the remarkable story of this most remarkable man, from his early life under the shadow of the Catskill Mountains to the beginning of his television ministry and his travels around the world to preach the gospel. Whether behind the Iron Curtain, in a stadium speaking to a capacity crowd, behind the podium at a parish church, or in the living room of friends, his one desire is to bring the word of God to others. In *On Fire with the Spirit* he tells the story of how the Holy Spirit invaded his life to give him a new relationship with Jesus and a new ability to preach and evangelize. Best of all, he offers advice for living a life submitted to Jesus and open to the power of the Spirit. Once we know that Jesus loves us and that He lives in us, we cannot fail to follow Him. And to follow Jesus involves telling others who he is. *On Fire with the Spirit* offers encouragement and advice to any who want their own lives to be filled with the love of God and the knowledge of His presence.

On the Christian Meaning of Human Suffering

Salvifici Doloris On the Christian Meaning of Human Suffering Apostolic Letter of John Paul II

Published on February 11, 1984, Salvifici Doloris addresses the question of why God allows suffering. In this apostolic letter, Pope John Paul II reflects on the origins of suffering, explores the different types of suffering we endure, examines our quest to discover its meaning and purpose, and explains how we are to respond to suffering. He links our personal experiences with suffering to the mystery of humanity, of God, and to the redemption brought by Christ's suffering.

What if the Church radically shifted the focus of her mission to making disciples one person at a time?

Everett Fritz outlines a framework for one-to-one outreach that helps us develop as mentors in faith, furthering the Kingdom of God as Jesus commanded when he told us to go and make disciples. When we learn how to focus on a ministry of one, we will multiply our efforts to create a movement that meets the spiritual needs of many.

Whether you're someone who's actively involved in professional or volunteer ministry or an everyday Catholic who wants to share your faith, One Disciple at a Time reveals how you can live out your calling to spread the Gospel by focusing on forming disciples one at a time.

One Disciple at a Time

Drawing on insights gleaned from his personal spiritual journey and work in Catholic parish ministry, Fritz—founder and executive director of Andrew Ministries—shares practical steps for transforming our approach to living our faith and sharing it with others. In this book, you will learn:

There is great power in a personal invitation because it becomes the seed to develop a relationship.

If you want to make a lifelong disciple of Jesus Christ, you have to be committed to accompany them throughout their lifetime.

Lessons from Jesus's relationship with Simon Peter can transform the way we mentor in faith.

Taking someone from disciple to sainthood requires assisting that person with the crosses that they bear, as well as witnessing to the reality of the cross in your own life.

#### Open Mind, Open Heart

First published in 1986 and in print--and immensely popular--ever since, *Open Mind, Open Heart*, by the Trappist Monk Thomas Keating, remains one of the best introductions to a specifically Christian form of meditation. Father Keating gives the reader an overview of what contemplative prayer both is and isn't; he discusses the history of contemplative prayer in the Christian tradition and then explores step by step the process of Centering Prayer, briefly exploring its origins in the ancient church and then demonstrating its use as "a sign of one's intention" to surrender to God. Each chapter concludes with questions and answers that provide useful information in an informal context. Here in particular we get a sense of Keating's clarity--and his sense of humor. For example, in response to a question about the sudden experience of happiness in prayer, Keating responds, "You should not take prayer too seriously. There is something playful about God. You only have to look at a penguin ... to realize that He likes to play little jokes on creatures." --Doug Thorpe

#### Our Walk in His Footsteps

Our Lord came not only to redeem us and to gain eternal life for us, but also to show us how to deal with change in our lives. Christ came to tell us to repent, which is from the Greek word *Metanoia*, meaning to change our minds. And, He spent the last three years of His life telling us and showing us not only how to do that but also in giving us the objectives to which we were to change our minds. As we discuss the entire change process in our lives - past, present and future - it is my intent to put God right back into the center and at the very core where He should be. Change is good for us, but how we deal with it is vitally important to our spiritual health.

Before his death in 1968, Padre Pio was known throughout the world as a very holy man — many even called him a living saint. This humble Italian priest who bore the wounds of Christ received thousands of letters and visitors each year, seeking his spiritual counsel, healing, and prayer. Padre Pio's intense spirituality and holiness remain legendary and life-changing.

#### Padre Pio: The True Story

This is the comprehensive life story of the priest who became world famous for his stigmata, miracles, and supernatural insights. Read in detail about the many miracles of Padre Pio, and discover how knowing this powerful saint can change your life, too.

#### Parables of the Kingdom

By far the best biography of Padre Pio ever written — newly updated with more details and 16 pages of photos!

"Do you not understand this parable?" is a question Jesus posed to his disciples (Mark 4: 13). Just as the first disciples often did not understand Jesus' many parables, so it is for listeners and readers nearly two thousand years later. In *Parables of the Kingdom*, Mary Ann Getty-Sullivan helps readers to "hear" and "see" and "understand" the parables of Jesus. She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church. In addition, Getty-Sullivan helps readers learn to interpret parables, to enter into what the parables can reveal about Jesus and his audience, about the evangelists and their communities, and about how we are to understand the Kingdom of God today. *Parables of the Kingdom* helps us hear and see Jesus' parables with new eyes and renewed hearts--thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's power in our world.

In this definitive biography, renowned Bible scholar, Anglican bishop, and best-selling author N. T. Wright offers a radical look at the apostle Paul, illuminating the humanity and remarkable achievements of this intellectual who invented Christian theology - transforming a faith and changing the world.

For centuries, Paul, the apostle who "saw the light on the Road to Damascus" and made a miraculous conversion from zealous Pharisee persecutor to devoted follower of Christ, has been one of the church's most widely cited saints. While his influence on Christianity has been profound, N. T. Wright argues that Bible scholars and pastors have focused so much attention on Paul's letters and theology that they have too often overlooked the essence of the man's life and the extreme unlikelihood of what he achieved.

Paul

To Wright, "The problem is that Paul is central to any understanding of earliest Christianity, yet Paul was a Jew; for many generations Christians of all kinds have struggled to put this together." Wright contends that our knowledge of Paul and appreciation for his legacy cannot be complete without an understanding of his Jewish heritage. Giving us a thoughtful, in-depth exploration of the human and intellectual drama that shaped Paul, Wright provides greater clarity of the apostle's writings, thoughts, and ideas and helps us see them in a fresh, innovative way.

Paul is a compelling modern biography that reveals the apostle's greater role in Christian history - as an inventor of new paradigms for how we understand Jesus and what he accomplished - and celebrates his stature as one of the most effective and influential intellectuals in human history.

Paul and John

In this second of two volumes, Father Dicharry continues his portraits of New Testament authors and analyses of their writings. He presents the first recorder of the Good News, Paul, and the last, John, as "bookends" holding between them Mark, Matthew, and Luke. And as the first volume concluded with Acts, the first Church history, this volume concludes with the Apocalypse, the first theology of Church history.

Pope Benedict XVI - Biography

A Biography Of Joseph Ratzinger

"Make me an instrument of your peace." St. Francis of Assisi

When the curtains were drawn and our new Holy Father stepped out into view of the 150,000 people waiting in St. Peter's Square, it was a humble and gentle man from Argentina who greeted them, not in triumph, but with a gentle wave.

He's a pope of "firsts" - the first Jesuit pope, the first pope from the Americas, and the first to choose the name of Italy's most famous saint.

He is the son of an immigrant railway worker, and sibling of four.

He was an active, social young man who trained to be a chemist before pursuing a religious vocation.

Pope Francis

He is a Jesuit priest and beloved spiritual director who even as archbishop of Buenos Aires was referred to as Father Jorge.

He is an outspoken leader who experienced firsthand the challenges of a society ravaged by war, economic despair and cultural unrest.

Pope Francis is still new to us, but in this biography you will get to know the man who became pope: A street priest at heart with a deep love for people and a pastor's touch. He teaches in word and deed the truths of the Church and God's merciful love.

Get inside access to the entire history-making event, from the startling resignation of Pope Benedict through the gathering of Cardinals for the Conclave and the installation of this Pope of the people.

Examine Pope Francis the man - his background, his ideas, his mission, and his challenges and opportunities as our new pope - including 16 pages of full color

Pope Francis-His Essential Wisdom

Pope Francis: His Essential Wisdom invites readers to experience the words of the beloved pontiff. The excerpts are drawn from his homilies, books, interviews, speeches, and other writings from his papacy and from his tenure as Bishop, Archbishop, and Cardinal. His words reveal a man who is humble, gentle, deeply spiritual, and filled with the love and mercy of God. Pope Francis is the first pontiff to adopt the name of Francis, and it is in the spirit of St. Francis that humility, service, and a close connection to his flock, have been hallmarks of his papacy. In the chosen excerpts, Pope Francis speaks joyfully about the eternal love of God; he invites us to open ourselves to God through prayer; he challenges us to reach out to those in need; and he reminds us of the mercy and compassion of Jesus. Also included is a selection of more personal quotations, where Pope Francis recalls his early years and his calling to the priesthood. Finally, there is a selection of quotations from others about Pope Francis—from those well acquainted with the Pope, to leaders, writers, well-known people and everyday people who have been touched by Pope Francis in some way. Whether you are seeking his words for inspiration or guidance, comfort or strength, Pope Francis: His Essential Wisdom is a moving collection that you will turn to again and again.

#### Practice Makes Catholic

It is said that practice makes perfect, but what else does practice make? If you ask Joe Paprocki, he’ll say that practice makes Catholic—that is, there are certain distinct practices that make us essentially Catholic. The problem is that many Catholics don’t understand—or at least misunderstand—why we engage in the many practices we do. In *Practice Makes Catholic*, Paprocki addresses the all-important “why” of many Catholic practices by articulating five key characteristics that form our Catholic identity: a sense of sacramentality, a commitment to community, a respect for the dignity of human life and commitment to justice, a reverence for Tradition, and a disposition to faith and hope rather than despair. Under each of these categories, he explores and explains multiple Catholic practices, then describes how following each one can make a profound difference in our faith and in our lives. Informative and inviting, *Practice Makes Catholic* is the perfect resource for RCIA candidates and their sponsors, for Catholics returning to the faith, and for all Catholics who want to get to the heart of what their faith is really about.

#### Prayer - A Handbook for Today's Catholics

Within the Catholic tradition, there are many ways to pray. Yet, while there are smaller books, books on praying with saints and contemporary figures, volumes assembling groups of individual prayers, or prayer within one particular strand of Catholic spirituality, there is no truly comprehensive work available on how to learn, practice, and teach ways of prayer in the broad Roman Catholic tradition. This handbook breaks new ground, offering forty important voices on forty essential topics for a comprehensive look at the learning, practice, and teaching of all that it means to pray in the Catholic tradition. Topics include:

#### Prayer in the Catholic Tradition

- Types of spirituality (including Carmelite, Franciscan, Ignatian, Dominican and other major schools) and how they frame prayer and prayerfulness
- Liturgical prayer
- New Testament scriptural approaches to prayer
- Praying with the Psalms
- Contemplation
- Liturgy of the Hours
- Conversational prayer
- Resistances to prayer
- Journaling as prayer
- Enhancing a spirit of prayerfulness
- Praying in Ordinary Time
- Praying through grief, suffering, loss and pain
- Dealing with distractions in prayer
- The essentials of Catholic prayer; and much more.

A lot of people would like to learn to pray all over again. Others are not so sure they ought to pray. They want to know whether prayer will help them and, more than that, whether it will be of any use at all to our world.

#### Prayer Takes Us Home

This book gives an answer—not in the form of glib instructions, but by introducing the reader to the theology of prayer. It refers again and again to the Bible, especially the Psalms. At the same time, it speaks about personal experiences as well. Gerhard Lohfink writes in inviting, easy-to-read language, answering questions such as:

“To whom do we pray?”

“Does it make any sense to ask for things in prayer?”

“What happens in the Eucharistic Prayer?”

“What is so special about the Psalms?”

“How can I practice Christian meditation?”

#### Prayers

This book offers an inviting approach to Christian prayer.

A bestselling classic of modern spirituality. With simplicity and strength, this collection of powerful prayers will help you structure and develop your own sense of prayer. This assembly of petition and thanksgiving represents the full range of human emotion from despair to mystical union.

#### Prayers for Catholics Experiencing Divorce

God walks with those treading the painful pathways of divorce. In this updated and revised edition of *Prayers for Catholics Experiencing Divorce* are forty-four prayers to help Catholics experiencing divorce heal the hurt as they draw closer to God. Here is powerful support as they rediscover themselves and their self-worth. If you are a Catholic going through a divorce, you may find it difficult to pray. Misconceptions about prayer, a sense of a neglected relationship with God, and feelings of confusion make it hard to pray at a time when prayer may be exactly what is needed. Together, Vicki Wells Bedard -- who has experienced divorce first-hand -- and William E. Rabior -- a popular author and an experienced social worker -- help Catholics caught in the turmoil of divorce express their heartfelt cries to God. The authors present prayers that read like contemporary psalms, that bring readers' fears and hopes to the Lord. This book guides you in prayer, helps you express even elusive thoughts and feelings, and leads you into the arms of an understanding and accepting God.

Pray for your adult sons and daughters with the kind of power that makes a real difference in matters of the heart!

#### Praying for our Adult Sons and Daughters

When our children become adults, we can't hold them on our laps and protect them like we used to. We need new strategies for caring for them. And the most important strategy of all is to lift up our adult sons and daughters in prayer and place them in the heart of God. When we do so, God's love is unleashed—in them and in us. God can replace our worries and discouragement with refreshment and hope. This book is a real treasure, one that parents and grandparents will want to read again and again.

Each chapter ends with a series of questions for reflection and introduces a “prayer skill” that will enable parents to persist in prayer and try new ways of praying for their adult sons and daughters.

## Raising Positive Kids in a Negative World

Raising positive, drug-free kids in a negative world is not easy, but in the long run, it's easier than raising negative ones. Now, the best-selling motivational author reveals his simple prescription for success with children, step by positive step.

Drawing on the most comprehensive measurable results ever made available to an author-his "I CAN" course, taught in more than 5,000 schools with more than three million participants - and his own successes and failures as a parent - Zig Ziglar offers sensible guidelines on:

Praise and encouragement: Children can hardly have too much of the right kinds. Look for the good in your children and you will find it.

Drugs: The latest statistics and a winning approach to teaching kids to say no, starting with cigarettes.

Time: Quality time is not enough. Kids need a lot of time with parents (and virtually none with TV).

Discipline: The loving parent will not shirk it.

Sex and romance: Be frank, be firm, be realistic.

And much more, in a book that is both refreshingly old-fashioned and startlingly new.

Raising Them Chaste-is a practical answer to a real problem-communicating a tender truth in a convincing way-providing a handle for gaining leverage to lift us from the moral quicksand sucking so many downward." from the Foreward by Jack W. Hayford, Senior Pastor of The Church on the Way

## Raising them Chaste

Statistics show the alarming incidence of sexual promiscuity in our society and its devastating consequences. Seventy percent of all American teens have had sex by age eighteen. On the whole, young people in the church show the same trend as unchurched kids.

But statistics also show that parents are in the best position to help children establish and cultivate an internal counterpressure to resist sexual temptation. Authors Richard and Renee Durfield show how it is possible for parents to plant within their children a vision of sexual wholeness and purity that will strengthen their resolve to live with integrity to say no to the world's view of morality and be happy about it.

As the parents of four children, the Durfields developed the concept of a "key talk" between parent and child. With the parent's encouragement, the young person covenants with God to remain chaste until marriage, and the parent gives the child a ring or similar token and constant reminder of the commitment. How to prepare for this talk, how to hold it successfully, and how to follow-up on it for maximum effectiveness are combined to make this a strategy that already has proven effective for many families

Reading the Gospel of John-An  
Introduction

A popular, up-to-date, comprehensive introduction to the Gospel of John made accessible for the educated lay person.

Each chapter ends with study questions, testing comprehension of what has been written, but not stimulating further reading, thought or application.

Quast offers a well-written sequential reading of the text rather than treatments of isolated themes. Thus the reader derives a good grasp of the overall discourse and flow of narrative. In addition he provides some useful elementary literary analyses of chapters 4, 9 and 18–19, though, surprisingly, not of chapter 11. There are lots of helpful charts and maps.

Reading the Old Testament - An Intro

Reading the Old Testament is a clear and carefully organized introduction for contemporary readers. It is designed to guide the student of the Bible through the text and its problems, enrich their understanding of the individual biblical books, and explore the way the Bible came to be written. Reading the Old Testament combines the latest scholarship with sensitivity to religious issues and Israel's ever deepening understanding of God's ways. The author gives special attention to recent archeological discoveries in the Middle East and how these affect our understanding of the Old Testament. The book contains numerous maps, charts, and drawings. Reading the Old Testament is particularly illuminating about the way Israel's religious experience was translated into written records. No other introduction offers the same thorough treatment of the Exile and the post-exilic periods as crucial times in the formation of the Old Testament. †

Copy 1

Drawing on the wisdom gleaned from thriving mega-churches and innovative business leaders while anchoring their vision in the Eucharistic center of Catholic faith, Fr. Michael White and lay associate Tom Corcoran present the compelling and inspiring story to how they brought their parish back to life. Rebuilt is a story of stopping everything and changing focus. When their parish reached a breaking point, Fr. Michael White and lay associate Tom Corcoran asked themselves how they could make the Church matter to Catholics, and they realized the answer was at the heart of the Gospel. Their faithful response not only tripled their weekend mass attendance, but also yielded increased giving, flourishing ministries, and a vibrant, solidly Catholic spiritual revival. White and Corcoran invite all Catholic leaders to share the vision, borrow their strategies, and rebuild their own parishes. They offer a wealth of guidance for anyone with the courage to hear them.

## Rediscover Jesus

How well do you know Jesus?

I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress and other times when I wonder if I know him at all.

But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the son of God, the king of kings and the lord of lords, the lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, and the healer of our souls.

A true story about why we sabotage ourselves, feel overwhelmed, set aside our dreams, and lack the courage to simply be ourselves... and how to start choosing happiness again!

Are you happy? It may be the wrong question. Most of us think we are relatively happy, while at the same time knowing that we could be happier maybe even a lot happier. Ordinary people and the finest philosophers have been exploring the question of happiness for thousands of years, and theories abound. But this is not a book of theory. Resisting Happiness is a deeply personal, disarmingly transparent look at why we sabotage our own happiness and what to do about it.

## Resisting Happiness

Are you overwhelmed? Do you procrastinate? Do you sometimes feel like you are your own worst enemy? Are you ignoring your dreams? Have you lost the courage to truly be yourself? Do you feel that your life lacks meaning and purpose? Do you find yourself avoiding the real issues in your life and focusing on the superficial?

We all experience these feelings and doubts from time to time. But do you know what to do when you experience them? In this fascinating book, Matthew Kelly, uses his signature combination of the profound and the practical, to help us understand why we feel these things and how to rise above them. Breaking through resistance, Kelly tells us, is essential to becoming the-best-version-of-ourselves and living with passion and purpose.

What is resistance? It's that sluggish feeling of not wanting to do something that you know is good for you. It's the inclination to do something that you unabashedly know is not good for you. It's the desire and tendency to delay

## Rhythm of Life

In The Rhythm of Life, Matthew Kelly exposes the lifestyle challenges and problems that face us in this age obsessed with noise, speed, and perpetual activity. Kelly's message rings out with a truth that is challenging and unmistakably attractive. Who you become is infinitely more important than what you do or what you have. Are you ready to meet the best version of yourself?

The Rhythm of Life is a brilliant and clear-eyed rejection of the chaotic lifestyle that has captured the world, written with common sense, humor, and extraordinary insight. This book is destined to change lives!

Sacraments in Scripture: Salvation History Made Present is a Bible study on the seven sacraments, prefigured in the Old Testament and instituted by Jesus Christ in the New.

## Sacraments in Scripture

Following the teaching of the Second Vatican Council and the Catechism of the Catholic Church on Sacred Scripture, Tim Gray delves into the biblical origin of each of these masterpieces of God's love. In Sacraments in Scripture, Tim Gray guides readers through the Gospels, showing Christ's deliberate acts that inaugurated these sacred signs as the foundation of the New Covenant.

With review questions at the end of each chapter, Sacraments in Scripture is ideal for both group and individual study and is perfect for instructing Catholics how to answer contemporary objections to the sacraments.

n The Gospel of Mark Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism: intratextuality and intertextuality. This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character, its setting in life, and its distinctive approaches to the Old Testament, Jesus, and early Christian theology. Includes an updated bibliography as an appendix. This volume is a paperback edition of another fine contribution in the Sacra Pagina commentary series by Liturgical Press. The paperback edition will make it more accessible, a welcome development for all pastors and students. . . . A must for every library. Interpretation Donahue and Harrington, well-known scholars who have made numerous contributions to Markan studies in monographs and journal articles, have provided us with a helpful and reasonably sized commentary. It is large enough to deal with the majority of issues involved in the study of Mark without overwhelming us with more information than the average pastor or theological student can handle or wants. It is written succinctly and is very readable. It provides in its Introduction a brief and excellent overview of the major issues involved in the study of Mark. This huge book is the catalogue to an exhibition currently touring the United States. This catalogue allows one to experience the history and beauty of the Vatican by documenting a once-in-a-lifetime exhibition of its extraordinary collections of art, liturgical and historical documents, including many objects never before on view to the public. Works by Bernini, Giotto, Canova and others, and objects dating back to the third century, provide a fascinating insight into the Vatican's history.

#### St Peter and the Vatican-The Legacy of the Popes

More than 300 objects, one of the largest Vatican collection ever to tour North America, are presented in the context of dramatic and immersive environments, including representations of the Tomb of Saint Peter, the Sistine Chapel, the ancient and current Saint Peter's Basilicas and other settings. From culture to history to art, explore the impact of this 2,000-year-old institution's influence on the world.

Among the most popular and touching objects of the tour is the bronze cast of Pope John Paul II's hand. It was the pope's wish that a personal blessing, as well as a cast of his hand welcome those visiting the exhibition.

Other highlights include one of the most ancient representations of the face of Jesus Christ, the famous pastoral staff of Pope John Paul II, the Papal Tiara of Pope Pius IX, the codex of Saint Peter's Square and Basilica, reliquaries, a 4th Century sarcophagus, 5th Century fresco of Saint Peter, a 799 A.D. mosaic of an apostle and other works by many of the world's most acclaimed artists throughout the centuries. Liturgical objects, frescoes, jewelry, vestments, maps and historic documents, sculptures and paintings, offer an amazing look into the papacy and the Vatican.

#### Saints-A Closer Look

Anyone can achieve a reasonable level of sanctity, but the saints are in a league of their own. What sets them apart? Does holiness come more naturally to them than to the rest of us? Do they endure severe temptation? How do grievous sinners become saints? How has history been influenced by the saints? Are the saints relevant today? What do they mean for you? In answering these questions and many more, Father Thomas Dubay not only reveals what makes the saints tick, but also nudges readers toward the heights of sanctity themselves. It's an uphill battle for everyone, but the lives of the saints make it clear that great holiness is possible for all if we allow ourselves, as they do, to fall radically in love with God.

An open and engaging survey of the theology of church in its biblical roots, its historical development, and its setting in today's complex world. Building on the work of leading historians, sociologists, and theologians, Sanks has produced a coherent and lively synthesis. Salt Leaven, and Light  
The Community called Church

This comprehensive study of Roman Catholic Church history, ecclesial theology, and encounter with contemporary society focuses on future challenges of changing forms of ministry. Sanks discusses inculturation--presenting Christian theology in non-Western thought forms--encounters with non-Christian religions, and American culture in relationship to the Church. He reminds the reader that the Church has always lived with tensions that led to both continuity and change. Salt, leaven, and light are, to Sanks, especially appropriate images for the mission of the Church today. Recommended for

Christmas is unavoidable. But if it is going to happen for us, we need to take time. We need to slow down and do something out of the ordinary, something that has to do with the spiritual meaning of the feast and the season.

Seeing Haloes

Reading the Christmas poems of Seeing Haloes is one way of doing this. John Shea hopes that each poem strikes a chord and brings us into memories we may have forgotten and present experiences we may have overlooked. When this happens, the Spirit arrives to illumine our minds, inspire our wills, and gladden our hearts. Christmas happens.

A friend's child dies; a parent gets a cancer diagnosis; your spouse loses their job. Sometimes life and God's plan don't make sense and we end up feeling hurt and angry.

In *Seriously, God?*, Fr. Michael White and Tom Corcoran explore the denial, doubt, and betrayal we experience when we face hardship, pain, and grief, and they encourage us to lean into our feelings and to take each circumstance as a chance to learn more about God.

Drawing on personal anecdotes and stories from their parish, White and Corcoran—authors of the bestselling and award-winning book, *Rebuilt*—share important lessons, including:

#### Seriously God?

#### Making Sense of Life Not Making Sense

Even the heroes of the Bible—such as Abraham, Moses, David, and the apostles—experienced situations that caused them to misunderstand God. There is joy in knowing we will forever be getting to know God.

Even though life often doesn't make sense, we shouldn't assume God doesn't make sense.

For anyone who has battled suffering, walked away from faith under the pressure of crushing doubt, never felt safe giving faith a chance, or cared about someone who struggles with these realities, this book treats the problems of suffering and evil not as an argument to be overcome but as an invitation to a deeper faith.

Each chapter relies on biblical stories that provide a wonderful introduction to scripture to those who are not familiar with the Bible and a fresh perspective to those who are. Each chapter also includes questions for self-reflection and discussion. A free parish small-group guide and videos from the authors are

This is the first Mary Foundation talk based on a book. Pope John Paul II referred to the Holy Eucharist as "the greatest treasure of the Church," and yet most practicing Catholics have received very little in-depth or inspirational theological insight about this critical aspect of our spiritual lives since our school days.

#### Seven Secrets of the Eucharist

Mr. Flynn's "secrets" are actually a series of surprising principles, insights, and "hidden" truths, presented together for the first time in one exciting talk. All seven secrets are based on truths found in the Bible, the writings of the Saints, the Catechism, and recent teachings of Pope John Paul II and Pope Benedict. These truths have always been embraced by the saints, Church Fathers, theologians, and mystics, but have never before been presented together, and rarely in such a meaningful and accessible way. This talk also includes two "bonus secrets" about Our Lady's relationship to the Eucharist which are not found in Vinny Flynn's book.

Vinny Flynn will show you how reception of the Eucharist can be a life-changing experience the very next time you receive Holy Communion.

## Sisters in Crisis

Ann Carey does a marvelous, unbiased, and compassionate job in researching this book. She talks with many sisters all over the country and goes into a lot of detail in revealing the history and challenges that led to the demise of many religious orders of nuns, and few vocations. I expected to hear about, but Ms. Carey did not cover, atheist Abraham Maslow, who disliked Catholic education. His student, Carl Rogers, began experimenting with the 615 member order Sisters of the Most Holy and Immaculate Heart of the Blessed Virgin Mary ("IHM" - not the Sisters Servants of the Immaculate Heart of Mary) Hollywood, CA, as well as other orders, destroying them through "human potential psychology" therapy, which focuses on personal gratification. Along with his disciple, Dr. William Coulson they facilitated an "encounter" seminar they misleadingly called "sensitivity training". Within two years, 300 nuns petitioned Rome to revoke their vows, and the order disassociated itself from Rome. In four years, no nuns remained and 59 schools closed. (read more in Dr. Coulson's article titled "Repentant Psychologist: How I Wrecked the I. H. M.. Nuns" ). Rogers' associates, 60 humanist psychologists, convinced many orders of nuns, brothers and monks that they were depriving themselves of becoming adults and mentally damaged, not having had sexual experience. Some of those who stayed, came out of the seminar with distorted views that lead to homosexual encounters with a fellow sister, which often led to leaving the religious life, or allowed them to stay, and try to change their orders to be more accepting of homosexual actions. Rogers' team of 60 encounter psychologists spread their humanist counseling to many religious groups of sisters, brothers, monks and priests who left in droves, and also ushered in the wave of sexual abuse that is now coming to the light. This occurred at the same time that the "Feminist Movement" clamored for "women's rights" and insisted abortion is a right.. Women were told by "radical feminists" they should compete with men for jobs, and that the role of raising children was to embark with the author on a personal journey that reveals the sacredness of the small things in life and what they can teach us about living spiritually fulfilling lives.

Uncover the mystery and importance of the connection between oaths and the Sacraments

Discover that the Sacraments don't make holiness easy, but they do make it possible

In this dynamic talk Dr. Scott Hahn explains the importance of oaths, which invoke God's name and implore His assistance.

So Help Me God

He shows that oaths are also the means of transforming our personal relationship with Christ into a covenant relationship. Dr. Hahn then explains what led him to move from believing in only two Sacraments to all seven. In sharing these insights, he connects oaths to the seven Sacraments and unveils their mystery and importance. He reveals that the Sacraments are the ordinary means by which God empowers us to do His will. You'll discover that the Sacraments don't make holiness easy, but they do make it possible.

In St Maria Faustina Kowalska - her life and mission, biographer Maria Tarnawska gives us a lively, objective, and well-textured portrait of the great Apostle of Divine Mercy. We glimpse St Faustina's deep mystical life as she drew upon the Sacraments and a profound union with the Lord. Of St Faustina's mission to remind the world of Divine Mercy, the reader learns that it remained largely hidden during her lifetime. She was a simple country girl with limited schooling. Yet she had a good deal of innate intelligence, and extraordinary knowledge of human beings, and a deep faith that was crucial for her mission. Only through the saint's diary and personal accounts from those who knew her does a complete portrait emerge of the great Apostle of Divine Mercy.

St Maria Faustina

MARIA GORETTI was not yet 12 years old when she was faced with that momentous decision in July of 1902: Sin or death. Maria's answer to her assailant was clear: "No! No! It is a sin! God does not want this!" Alessandro stabbed Maria 14 times, and little Maria became another virgin martyr in the line of St. Agnes and St. Cecilia.

Here is the beautiful true story of Maria's virtuous life that led to her heroic choice, of the Goretti family's terrible poverty, Maria's First Holy Communion, her great maturity in shouldering adult responsibilities, her forgiveness of her murderer, her lingering death, then finally her public elevation to sainthood in 1950—in the presence of her mother, her family and the largest crowd ever before seen at a canonization—over half a million people.

St Maria Goretti

A contemporary classic, this is truly a book for all—because people of any age will be inspired by St. Maria Goretti's purity and love of God—which triumphed over her love for life and even over the anonymity of death. Dust jacket notes: "The names of Monica and Augustine are inseparable. We cannot think of the mother without thinking also of her son. He is the principal reason why she has been known to later generations. And without her, he would not have become the man whom history still acclaims. He was the first to declare that his mother Monica had had as much pain bringing him forth to the Christian Faith as when she bore him as an infant. She was not content to bring him into the world. She did not rest until she had given him to Christ and to His Church."

St Monica and Her Son Augustin

## St Theresa the Little Flower

An accessible, easy to read biography that moves the reader through all valleys and peaks of emotions. A biography that inspires one to prayer, through a collection of memories of St. Therese of Lisieux, from letters, memories of sisters, friends and family, some that will make you smile and some that will lovingly pull on your heart. Wonderful descriptions of St. Therese's childhood and her parents, Zelig and Louis, her relationship with her sisters, her prayer-life, her day-to-day life and her faith. Wonderful theology on the interconnectedness of suffering and love - opposites however companions. St. Therese's Little Way inspires the reader to re-interpret suffering through new eyes.

All of the usual caveats about Chesterton's writing apply here: he cannot resist a digression, he cannot resist an alliterative allusion, he cannot resist a pun. He is so full of life that he is constantly threatening to spin out of control. He is not a scholar, he is not writing a sober appraisal, he is probably not sure of most of the biographical details of his subject. In spite of these defects, the book is a triumph. Chesterton is the embodiment of "A Man in Full"; he is the polar opposite of C.S. Lewis' "Men without Chests". He is so full of good sense, penetrating insight, sound moral judgement, and the joy of life that it is all spilling out in every direction. Anyone who has read his book of literary criticism on Dickens will understand these points: this is criticism in an old key; it is appreciative criticism; it is an encounter with a writer by an entire man, and not just by a theory. It is wonderfully refreshing. No one today writes in a similar vein. Chesterton brings all of his larger-than-life presence to bear on this account of the life (sort of) and thought of one of history's great minds.

## St Thomas Aquinas - The Dumb Ox

And on just what aspect of Thomas' thought does he focus? In one diabolically politically incorrect section near the end of the book he bellows out that "on a map like the mind of Aquinas the mind of Luther was barely a speck", although he would hasten to add that his little book suffers the same ignoble comparison. There is a great deal to Thomas that he, of necessity, leaves out. But what he does include is very astutely chosen, for he understands the basic structure of Thomas' thought and emphasizes the essentials. Thus there is a chapter on Thomas' argument with the Manicheans and his affirmation of the goodness of the world. He treats with great aplomb Thomas' notion of "being" and its relation to God. He does great honor to Thomas' mode of argumentation, to his sober balance and fair treatment of opponents. He is appreciative of the devotional side of Thomas, which does not come through explicitly in his philosophical writings but is important for an understanding of the man. It must be granted that the book is as much about Chesterton as it is

Stories from the Bible for First Readers

Learn how to teach other Christians how to suffer well

Better understand suffering and learn how to embrace Why would an all-powerful, all-loving God allow suffering and evil in the world?

Suffering and the Love of God

As Fr. Robert Spitzer, S.J., Ph.D. explains, unsatisfying answers to this important question are the #1 reason for atheism today. But by answering this question with logic and love (as well as with scientific, peer-reviewed evidence for the existence of life after death), we can not only answer this question truthfully and satisfactorily, but also teach our fellow Christians how to suffer well, in preparation for the limitless love of God that awaits us in eternity. Where do I go from here with my life? How can I find my purpose in life? Can I know God better? Will God help me find my purpose? Where can I look for support? Many of these questions can be answered in "Tending the Soul."

#### Tending the Soul

Tending the Soul is helpful as part of one's spiritual journey with the guidance of a spiritual director. It is designed for those who seek meaningful answers and understanding to their life questions and challenges. Father Luke Dougherty, O.S.B. introduces us to the ancient art of spiritual direction. He was a founding member of the Prince of Peace Abbey in Oceanside, California, and wrote "Tending the Soul" shortly before his death in 2002. He spent much of his life providing spiritual direction and vocational counseling to individuals and groups, as well as leading retreats.

By reflecting on Jesus' invitations to his followers and to us, Father Luke shows us what we might discover about sharing our life's story, undergoing conversion, identifying our gifts, praying, and developing a friendship with Jesus. The process also includes seeking answers to the meaning of "family," surrendering our will to God, struggling, finding balance in our lives and envisioning the future.

With the help of a skilled director, these and other questions can be prayerfully examined, revealing answers that will contribute to our spiritual journey.

The Activated Disciple teaches you how to imitate God, so you can become an instrument for him to transform the world.

#### The Activated Disciple

If you yearn for a life that moves beyond believing and practicing, if you yearn to become an activated disciple, then this book is for you. The foundation of discipleship is imitation. The Activated Disciple learns to walk in the ways of the Lord. Discipleship requires such a close relationship with God that every area of your life is transformed. It is about opening yourself to God and inviting him to dwell within you, becoming holy as he is holy, loving as he is loving. By imitating God, disciples become the instruments God employs to transform the world.

In *The Activated Disciple* by Jeff Cavins, you'll learn how to...

Take your faith to the next level.

Transform every area of your life to become more like Christ.

Overcome the obstacles that keep you from being the disciple you are called to be.

Move beyond believing and practicing your faith, and begin radically living it.

Become an instrument of transformation in the lives of others.

We often regard the author of the Gospel of Mark as an obscure figure about whom we know little. Many would be surprised to learn how much fuller a picture of Mark exists within widespread African tradition, tradition that holds that Mark himself was from North Africa, that he founded the church in Alexandria, that he was an eyewitness to the Last Supper and Pentecost, that he was related not only to Barnabas but to Peter as well and accompanied him on many of his travels.

#### The African Memory of Mark

In this provocative reassessment of early church tradition, Thomas C. Oden begins with the palette of New Testament evidence and adds to it the range of colors from traditional African sources, including synaxaries (compilations of short biographies of saints to be read on feast days), archaeological sites, non-Western historical documents and ancient churches.

The result is a fresh and illuminating portrait of Mark, one that is deeply rooted in African memory and seldom viewed appreciatively in the West.

A practical guide to battling sin and its causes

Discover the wounds that exist as part of our human nature

#### The Battle Within

Jeff Cavins, an internationally-recognized authority on Scripture, provides an ultra-practical guide on how to battle sin in the areas of our lives where we tend to fall, and he helps us examine the root causes of our sin in order to understand the “why” behind our actions.

In this presentation, Jeff explains four major wounds that exist as part of our human nature, and he equips his listeners with three “secret weapons” we can use to help us effectively overcome sin and serve the Lord from a place of freedom and love.

## The Bible-Romans and Galatians

The Navarre Bible New Testament commentaries offer extensive explanations of the meaning of the scriptural text and its implications for everyday life. The commentaries draw on a rich variety of sources - Church documents, the writings of the Fathers and Doctors of the Church, and the work of prominent spiritual writers, particularly Saint Josemaria Escriva, who initiated the Navarre Bible project. The commentary appears on the same page as the Bible text, which is the Revised Standard Version Catholic Edition. Each volume is self-contained with extensive introductions and notes to Old Testament prophecies. The Navarre Bible commentary is considered by many to be the best Catholic commentary on the Bible available today.

Jesus taught us about it, and for centuries the Church has faithfully defined and defended it. Protestants deny it even exists, while many Catholics fundamentally misunderstand it. It is Purgatory: that place of purifying penance where souls saved by Christ are made perfect and acceptable to spend life eternal in heaven.

## The Biblical Basis for Purgatory

In *The Biblical Basis For Purgatory*, author and apologist John Salza (*Why Catholics Cannot Be Masons*) offers the definitive scriptural explanation of this distinctively Catholic doctrine. Building on the teachings of Christ and St. Paul, he shows how the existence of a place of temporal punishment after death is not only a logical extension of what we know about the reality of sin and God's justice, but is also a supreme expression of God's love and mercy.

Although Purgatory is a place of mercy, its pains are real, and they are severe. This book does more than defend and explain Purgatory it provides a solid plan, drawn from the Church's perennial wisdom for conquering our sins by God's grace, while still on earth.

Do you believe it's possible to be happier than you have ever been before? Not for fleeting moments, but consistently? Bestselling author Matthew Kelly believes it is possible— and in his latest book, *The Biggest Lie*, he explains how.

## The Biggest Lie in the History of Christianity

We all want to be happy and live life to the fullest, but the answer isn't found in the world's definition of happiness. Modern culture is constantly feeding us lies, and these lies affect you more than you know. The lies that affect you the most, however, are the ones you tell yourself. These lies steal your joy, sap your energy, and cause you to lose hope. They prevent you from discovering the kind of vibrant faith the first Christians experienced.

But as Kelly shows, we've arrived at a crucial moment in history. People are disillusioned with what the world offers. The world is in desperate need of change, and no one is in a better position to effect that change than Christians. We have an incredible opportunity to dispel the lies and cut through the confusion and false promises around us.

This book provides the practical tools necessary to help you regain your fervor and leave your mark on the world—and experience more happiness than you thought possible. Together we can change the course of history—with humility, generosity, kindness, and joy, one Holy Moment at a time.

#### The Birth of the Messiah

he manger of Bethlehem has always been the cradle of much of Western art and thought, yet modern scholarship has too often raised the question of that manger's reality without probing for the deeper truths which inspired the infancy narratives of Matthew and Luke. "The Birth of the Messiah" is a thought-provoking presentation of the best modern criticism combined with insight into the spiritual concerns of the Gospel authors. Each scene of the narratives is followed by extensive notes and commentary relating it to its Old Testament antecedents and its function in the first-century church as well as to current thought. The result is the first major modern commentary which treats the two narratives together, an inspiring book which reveals the beloved childhood tales of Magi, shepherds and star as theologically profound and relevant for the mature Christian of today.

#### The Blood and the Shroud

Refuting a 1988 claim of forgery, the author of the best-selling *The Shroud of Turin* scrutinizes all available evidence to provide a convincing argument that recent discoveries, including human blood and DNA on the Shroud of Turin, prove that the image of Christ is not a fake. Reprint. 30,000 first printing. This is the most up-to-date, comprehensive, and thorough defense of the Catholic Church against Protestant objections in print. This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest.

#### The Case for Catholicism

The *Case for Catholicism* answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R.C. Sproul. It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history. Finally, in both answering Protestant objections to Catholicism and in providing evidence for the Faith, *The Case for Catholicism* cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology.

This book is divided into four sections, with each answering a key question Christians have asked about the nature of their faith. Those key questions are:

What is my authority?

What is the Church?

How am I saved?

Who belongs to the body of Christ?

*The Case for Catholicism* will become a reliable, resource for any Catholic who desires a well-researched, readable, and persuasive answer to Protestant arguments made against the Catholic faith.

## The Case for Jesus

Discover the biblical and historical evidence for Christ  
Counter arguments against skepticism and false theories

Dr. Brant Pitre is Distinguished Research Professor of Sacred Scripture at the Augustine Institute.

Dr Brant Pitre, Catholic Scripture scholar and best selling author, uses biblical and historical evidence to bolster the "case for Jesus" by exposing the problems with many false theories that have been introduced over the past hundred years resulting in a widespread skepticism about the reliability of Christian faith. He tackles head on the questions like: Were the four Gospels written anonymously? Did Jesus claim to be God? Did Jesus fulfill the Jewish prophecies of the Messiah? and many more.

Martin Luther ignited the Protestant Reformation by tacking ninety-five anti-Catholic theses to a church door in Germany. Now Dave Armstrong counters with ninety-five pro-Catholic passages from an authority far greater than Luther: the Bible itself.

Protestants (and even many Catholics) will be surprised to see Catholicism so strongly supported by these Catholic verses.

Not Armstrong!

## The Catholic Verses

As a Bible-believing Protestant, he studied Scripture intently. There he encountered countless Catholic verses that convinced him that the Bible is a Catholic book. It was written by Catholics, preserved by Catholics for more than 1,400 years before Luther was born, and even today confirms the claims of the Catholic Church. "That's why," says Armstrong, "early Protestant opinion was virtually identical to today's Catholic beliefs."

With humility and care, Armstrong here explains ninety-five key Bible passages that confound all who would use Scripture to criticize the Church and Her doctrines. These are the verses that have drawn so many serious believers

How can Christian couples be happily married in this 21st century? By communicating well? Resolving conflicts? Dealing with gender, personality, and cultural differences? Rekindling the romance?

These communication and relationship skills have helped many couples, but they have not always helped enough, according to David Sanderlin in his ecumenical Catholic Christian marriage guide, *The Christian Way to be Happily Married*. Sanderlin points out that mainstream marriage authorities throughout the Western world have been promoting these communication and relationship skills for over half a century now, and it is during this very time that divorce rates have skyrocketed! The author argues persuasively that Christian couples need something more than these communication and relationship skills. They need to follow Jesus with love, wisdom, patience, gratitude, and other Christian virtues in a loving Christian marriage discipleship.

*The Christian Way to be Happily Married*

This book is ideal for Christian engaged and married couples who would like to be happily married not only by using conventional communication and relationship skills, but also, above all, by following Jesus with love, wisdom, and other Christian virtues during their ordinary marriage and family activities. Couples can learn from this book how to deal with money, housework, and other practical marriage and family matters with the love and wisdom of Jesus, saints, and spiritual reformers.

The author points out that this Christian Way to be happily married is good for non-Christians too. It is good for non-Christians also to love their partner and treat their partner well, with wisdom, patience, and other virtues.

The author draws from Jesus, Paul, Teresa of Avila, John of the Cross, John Wesley, Dietrich Bonhoeffer, and other saints and spiritual reformers to recover the Christian Way for couples to be happily married by following Jesus virtuously. The author emphasizes that Christian couples are called to follow Pope John Paul II relates the history of the Synod for America and calls the Church to "preach the Gospel to all creation" (Mk 16:15). A landmark document for our continent!

Another fast & easy read by one of the most prolific authors in the Church today. Here Groeschel uses the symbolism of the steel cross discovered amid the wreckage of the WTC to alert Americans to the causes behind the attack. Groeschel is courageous enough to suggest that the immoral attitudes of our society, our de-valuing of human life and our exportation of concepts like abortion and euthanasia to the globe have given Muslim fundamentalists the ability to see us as an enemy.

#### The Cross at Ground Zero

The chapters are smartly organized and make bold assumptions that the path to peace is a return to our moral center.

Follow a young Catholic cleric as his faith is laid bare through his reflections on his parishioners in the "Best Spiritual Book of the 20th Century" (USA Today).

In this classic Catholic novel, Bernanos movingly recounts the life of a young French country priest who grows to understand his provincial parish while learning spiritual humility himself. Awarded the Grand Prix for Literature by the Academie Francaise, The Diary of a Country Priest was adapted into an acclaimed film by Robert Bresson. "A book of the utmost sensitiveness and compassion...it is a work of deep, subtle and singularly encompassing art." -- New York Times Book Review (front page).

#### The Diary of a Country Priest

An idealistic young Catholic priest in an isolated French village keeps a diary describing the unheroic suffering and the petty internal conflicts of his parish. This may sound like a thin plot for a novel, but Diary of a Country Priest, by George Bernanos, remains one of the 20th century's most vivid evocations of saintly life. First published in 1937, Bernanos's Diary describes a faithful man's experience of failure. In his diary, the priest records feelings of inferiority and sadness that he cannot express to his parishioners. And as he approaches death, from cancer, the priest's saintliness remains unclear to him, but becomes undeniable to the reader. "How easy it is to hate oneself! True grace is to forget. Yet if pride could die in us, the supreme grace would be to love oneself in all simplicity--as one would love any one of those who themselves have suffered and loved in Christ." --Michael Joseph Gross

#### The Dilemma of the Alcoholic Marriage

Every aspect of a relationship takes on the nature of a dilemma when one or both partners are alcoholic. Here, the relatives and friends of alcoholics openly and honestly talk about their marriages and dealing with problems primarily involving sex, communication, maturity, feelings, personalities, security, and independence. Together, these Al-Anon members encourage the reader to "let the understanding, love, and peace of the [Al-Anon] program grow in you one day at a time."

The Trinity is supposed to be the central doctrine grounding Christianity, yet we're often told that we shouldn't attempt to understand it because it's a mystery. But what if we breached that mystery? How might it transform our relationship with God?

#### The Divine Dance

Although the word trinity isn't found in the New Testament - it wasn't until the third century that it was coined - the idea of the Father, Son, and Holy Spirit was present in Jesus' life and teachings. In this book, internationally recognized teacher Richard Rohr circles around this paradoxical idea - and circling around is an apt metaphor: Early Christians applied the Greek verb for dance to the mystery of the Trinity, saying whatever is going on in God is a flow - it's like a dance.

#### The Divorcing Parents' Primer

“As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome, the pontificate of Pope John Paul II, then drawing to a poignant end, was already being described as one of the most consequential in two millennia of Christian history.”

With these words, world-renowned author and NBC Vatican analyst George Weigel begins his long-awaited sequel to the international bestseller *Witness to Hope: The Biography of Pope John Paul II*. More than ten years in the making, *The End and the Beginning: Pope John Paul II—The Victory of Freedom, the Last Years, the Legacy* tells the dramatic story of the Pope’s battle with communism in light of new and recently disclosed information and brings to a close Weigel’s landmark portrait of a man who not only left an indelible mark on the Catholic Church, but also changed the course of world history.

#### The End and the Beginning

When he was elected pope in the fall of 1978, few people had ever heard of the charismatic Karol Wojty<sup>3</sup>a. But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union. What even fewer people knew was that the KGB, the Polish Secret Police, and the East German Stasi had been waging a dangerous, decades-long war against Wojty<sup>3</sup>a and the Vatican itself. Weigel, with unprecedented access to many Soviet-era documents, chronicles John Paul’s struggle against the dark forces of communism.

Moreover, Weigel recounts the tumultuous last years of John Paul’s life as he dealt with a crippling illness as well as the “new world disorder” and revelations about corruption within the Catholic Church. Weigel’s thoughtful, his reader-friendly companion provides everything Catholics need for a richer experience of the Advent and Christmas seasons. Whether readers wish to follow a traditional, contemporary, or family program of devotion and prayer for Advent and Christmas, this all-in-one resource will be a treasured guidebook.

## The Face of God

Discover truths about God and his love for us with Mother Teresa

Two presentations on God's gift of life and the Eucharist

St. Teresa of Calcutta is known throughout the world as a woman totally committed to the Gospel.

In the first presentation, she explains the infinite value of God's gift of life; in the second presentation, she emphasizes the Eucharist and our call to imitate Christ by loving each other unconditionally. A bonus segment is provided by Dr. Scott Hahn on Understanding the Eucharist.

"The year I turned thirteen, my father declared himself the patron saint of frustrated housewives from the time I started ninth grade I lived in constant danger of coming home from school to find a group of his disciples gathered in my living room."

So begins *The Father and the Son*, a funny, moving, and sometimes painful story about a son's rediscovery of his father and a father's discovery of a new life of faith as a monk and priest.

## The Father and the Son

In this powerful work -- part memoir, part reportage--journalist Matt Murray explores the reasons his father, a middle-class homeowner and government worker, abandoned his life and moved to a rural monastery. The search takes the author back into his father's past, from his dirt-poor Depression-era childhood to his days as a struggling young writer in New York to his successful yet sometimes frustrated life as a husband and father. Murray recounts his mother's tragic death from cancer at the age of forty, and the difficult five years that followed for him, his father, and his three siblings. He wrestles with the impact of his father's return to the Church at the age of fifty-two and subsequent decision to follow a life of faith, and the dramatic reshaping of his family that ensued.

## The Fathers Know Best

As Murray tracks his father through his conversion and delves into his beliefs, he questions not only his father's faith, but his own, and offers, with stark honesty, profound reflections on the relationships between fathers and sons. *The Fathers Know Best: Your Essential Guide to the Teachings of the Early Church* is a unique resource. It introduces you to the teachings of the first Christians in a way no other work can. It is specially designed to make it easy for you to find the information you want and need. Amazing features in this fact-packed book include: - More than 900 quotations from the writings of the early Church Fathers, as well as from rare and important documents dating back to the dawn of Christian history. - Mini-biographies of nearly 100 Fathers, as well as descriptions of dozens of key early councils and writings. - A concise history of the dramatic spread of Christianity after Jesus told his disciples to evangelize all nations. - Special maps showing you where the Fathers lived, including many little-known and long-vanished locations. - A guide to nearly 30 ancient heresies, many of which have returned to haunt the modern world. - The Fathers' teaching on nearly 50 topics, including modern hot-button issues like abortion, homosexuality, and divorce. This groundbreaking work presents the teachings of the early Christians in a way unlike any other book. It flings open the doors of the crucial but little-known age covering the birth of Christianity and the triumphant march of the gospel throughout the ancient world.

#### The Five People You Meet in Heaven

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

MATTHEW KELLY'S BOOKS AND IDEAS have been inspiring men, women, and children of all ages for thirty years. Now he directs our attention toward a single idea that has the power to inject our lives with limitless meaning and purpose, while at the same time transforming the world. That single idea: generosity.

#### The Generosity Habit

The Generosity Habit is built on a simple and profound principle: give something away every day. It doesn't need to be money or material things. It could be complimenting a stranger, teaching someone how to do something, spreading a positive message, helping someone who is in a hurry, or simply smiling at someone generously. In fact, the philosophy behind the generosity habit rests on this singular truth: You don't need money or material possessions to live a life of staggering generosity.

The book you are holding in your hands is a profound and practical invitation to go beyond the problems plaguing society and become part of the solution. Along the way, you will discover the beauty and nobility of your own humanity.

#### The Good Enough Catholic A Guide for the Perplexed

In The Good Enough Catholic, Paul Wilkes plumbs the hunger in Catholic souls for a relationship with God and a spiritual life, and boldly confronts the controversial issue of Church authority. After each chapter, there is an invitation to put into practice what has been explored through a rich mixture of doctrine, history, current thinking, and the personal experiences of "good enough" Catholics across America.

With this book, Wilkes beckons us to look to the essence of our religion for the guidance and strength to live lives filled with spiritual transcendence.

A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions

## The Great Reformer

An expansive and deeply contextual work, at its heart *The Great Reformer* is about the intersection of faith and politics--the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past. Based on extensive interviews in Argentina and years of study of the Catholic Church, Ivereigh tells the story not only of Jorge Mario Bergoglio, the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis--but the story of why the Catholic Church chose him as their leader. With the Francis Revolution just beginning, this biography will provide never-before-explained context on how one man's ambitious program began--and how it will likely end--through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Perón era that shaped his beliefs; his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s; how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a "Church of the Poor"; and his rise from Cardinal to the papacy.

In October 1978, Karol Wojtyla, Polish Archbishop of Krakow, became Pope John Paul II, the first non-Italian pontiff in 455 years. He had a mission to improve the Catholic Church's relations with Judaism, Islam, and the Anglican Communion. Only days after the election, he granted Jerzy Kluger, a virtually unknown Jewish businessman, the privilege of first audience at the Vatican. Jerzy was overwhelmed, but not surprised. When they were children, Karol and Jerzy were best friends, known then as Lolek and Jurek. For the pope, this union of Catholic and Jewish faiths was a profound symbol of things to come. It was also a personal gesture that reflected a remarkable bond between the two men.

## The Hidden Pope

*The Hidden Pope* is the story of that relationship, from their simple boyhood in the small town of Wadowice in southern Poland to their separation at the beginning of World War II and their survival under Nazi occupation and Soviet tyranny. The reunion almost thirty years later—after Jerzy lost his family in the Holocaust and spent years in Stalinist labor camps—would not only deepen a friendship, but also afford Jerzy a unique perspective on papal intrigue and policies when he was eventually appointed diplomat between the Vatican and Israel.

Set against the landmark events of the twentieth century, and the monumental reconciliation between Christianity and Judaism, this singular portrait of John Paul II reveals him as only one of his closest friends can. Readers will come to know the Holy Father as a man, to understand his controversial ideas as expressions of his life experiences, and to discover the genesis of an enduring friendship that would impact the world.

*The Hidden Pope* is "a fascinating personal tale played out against the great

## The Holy Temple Revisited

A detailed exploration of the Temple Mount and ancient Jerusalem, containing over 100 photographs, drawings, and maps.

The British Library houses one of the world's great collections of illuminated manuscripts, and Janet Backhouse has drawn on this resource to make a selection of examples that span over 800 years of medieval book production. The first manuscript featured here is the priceless Lindisfarne Gospels. It was written and illuminated at the end of the seventh century, when Europe was still largely heathen and the British Isles were on the outer limit of the known world. The last colour plate shows a map of the New World and dates from about a thousand years later when Europe was going through Reformation and Counter-Reformation. It is easy to forget that paintings in manuscripts far outnumber all other types of painting and decoration during this period. They are vital witnesses to the development of European art, but they were always conceived as book illustrations and always intimately connected with a text.

## The Illuminated Manuscript

Janet Backhouse also points out that illumination was a craft rather than an art in the twentieth-century sense, and that by the thirteenth century the production of books was a professional business. The popular belief that all manuscripts were made by monks toiling away in draughty cloisters can only be true of the early Middle Ages. The technicalities of manuscript production are clearly explained: the vellum for a single volume of the great Carolingian or Romanesque Bibles may be thought of in terms of a flock of between two and three hundred sheep. But it is the illuminations themselves and their variety both in style and content that are so amazing. All the plates, which are drawn from Bibles, Psalters, Bestiaries, Books of Hours, Lives of Saints, Romances and many other sources, are selected from the magnificent collection of the British Library. -- Inside jacket flap.

*The Jesus I Never Knew* will engage your heart, mind, emotions, and senses, preparing you for a new, life-changing encounter with the real Jesus described in the Gospels.

Love is "one of the greatest dramas of human existence," writes Pope John Paul II. In this illuminating three-act play--here in the only English translation authorized by the Vatican--he explores relationships between men and women, the joys--and the pain--of love and marriage.

The action unfolds in two settings at once: a street in a small town, outside the local jeweler's shop (people go to buy their wedding rings there), and the mysterious inner landscape of personal hopes and fears, loves and longings. Each act focuses on a different couple: the first happily planning their wedding, the second long-married and unhappy, the third about to marry but full of doubts. Writing with power and understanding about a love that survives the grave, a love that has withered and died, a love budding out of complexes and insecurities, the Pope addresses such fundamental human concerns as: What does it mean to fall in love? When do we know that a love is real--and can it last? If it dies, how do we go on living--and loving again? There are no easy answers, and there is no happy ending--such is the nature of men and women, and such is the nature of love--but there is hope, if we only acknowledge our need and accept the risks of a deep and lasting commitment.

#### The Jeweler's Shop

This is a play full of wisdom on a subject of great relevance to all, and it provides a special insight into the thoughts of the man who, like no other, has captured the imagination of people of all faiths throughout the world. The Jeweler's Shop has been made into a full-length movie now available on video. Karol Wojtyla--Pope John Paul II--has long been involved with the theater. As a student of literature, then priest, bishop and archbishop, he acted, directed, wrote dramatic criticism, made a Polish translation of Sophocles' Oedipus Rex, and has authored six plays.

Drawn from the backstories of four very different individuals, The Journey from Unbelief to Faith shows God at work in the world. Regardless of our troubled pasts, entrenched beliefs, willful antagonisms, or pre-conceived notions, God can cut through our callous exteriors, making a shambles of the self-deluding facades we erect to keep Him out.

#### The Journey from Unbelief to Faith

To know God is the deepest human desire. And to get closer to him, we need the guidance of the women and men who have already found the way. The Journey Toward God serves us by bringing together in one book inspiring and instructive selections from the great writers who have mastered the spiritual life. Uniquely, the book draws from Catholic, Protestant, and Orthodox writers, opening for us the diverse and rich treasures of Christian spirituality. A Servant Book.

## The Joy of Building Loving Relationships

This story is not just about these three sisters. Its voice comes from all women religious who experienced the growth and changes in the Roman Catholic Church in the late Twentieth Century. This is the voice of those who came out of a cloistered history after the Second Vatican Council opened the doors. It is the voice of Women who were compelled by the Holy Spirit to begin lives of social commitment and service. The story of their struggle (and yes, it was a struggle) to express the loving nature of Christ despite governmental, religious, and social institution's restrictions of judgement and blame is a flame of hope in an often-dark world. Beneath the narrative of events and moments in the lives of these three sisters is the narrative not only of women who had dedicated themselves to religious life, but all of us experiencing the profound social changes that continue to affect the cultures of the world. I hope the reader of this memoir leaves these pages with the sense of joy and purpose felt by Sisters Maureen, Rachel and Elaine. I hope their story illuminates a path to Emmas whose eyes can be opened.

Maybe you come from a happy family, a healthy family. Or maybe yours is a flawed family, a struggling family, a broken family. Maybe you're scared to get married and have a family. No matter who you are, you are part of a family, and Pope Francis wrote this love letter to you. He addresses all the myriad realities of families today with compassion, hope, and encouragement.

## The Joy of Love

Pope Francis sees marriage as a dynamic path to personal development and fulfillment. Instead of wasting energy worrying about our family struggles, we can find creative, transformative ways to offer truth, mercy, and hope to our loved ones. Love enables us to see, beyond all else, the great worth of a human being. With enthusiasm and joy, we can celebrate all that it means to be part of a family.

## The Joy of the Gospel

The Joy of the Gospel (Evangelii Gaudium) is the long-awaited teaching of Pope Francis on the proclamation of the Gospel. Pope Francis is calling upon the Church and the world with encouragement to begin a new chapter in evangelization. This dynamic document is written in the plain, everyday language for which the pope has become famous.

### The Ladder of Divine Ascent

St. John Climacus is honored by the Church as a great ascetic and as the author of a remarkable work entitled, The Ladder of Divine Ascent, and therefore he has been named "Climacus," or "of the Ladder." In THE LADDER Saint John describes the ascent toward spiritual perfection, which is essential for anyone who wishes to save his soul. It is a written account of his thoughts, based on the collected wisdom of many wise ascetics, and on his own spiritual experience. The book is a great help on the path to truth and virtue. The steps of THE LADDER proceed gradually from strength to strength on the path of perfection. The summit is not reached suddenly, but gradually, as the Savior says: "The Kingdom of Heaven suffers violence, and the violent take it by force" (Mt.11:12).

Uncover the similarities of today's time to that of the early Church

"The author, in this deeply felt and powerfully argued book, tackles the issues of the nature of ministry, priesthood, ordination, lay theology, a spirituality of life in the world. The argument is clearly expressed, draws upon a wide range of scholarship, the example of the early church as well as the experience of the author.... I cannot be dispassionate in recommending this book. It provides a model of what a theology of the people should be like in the way it argues the case for such a theology."

#### The Liberation of the Laity

"'The Liberation of the Laity' is a provocative book that challenges the clericalist culture of the church, and provides practical advice and sound counsel toward a more inclusive future. Further, the book affirms the history and theology of the ministry of all baptized persons in a deep and thought-provoking way. 'The Liberation of the Laity' will spark conversation and reflection among those most concerned about the future of ministry, and the need for the church to support the vocations of all the baptized."

OUR LORD revealed that the place on earth where He most delighted to be, after the Blessed Sacrament, was "in the heart and soul of Gertrude, My beloved." Therefore, we do not wonder that among all the most remarkable women Saints of the Church, St. Gertrude is the one who carries the extraordinary title The Great.

The Revelations of St. Gertrude the Great form one of the classics of Catholic writing. And although they would have to be classified as "mystical literature," their message is clear and obvious, for this book states many of the secrets of Heaven in terms that all can understand.

#### The Life and Revelations of St Gertrude the Great

Recorded here are St. Gertrude's many conversations with Our Lord, wherein He reveals His great desire to grant mercy to souls and to reward the least good act. In the course of their conversations, He reveals wonderful spiritual \"shortcuts\" that will help everyone in his or her spiritual life. Moreover, the Revelations of St. Gertrude the Great actually open a window onto Heaven, where we can see the specific ways in which prayer, good works and liturgical celebrations on earth have very definite effects in Heaven-among the Saints and Angels and even with God Himself.

The Revelations of St. Gertrude were authorized by Our Lord (pp.536-537) and they have been published in many editions, in various languages; they have inspired both clergy and laity for centuries. Surely the present generation of English-speaking Catholics will profit equally from this new edition of The Life and Revelations of St. Gertrude the Great, who found such high favor with Our Lord that He chose to dwell in her heart in a special manner and to reveal to her many of the intimate secrets of His supernatural love for soul.

In the latest chapter of his best-selling Joshua series, Joseph Girzone offers fresh inspiration in this collection of fifty never-before-published contemporary vignettes that underscore the most important lessons of the gospel.

#### The Parables of Joshua

Joseph Girzone's novels about Joshua, the carpenter who transforms ordinary lives with words of peace and loving actions, have sold more than three million copies and captured the hearts of listeners and readers around the world. In The Parables of Joshua, perhaps his most powerful since the original Joshua, Girzone distills the essence of Christian teaching in entertaining and inspiring "bite-sized" tales set against the background of current society. For some today, the parables of the New Testament are quaint, old-fashioned stories, with little relevance to everyday life in the twenty-first century. As Girzone writes in his Introduction, "I have heard the most callous people comment with such great piety on the parables that I could not help but wonder if we haven't made parables pleasant-sounding fables about human situations long past, but with no present-day meaning." In order to recapture their original vitality, Girzone revives the timeless messages behind the original parables by "dressing them in modern clothes," presenting them through Joshua in a conversational style that will resonate with a modern audience.

## The Pilgrims Progress

Often disguised as something that would help him, evil accompanies Christian on his journey to the Celestial City. As you walk with him, you'll begin to identify today's many religious pitfalls. These are presented by men such as Pliable, who turns back at the Slough of Despond; and Ignorance, who believes he's a true follower of Christ when he's really only trusting in himself. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us, and unfortunately, what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails to the end. So can you.

The best part of this book is the Bible verses added to the text. The original Pilgrim's Progress listed the Bible verse references, but the verses themselves are so impactful when tied to the scenes in this allegory, that they are now included within the text of this book. The text is tweaked just enough to make it readable today, for the young and the old. Youngsters in particular will be drawn to the original illustrations included in this wonderful classic. The Porn Myth is a non-religious response to pro-pornography arguments. It draws from the experience of porn performers, recent research from neurology, sociology, and psychology to build a case for why pornography is destructive to individuals, relationships, and society. Matt Fradd provides insightful arguments, including the latest scientific research, on nearly every relevant subject imaginable, exposing the negative impact pornography has on our minds, our relationships, and our culture.

#### The Power of Love

Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle (now the Duke and Duchess of Sussex) at Windsor Castle. Here, he shares the full text of the sermon, plus an introduction and four of his favorite sermons on the themes of love and social justice. The world has met Bishop Curry and has been moved by his riveting, hopeful, and deceptively simple message: love and acceptance are what we need in these strange times. Hilary Brand looks at the power of the small choices we make on a daily basis and the role of faith in enabling or inhibiting choice. Many of us feel that our lives are very small. It is for others to make the big statements, the noble sacrifices, the grand gestures of faith. But within our humdrum lives lie a million small choices - any one of which could have huge consequences for ourselves, for those around us, and for the world. In this lively and thought-provoking course, Hilary Brand looks at the power of the small choices we make on a daily basis.

#### The Power of Small Choices

She looks at what science and contemporary culture have to say about notions of freedom and responsibility, and the role of faith in enabling or inhibiting choice. She then applies this to the human scale, focusing on real-life examples of people who have made a difference through the choices they have made.

Group sessions are structured around examination of two films, *The Shawshank Redemption* and *Babette's Feast*, which serve to highlight how choice can be exercised even in the most limited of circumstances. The course provides weekly session which include video extracts, questions, and further readings to help stimulate discussion. The course also includes notes for leaders, and an outline to help structure each session.

Written over 300 years ago in French, The Practice of the Presence of God is here presented in language understandable to the twenty-first century English reader. Not a paraphrase or an abridgment, this version is a faithful rendering of the text in the spirit of the original work.

#### The Practice of the Presence of God

Brother Lawrence was a seventeenth century Christian who had a dramatic spiritual awakening at the age of eighteen. Seeing a tree in winter, his soul suddenly opened to the presence of God. Within six years he had entered a Carmelite monastery in Paris, where he worked chiefly in the kitchen, cooking and cleaning. He practiced a simple and natural method. He merely turned his attention to the Divine Presence available at all times during any activity. He reports that he was as fully present with God while washing dishes in the kitchen as he was when partaking of the sacrament in worship.

The profound peace and joy evident in Lawrence's life attracted many visitors, who sought to learn the secret of his unique spiritual practice. Originally published shortly after his death, this volume consists of personal conversations and letters, which communicate how one can experience God at all times. Also included in this edition are his Spiritual Maxims, a document that was discovered among his belongings after his death.

The winners of the 2003 Pulitzer Prize for international reporting tell the astonishing story of Mary Clarke. At the age of fifty, Clarke left her comfortable life in suburban Los Angeles to follow a spiritual calling to care for the prisoners in one of Mexico's most notorious jails. She actually moved into a cell to live among drug king pins and petty thieves. She has led many of them through profound spiritual transformations in which they turned away from their lives of crime, and has deeply touched the lives of all who have witnessed the depth of her compassion. Donning a nun's habit, she became Mother Antonia, renowned as "the prison angel," and has now organized a new community of sisters—the Servants of the Eleventh Hour—widows and divorced women seeking new meaning in their lives. "We had never heard a story like hers," Jordan and Sullivan write, "a story of such powerful goodness."

#### The Prison Angel

Born in Beverly Hills, Clarke was raised around the glamour of Hollywood and looked like a star herself, a beautiful blonde reminiscent of Grace Kelly. The choreographer Busby Berkeley spotted her at a restaurant and offered her a job, but Mary's dream was to be a happy wife and mother. She raised seven children, but her two unfulfilling marriages ended in divorce. Then in the late 1960s, in midlife, she began devoting herself to charity work, realizing she had an extraordinary talent for drumming up donations for the sick and poor.

On one charity mission across the Mexican border to the drug-trafficking capitol of Tijuana, she visited La Mesa prison and experienced an intense feeling that she had found her true life's work. As she recalls, "I felt like I had come home." Receiving the blessings of the Catholic Church for her mission, on March 19, 1977, at the age of fifty, she moved into a cell in La Mesa, sleeping on a bunk with female prisoners above and below her. Nearly twenty-eight years later she is still living in that cell, and the remarkable power of her spiritual counseling to the prisoners has become legendary.

#### The Rapture Conspiracy Unveiled

The Rapture Conspiracy Unveiled For decades there has been a radical misreading of the Bible by some eschatologists. Dispensational teachers have misled many into believing false teachings about the end times without the support of Scripture. The Rapture Conspiracy Unveiled attempts to undo that harm. Rather than leaning on the writings of man, the book relies on the Bible to tell the story of Revelation – providing scriptural proof of the facts about the Rapture and end times. The error of the Rapture Theory is objectively and conclusively revealed through a lively look at the very human parade of people involved in its evolution – from the Garden of Eden through to the present. Author Ed Budd calls on more than 30 years of research and study of prophetic scripture and end times teachings to provide a comprehensive, easy-to-read reference tool for the pastor and teacher, or for the believer simply trying to decipher God’s truth about end times issues.

#### The Reshaping of Catholicism

Twenty years after the Church Council, Vatican II, now Cardinal Dulles wrote this book to examine how the Church had changed. A nice primer on Vatican II theology.

Once every twenty-five years or so, a book comes along that perfectly identifies our common search and struggle for happiness, and teaches us how to find lasting fulfillment in a changing world. This is that book. Not since M. Scott Peck Published *The Road Less Traveled* have we experienced a voice as refreshing and authentic as Matthew Kelly's.

In *The Rhythm of Life*, Matthew Kelly exposes the lifestyle challenges and problems that face us in this age obsessed with noise, speed, and perpetual activity. Kelly's message rings out with a truth that is challenging and unmistakably attractive Who you become is infinitely more important than what you do, or what you have. Are you ready to meet the-best-version-of-yourself?

### The Rhythm of Life

*The Rhythm of Life* will help you to bring into focus who you are and why you are here. Through this book Matthew Kelly will help you discover your legitimate needs, deepest desires, and unique talents. He will introduce you to be the-best-version-of-yourself and lead you to a life filled with passion and purpose.

Kelly has a way of thinking and writing that cuts through the stifling clutter of our everyday lives and delivers a clarity that is both refreshing and liberating.

*The Rhythm of Life* is a brilliant and clear-eyed rejection of the chaotic lifestyle that has captured the world, written with common sense, humor, and extraordinary insight. This book is destined to change lives!

Here are just a few of the timeless creeds that Matthew Kelly presents in *The Rhythm of Life*...

We all want to celebrate the liturgy well, to experience good, uplifting, and meaningful worship. But what is the best route to follow? In *The Rites and Wrongs of Liturgy*, Thomas O'Loughlin offers a way forward that strengthens faith, builds up Christian community, and points toward a new direction based on liturgical principles that are rooted in our natures as ritual beings as well as in the gospel.

### The Rites and Wrongs of Liturgy

*The Rites and Wrongs of Liturgy* explains why good liturgy is important, how to recognize it, and how to assess liturgy in terms of a larger vision of the Christian life. O'Loughlin, a seasoned theologian and teacher, identifies ten principles that make for good liturgy. Such liturgy must be honest, open, joyful, inclusive, celebrative of community, facilitative of engagement, based in creation, attentive to the marginalized, free of clutter, and true to the pattern of the incarnation.

Since good celebrations build faith and bad liturgy weakens it, these principles promise to bring new life and meaning to every celebrating community.

Eight hundred years ago, Clare of Assisi advised a correspondent to gaze into the mirror of the crucified Christ and study her own face within it. A hundred years ago, sociologist Charles Horton Cooley said we can know our self only as it is reflected to us by others. Contemplation is the choice to find our reflection in the divine Mirror. In *The Sacred Gaze*, Susan Pitchford explores how a false self is created by distortions in the mirrors around us. Drawing from the mystical and sociological traditions, and with practical suggestions for how to begin, Pitchford shows how gazing into the face of Christ can reveal to us who we really are. When the true self is known, and known as God's beloved, the way is opened to radical freedom and joy.

This book uses the author's study of the sacred world of Native Americans as a launchpad for her discussion of "sacramentals," or grace bestowing signs of God's presence in the lives of Christians. Wagner assesses ways to make the home into a sacred place with rituals, prayers, and blessings. In the closing section of the book, she challenges believers to use all their senses in praise of God.

The Road Back to You: An Enneagram  
Journey to Self-Discovery

The Sacred Gaze

The Sacred World of the Christian

If you long for something more, even if you don't know what that something is, then open this profound book. The Sacred Romance is the story of our lives; it is God's story. It is His invitation to experience His unfathomable love for us. Before long, you will find yourself eagerly turning the pages to find out what happens next.

#### The Sacred Romance

The Sacred Romance strikes a chord in us because more than in any other age, we have lost touch with our hearts. We have left that essential part of ourselves behind in the pursuit of efficiency, success, and even Christian service.

From childhood on, something or Someone has called us on a journey of the heart. It is a journey full of intimacy, adventure, and beauty, but like any fairy tale it is also fraught with more than a little danger. To ignore this whispered call is to become one of the living dead who carry on their lives divorced from their most intimate selves, their heart. The Sacred Romance calls to us in our fondest memories, our greatest loves, our noblest achievements, even our deepest hurts. The reward is worth the risk.

#### The Seven Pillars of Catholic Spirituality

Kelly's 7 Pillars are: Confession, Contemplation (which I applaud, but he spends very little time on it - and doesn't do it justice), Mass, Reading the Bible, Fasting, Spiritual Reading, and finally - the Rosary. He tells silly anecdotes to drive home his points, and follows with "Yes, or yes"?

Mackenzie Allen Philips' youngest daughter, Missy, has been abducted during a family vacation and evidence that she may have been brutally murdered is found in an abandoned shack deep in the Oregon wilderness. Four years later in the midst of his Great Sadness, Mack receives a suspicious note, apparently from God, inviting him back to that shack for a weekend. Against his better judgment he arrives at the shack on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change Mack's world forever.

#### The Shack

In a world where religion seems to grow increasingly irrelevant The Shack wrestles with the timeless question, "Where is God in a world so filled with unspeakable pain?" The answers Mack gets will astound you and perhaps transform you as much as it did him. You'll want everyone you know to read this book!

We had to do it. We had to reprint this book. Rarely has a book had such an impact on so many of us here at Ignatius Press. It is one of the most powerful and moving books we have come across. If you can only buy one book this season, this must be the one.

#### The Shadow of His Wings

Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II. Without betraying his Christian ideals, against all odds, and in the face of Evil, Gereon Goldmann was able to complete his priestly training, be ordained, and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war. How it all came to pass will astound you.

Father Goldmann tells of his own incredible experiences of the trials of war, his many escapes from almost certain death, and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith. What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love, prayer, faith, and sacrifice. Illustrated

#### The Sixteen documents of Vatican II

Along with the Bible and the Catechism of the Catholic Church, this is a volume that every Catholic should not only own but also study and internalize. In the four decades that have passed since the Second Vatican Council, many theological and liturgical errors have been perpetuated by people who have invoked "the spirit of Vatican II" as justification for their actions and beliefs, yet a careful reading of the documents makes clear that the teachings of the Council are in total continuity with the previous 2000 years of Church teaching. Read the documents for yourself and learn what Vatican II REALLY taught.

International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today but that they are not optional; they are the necessary tools God has given for both building his church and spreading the Gospel.

#### The Spiritual Gifts Handbook

With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. After laying this foundation, the authors reveal how you can activate the gifts in your own life and use them to benefit others. In this hurting world, you can give people more than just a message - you can help usher them into an encounter with God. Corey Baumgartner

The Stations of the Cross in Atonement for Abuse and for the Healing of All invites a wounded church to contemplate the passion and death of Jesus through the experience of clerical abuse survivors. This one-of-a-kind resource is written and illustrated by priests to foster healing amidst the destruction committed by their brothers. Award-winning author and acclaimed liturgist Paul Turner pairs each of the fourteen Scripture-based stations with powerful quotes from survivors of clerical sexual abuse and responds to each with profound confessional prayer. Thought-provoking paintings by author, counselor, and liturgist Ronald Patrick Raab, CSC, accompany each station.

González, author of the highly praised three-volume *History of Christian Thought*, presents a narrative history of Christianity, from the Early Church to the Dawn of the Protestant Reformation. With lively storytelling, *The Story of Christianity* provides a fascinating and panoramic history of the dramatic events, colorful characters, and revolutionary ideas that shaped the first fifteen centuries of the church.

## The Virtue of Masculinity

In Recent years, the meaning and discussion of this word has become controversial, and often confusing. Is all masculinity "toxic?" Dr Tim Gray strongly asserts that while fallen masculinity does exist, authentic, God-given masculinity is a great virtue that is desperately needed in our world. Drawing on personal stories and cultural examples, Tim challenges men to face their fears about failing or "striking out," and encourages them to become the men they truly desire to be--in the image of Jesus Christ, the Perfect Man.

## The Way of Perfection

The Way of Perfection by Sister Teresa of Ávila was originally written for the sisters of her reformed convent of the Carmelite Order but this work has since become classic text in Christian spirituality and mysticism, especially in the realm of prayer. St. Teresa set out to teach how to progress through prayer and Christian meditation. The first 18 of the 42 chapters discuss the rationale of being a nun, the rest deal with purpose and approaches to spiritual life. Herein she describes ways of attaining spiritual perfection through prayer and its four stages, as in meditation, quiet, repose of soul and finally perfect union with God, which she equates with rapture. Written in a direct and accessible style.

A meditative, scriptural reflection on keeping vigil at the foot of the Cross Understand the deeper meaning behind Jesus' confusing address of Mary as "Woman"

## The Woman at the Foot of the Cross Part I

In this talk—Part 1 of a special two-part Lighthouse Talks presentation—Augustine Institute professor Dr. Ben Akers gives a meditative, Scriptural reflection on keeping vigil at the foot of the cross with Jesus' mother Mary. Dr. Akers explains the deeper meaning behind Jesus' confusing address of Mary as "Woman," and illuminates the connections and foreshadowing between the biblical stories of Creation, the Wedding at Cana, and the Crucifixion. We learn profoundly, as Dr. Akers explains, that "everything Mary does points us to her Son."

| Theology for Beginners                        | Theology for Beginners is one of the most outstanding presentations of the central doctrines of the Christian faith ever penned. After showing how God is Spirit, the author examines God's infinity and man's creation from nothing, and then moves on to the Trinity, the Fall, the Incarnation and Redemption, the Mystical Body, Grace and the Sacraments, and the Last Things. For those to whom these doctrines once seemed formidable, Sheed's is a fresh voice of lucid and carefully reasoned prose. To read Theology for Beginners is to have one's mind awakened to the spiritual realities at the center of human existence. |
| Theology of the Body                          | In September of 1979, about a year after becoming pope, John Paul II began a series of reflections on love, sexuality, and the human person. These 15-minute talks, which continued for several years, became known collectively as the "Theology of the Body." This book paraphrases 86 of Pope John Paul II's talks in easy-to-understand English.   |

Broken families, abortion, AIDS, internet pornography, sexual abuse scandals, homosexual marriage; our Church and our world are in the midst of a profound sexual crisis. Is there a way out?

For such a time as this have we been given St. John Paul II's Theology of the Body. Based on the words of Jesus, St. John Paul II's famous reflections on the body and sex take us to the root of the modern crisis and chart the path to an authentic sexual liberation. Yet the saint's dense scholarship often intimidates the average person.

In his previous book, *Theology of the Body Explained*, Christopher West offered a more detailed, six-hundred-page commentary on St. John Paul II's Theology of the Body.

#### Theology of the Body for Beginners

Here, he provides a short and popular summary of the saint's revolutionary teaching while answering big questions like:

What is the meaning of life?

Why did God create us male and female?

Why is there evil in the world and how do we overcome it?

How do we attain true happiness on earth?

What kind of joys await us in heaven?

How can we experience the love we long for in the depth of our hearts?

The first edition of *Theology of the Body for Beginners* (2004) quickly became an international best-seller. This freshly revised and expanded edition is based on Dr. Michael Waldstein's much improved translation of St. John Paul II's catechesis.

Today's sexual confusion is not caused because the world glorifies sexuality, but because the world fails to see its glory.

#### Theology of the Body in One Hour

Through his Theology of the Body, St. John Paul II unveiled the beauty of God's plan for human love. In 60 minutes, discover how the human body in its masculinity and femininity reveals who we are and how we are called to live.

## Therese and Lisieux

This sumptuous pictorial biography of Therese of the Child Jesus and the Holy Face (Therese of Lisieux), considered by many Catholics to be "the greatest saint of modern times," is published on her centenary. The oversized English translation contains 326 of rare photographs, illustrations and texts documenting the life and times of Therese (1873-1896). Descouvemont, a diocesan priest from Cambrai, France, and a devotee of Therese, prepared the text, which illuminates the reality of this young Carmelite's life "in its historic, cultural, and religious context." Thanks to this book, devotees of Therese may now feast upon the photos of the Carmel where she quickly grew into spiritual maturity, as well as photos of the preserved objects, books, holy cards, paintings and statues that were a part of Therese's spiritual coming-of-age. Because Descouvemont places Therese's biography within the context of a number of other histories, including her family's, individuals by whom she was influenced and the larger context of iconography and the French school of spirituality, the text is often hard to follow. Dead of tuberculosis before she was 30, Therese nevertheless influenced millions of believers through her posthumously published writings, and she was canonized in 1925. Descouvemont's book is a fascinating journey into the corporeal world of a modern-day saint.

In the Bible we are told Jesus was lost in the Temple for three days when he traveled to Jerusalem for Passover with Mary and Joseph.

Why did he stay behind? What did he do? Who did he meet? Where did he sleep? Was he ever in danger?

### Three Days-The Search for the Boy Messiah

This Biblical novel is a compelling tale about 12-year-old Jesus, based on the second chapter of Luke's Gospel. This book will grip your imagination—as you explore the Temple and experience the drama of ancient Hebrew traditions with the boy Messiah.

It's a story for the child in all of us.

As the summit of the church's liturgical year, the Paschal Triduum requires the energy, time, and talents of many people within the parish community. In *Three Great Days*, Jeremy Helmes draws on rubrics, liturgical theology, the church's tradition, and plenty of lived experience to offer a sound guide to planning and preparing. He draws attention to rituals requiring special attention and helps you determine liturgical roles and responsibilities. He also offers templates, worksheets, planning forms, and other ready-to-use resources that any parish can use to make their liturgical preparation and evaluation easier and more effective.

### Three Great Days

Whether it's your first time preparing these liturgies, you're looking for fresh ideas, or you just want to make sure you're covering everything, this book will help your parish make this year's Triduum three truly great days.

It has daily readings, sharing spiritual themes, teachings, and the author's experiences. It draws you in, gives you insights, and most especially, provides comfort, guidance and a sense of peace

### Through Seasons of the Heart

The Lord's Prayer accompanies the lives of Christians. When we are happy or sad, when we eagerly wait for a child to be born or silently keep watch as an elder dies, alone in the woods or together in liturgy, filled with gratitude or emptied by grief, driven to praise or dragged to repent, the Our Father finds its way to our lips.

### To Dare Our Father

To Dare the Our Father recognizes and respects these experiences but it envisions praying the prayer as a more sustained and challenging undertaking. How does praying the Our Father inform our thinking, feeling, willing, and acting? How does it become for us a transformative spiritual practice? John Shea explores these questions and more to discover what it looks like to become people of prayer.

As secularism gains influence and increasing numbers see religion as dull and backward, Robert Barron wants to illuminate how beautiful, intelligent, and relevant the Catholic faith is.

#### To Light a Fire on the Earth

In this compelling new book - drawn from conversations with and narrated by award-winning Vatican journalist John L. Allen Jr. - Barron, founder of Word on Fire Catholic Ministries, proclaims in vivid language the goodness and truth of the Catholic tradition. Through Barron's smart, practical, artistic, and theological observations - as well as through personal anecdotes about everything from engaging atheists on YouTube to his days as a young die-hard baseball fan from Chicago - To Light a Fire on the Earth covers prodigious ground.

Touching on a wide range of subjects, including Jesus, prayer, science, movies, atheism, the spiritual life, the fate of the Church in modern times, beauty, art, and social media, Barron reveals why the Church matters today and how Catholics can intelligently engage a skeptical world.

#### Today's Missal - Holy Week to Pentecost

Fr. Michael White and Tom Corcoran know that the fundamental work of the Church is to evangelize--to introduce people to Christ and make them disciples. Still, they're the first to admit: "the difficulty comes when we reach down into the details and get to work." In their barn-burning first book, Rebuilt, White and Corcoran shared their story and vision of building better Catholic parishes. Now, in their eagerly anticipated second book, Tools for Rebuilding, they lay out seventy-five proven tactics for getting the job done.

#### Tools for Rebuilding - Really, Really Practical Ways to Make Your Parish Better

In Tools for Rebuilding: 75 Really, Really Practical Ways to Make Your Parish Better, White and Corcoran share seventy-five foundational tactics that helped to rejuvenate their parish. Their candid, hands-on advice gives a clear way forward one that will make church matter to the people in the pews and that anyone working in parish ministry can implement.

O Virgin most faithful!

incarnate Wisdom, Jesus Christ, your Son,  
that I may come, through your intercession and your example,  
to the fullness of his age on earth  
and of his glory in heaven.  
Amen.

#### Total Consecration

These words from St. Louis de Montfort's Act of Total Consecration give beautiful expression to the fundamental thrust of his spirituality: Christianity that is fully alive is nothing less than a radical act of total self-surrender and self-gift to the Lord Jesus Christ who, in his redemptive Incarnation, has first given himself totally over to us, and for us.

Recognizing that the Lord has first consecrated, completely given, himself to us, Fr. de Montfort rightly recognizes that one truly receives this gift in its fullness only by fully giving, that is consecrating, himself to its saving power. The great Apostle of Our Lady proposed in his masterwork, True Devotion to the Blessed Virgin Mary, an outline of a process by means of which one might prepare himself to make just such a total self-gift to Jesus through Mary. This book, which has been prepared by the Company of Mary, the religious community founded by Fr. de Montfort himself, is both an introduction to his spirituality of total consecration and a guide for those who would prepare themselves to make his Act of Total Consecration to Jesus through Mary. It is also the fruit of this same Act of Total Consecration lived out in years of missionary service of Our Lord and Our Lady in the Roman Catholic Church which we joyfully make available to the people of God.

## Visions - The Soul's Path to the Sacred

This talk summarizes some of the key points from Session 5 of Fr. Gaitley's 10 session study program Wisdom and Works of Mercy, available on Catholic Market.  
Ensley, a Roman Catholic contemplative of Native American descent, explores the role of visions in the human experience, specifically the Christian experience. His study of visions in Christian history (e.g., the writings of saints such as Anselm and Thomas Aquinas, and church authorities' interviews with believers who have experienced visions and healings), his own people's traditions, and stories he has heard at retreats have led Ensley to believe that most people have visions. Indeed, he hypothesizes that the human brain is "hard-wired" for transcendence. He attributes modern theology's relative silence on the topic to the Enlightenment, which reduced knowledge to what was rationally comprehensible. Ensley demonstrates that into the 16th century, Christians considered visions an important part of their faith life, while Christians since the rise of rationalism have continued to have visions, but are reluctant to discuss them and lack training in how to interpret them. Ensley gives readers a broad perspective on their own experiences, providing meditations, prayers and writing exercises to equip readers to become receptive and responsive to their visions. Although the book is grounded in the Christian tradition, people of other faiths may also appreciate Ensley's practical integration of transcendent events into everyday life.

## Voices of the Saints

Catholics around the world rely on the Catholic saints for guidance and inspiration . . . so it's important that the saints and their stories be easy to find. *Voices of the Saints* by Bert Ghezzi provides readers with many convenient ways to look up 365 Catholic saints: chronologically, alphabetically, by feast day, even by theme. The saint's patronage is also listed when available, as is the date of beatification or canonization.

While the reference possibilities are abundant, the inspiring stories of these saints are still the primary focus of the book, and each entry is written in such a way as to help us feel the companionship of the saint. The voice of each saint comes through clearly in quotations drawn from their own writings, the recollection of witnesses, and the careful work of biographers. John Henry Newman through Advent into Christmas and Epiphany, meditating on the coming of Christ and the Christian life. Newman's masterful knowledge of the lives of the saints, Catholic doctrine, and, above all, Sacred Scripture, will help you immerse yourself in these liturgical seasons of waiting, wondering, and joy.

These beautiful meditations guide you through reflections on:

## Waiting for Christ

- Preparing for the Lord's coming at Christmas and the end of time
- Our dependence upon the Lord's goodness
- What happens when we do not seek truth
- Mary's role in salvation history
- God's call for each and every one of us to holiness
- Glorifying God in the world
- True joy
- Martyrdom, affliction, and consolation
- Love as the one thing needful

*Waiting for Christ* provides an opportunity to spend a few minutes with Bl. John Henry Newman and Christ every day of the Advent and Christmas seasons, preparing for the coming of the Lord.

Two thousand years ago, Jesus said, "Follow me." What if the 21st-century Church actually heeded that call? What would the world look like if the Church were truly on the move? Simply put, very different. But these ponderings beg one more critical question: What exactly should the Church be moving toward?

Walking with Jesus-A Way forward for the Church

In *Walking with Jesus: A Way Forward for the Church*, Pope Francis' own words lead us to the answer. Francis urges us to make Jesus central in our individual lives and in the collective life of the Church - to walk toward him and ultimately to walk with him at all times and in all places.

With a foreword by Archbishop of Chicago Blase J. Cupich, Pope Francis' first major appointment in the United States, *Walking with Jesus* offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.

In his latest work, noted Christian educator Groome (Boston Coll.; Christian Religious Education) eloquently contends that all Catholics be they faithful adherents or lapsed members share eight distinctive qualities, e.g., sacramentality, community, social justice, and reverence for tradition. To each Groome dedicates a skillfully written chapter, which opens with an anecdote from his own experience that concretizes its theological subject. Readers will find themselves pausing and engaging in the text with questions for reflection and conversation (in fact, ample room is left for making notes). This format makes the book adaptable to small faith-sharing groups for private inquiry but might compromise it in a circulating collection. To increase its usefulness, Groome kept complex religious jargon to a minimum, allowing his simple stories to resonate in the heart. For the scholar or pastoral leader, five pages of notes complete the text. Recommended for public libraries. John-Leonard Berg, Univ. of Wisconsin, Platteville

What would Jesus Do

Reverend Charles M. Sheldon first asked "What would Jesus Do?" in an 1896 novel entitled *In His Steps*. Sheldon was an advocate for the Social Gospel, which sought to situate Jesus in his own culture and insisted that his life and teachings should guide the way Christians live their own lives in a very different culture.

What Would Jesus Do?

Updated characters--a TV station executive, airport manager and single mother, to name a few--bring new energy and an unusual twist to this classic story. Unexpectedly confronted with the needs of one of their own church members, a congregation honestly faces the question, "What would Jesus do?"

Discover grace as you've never known it before: the most powerful force in the universe and our only hope for love and forgiveness.

Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else--for only grace can bring hope and transformation to a jaded world.

In *What's So Amazing About Grace?* award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy?

What's So Amazing about Grace?

Yancey sets grace in the midst of life's stark images, tests its mettle against horrific "ungrace":

Can grace survive in the midst of such atrocities as the Nazi holocaust?

Can it triumph over the brutality of the Ku Klux Klan?

Should any grace at all be shown to the likes of Jeffrey Dahmer, who killed and cannibalized seventeen young men?

Grace does not excuse sin, says Yancey, but it treasures the sinner. True grace is shocking, scandalous. It shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope. It forgives the unfaithful spouse, the racist, the child abuser. It loves today's AIDS-ridden addict as much as the tax collector of Jesus's day.

In his most personal and provocative book ever, Yancey offers compelling, true portraits of grace's life-changing power. He searches for its presence in his

In his first book for Our Sunday Visitor, noted Catholic apologist Patrick Madrid helps you:

- Be absolutely certain your interpretation of Scripture is accurate
- Discover how the simple sentence "I never said you stole money" can be the key to understanding the entire Bible
- Answer any questions a non-Catholic might throw at you
- Learn exactly what the Bible teaches about the Pope, priestly celibacy, homosexuality, abortion, salvation, and other hot topics
- Obtain a working knowledge of Scripture so you can feel comfortable talking with Fundamentalists and Evangelicals
- Allow the life-giving truth and power of Scripture to transform your life
- Become an effective spokesman for the truth of Catholic teaching

Where is that in the Bible?

With comprehensive Scripture references, quotes from the great teachers of the Faith, tips on how to deflate even the most vehement arguments, as well as a list of verses typically used against Catholics with effective counterarguments, *Where Is That in the Bible?* is a great book of Scripture-based apologetics.

Mother Teresa's relationship with God and her commitment to those she served—the poorest of the poor—is here powerfully explored in her own words. Taken largely from her private lessons to her sisters, published here for the first time, *Where There is Love, There is God* unveils her extraordinary faith in and surrender to God's will. This book is in some way a sequel to *Mother Teresa: Come Be My Light*, in which her own very private spiritual struggles were explained. Sent to alleviate the sufferings of the poor, she assumed their struggles and pain in the depths of her heart. This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades. As important as this aspect of her life is, that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought. There is much she can teach us as we face our daily struggles or sufferings, which can at times be unusually severe. *Where There is Love, There is God*, though not an exhaustive anthology of Mother Teresa's teaching, nonetheless shows what she believed and taught about important issues that confront all people. Due to her constant interaction with people of diverse backgrounds, no life situation was foreign to her and in this book her role is primarily one of teacher and guide.

Where There is Love, There is God

Love is perhaps the word that best summarizes Mother Teresa's life and message. The title reflects what she proclaimed during her entire life: God is alive, present, and "still loves the world through you and through me". Mother Teresa sought to be an extension of God's heart and hands in the world of today. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters.

MOTHER TERESA (1910–1997) was born in Skopje (present-day Macedonia), and joined the Sisters of Loreto in Dublin in 1928. She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta. Her service to the poorest of the poor became her life's work. She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003. Editor of *Mother Teresa: Come Be My Light*, FATHER BRIAN KOLODIEJCHUK, M.C.,

What is almsgiving and why do Catholics practice it?

Discover this critical aspect of the maintenance of the Catholic faith

Advent, the season in which we prepare for Christmas, is a penitential season.

One of the key acts of penance that the Church recommends is almsgiving. But why? Citing the Old and New Testaments, the Catechism, and his own engaging personal stories, professor and author Dr. Michael Barber explains the "inner logic" of almsgiving, and how this often-misunderstood aspect of our faith is a critically important good work, related to our own unmerited redemption in Jesus Christ.

## Why Almsgiving

Hatred, murder, terrorism, and war spring from the sins of men. But why does God let innocent children suffer from the effects of these evils? Why does He let earthquakes devastate cities, despair drive souls to suicide, and cancer kill humans and animals?

You and I would prevent these evils if we could. Why doesn't God?

If He's good -- as our Faith claims -- why doesn't He stay the hand of those about to do evil? Why doesn't He keep little ones from violence and death? Indeed, how could He have allowed evil to enter the universe in the first place?

#### Why Does God Permit Evil

In these pages, Benedictine author Dom Bruno Webb brings you face-to-face with evil. Without fudging or flinching, he answers these hard questions and more. In this slim volume, he gives the most convincing explanation of the mystery of evil that's available today.

You'll finally come to understand the source of the appalling violence and savagery that lies close to the heart of nature; you'll discover why the insensate Earth and its inhabitants all groan in pain; you'll see why, even before they were conceived, Adam's offspring fell with him, and why God stood by, permitting all this to happen.

Was God helpless? Indifferent? Outgunned?

In these wise pages, Dom Bruno Webb shows that evil never defeats God.

#### Why I Love being Catholic

On the contrary, He uses suffering to destroy the very sin which gives birth to evil. Here you'll come to understand why, despite the evil that wracks the world, we must continue to suffer. As Matthew Kelly reflected on his twenty-five years of speaking and writing, he realized that his biggest inspiration continues to come from the many faithful individuals who support the mission of Dynamic Catholic. He decided to send an email to all of these Ambassadors, asking for their answers to three questions:

This book is a thorough, Catholic critique of the popular Fundamentalist belief in the "Rapture" - the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming. It examines the theological, historical, and Biblical basis for the "Rapture" by carefully examining "premillennial dispensationalism", the belief system in the Left Behind books and propagated by such Biblical prophecy writers as Tim LaHaye and Hal Lindsey.

#### Will Catholics be Left Behind

Written for both the lay person and the serious student, this book combines an engaging, popular approach with detailed footnotes and exhaustive research. Beginning with the big picture, it focuses first on key concepts such as eschatology, the Parousia, "end times", the Kingdom, and the Church. Olson then shows how Fundamentalist author and Left Behind creator LaHaye's many works on "Bible prophecy" are filled with attacks on Catholicism and numerous misconceptions.

Commemorating the 50th anniversary of The Roman Missal, Lamberts investigates the history of the text and the principles it embodied. How did it encourage a more active participation of the laity in the liturgy as set forth in the Second Vatican Council? How has it fallen short, and how can its potential be more fully realized? 192 pages, softcover. Liturgical Press.

Over the years much ink has been spilled over the interpretation of the term *participatio actuosa*. This book looks at the term critically within the context of Vatican II, most especially the Constitution on the Divine Liturgy. Prescinding from the stated aim of the Council that all the baptized have the right and duty to participate fully, consciously and actively in the liturgy, the author moves to the central point that the liturgy is an ecclesial event—a matter for the entire Church. The second part of the book gives good practical examples how this is achieved in the Eucharistic liturgy according to the Roman Missal. He reminds the reader that full, conscious and active participation is still one of the primary and enduring goals of the reformed liturgy envisaged by Vatican II.

Full, active and conscious participation in the liturgy has long been the validating criteria of the reformed liturgy. Lambert's use of this lens to explore what the Church has done and what it has not done since the revision of the Roman Missal is a valuable pastoral tool for parish liturgists to review and re-envision their celebration of the liturgy. This book should be on the agenda of every liturgical minister.

Now, with an updated preface, the latest edition of the definitive biography of Pope John Paul II that explores how influential he was on the world stage and in some of the most historic events of the twentieth century that can still be felt today.

#### Witness to Hope

Witness to Hope is the authoritative biography of one of the singular figures—some might argue the singular figure—of our time. With unprecedented cooperation from John Paul II and the people who knew and worked with him throughout his life, George Weigel offers a groundbreaking portrait of the Pope as a man, a thinker, and a leader whose religious convictions defined a new approach to world politics—and changed the course of history. As even his critics concede, John Paul II occupied a unique place on the world stage and put down intellectual markers that no one could ignore or avoid as humanity entered a new millennium fraught with possibility and danger.

The Pope was a man of prodigious energy who played a crucial, yet insufficiently explored, role in some of the most momentous events of our time, including the collapse of European communism, the quest for peace in the Middle East, and the democratic transformation of Latin America. With an updated preface, this edition of Witness to Hope explains how this "man from a far country" did all of that, and much more—and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world.

#### Wondrous Encounters

One of today's most prophetic voices, Richard Rohr invites us to self-disclosure and to enter the wondrous divine dialogue with clarity, insight and holy desire! These daily meditations for Lent are his gift to us for our transformation into our original "image and likeness," which is the very image of God.

One of the most influential movements in the Church today is centered on St. John Paul II's Theology of the Body (TOB), of whose teachings Christopher West is the preeminent translator for a popular audience. In *Word Made Flesh: A Companion to the Sunday Readings (Cycle C)*, West offers reflections on an entire cycle of Sunday Mass readings through the lens of TOB, providing a fresh way to process and act on the Good News by orienting our desires for union with God with our understanding of ourselves and our relationships with others.

#### Word Made Flesh

St. John Paul II's TOB is most often framed as an extended catechesis on human sexuality and married love. It is that, to be sure, but, as John Paul II observed, what we learn in the TOB "concerns the whole Bible" and the "whole mission of Christ." Wearing John Paul II's "spousal lenses," West takes us on a tour of the Sunday readings throughout the liturgical year and opens their hidden meaning, allowing God's word to take flesh in our own lives.

In a clearly written introduction, West provides a primer on TOB—an overview of its main teachings and an explanation of how these teachings brilliantly illuminate the whole story of salvation from Genesis to Revelation.

In *Word Made Flesh*, West offers distinctive reflections on all fifty-two Sunday readings from the first Sunday of Advent through Christ the King Sunday. Some weeks he focuses primarily on the Gospel, while in others he emphasizes a specific passage or verse from one of the other readings. The reflections naturally and deeply connect with the human experience of living with body and soul in the world while also contemplating the nature of the glorified body in the eternal kingdom to come.
