

Meet the Cassidy Family

Tom, Amanda, Thomas (2nd),
and Isaac (5K)

We are starting our third year at St. Peter Catholic School this year! I (Amanda) was drawn to SPCS because I am an alumnus and have many fond memories and some of my greatest friendships were formed at St. Pete's! The boys love their classmates and have had a great experience with all the amazing teachers so far. Class sizes are small, and the kids get so much individualized attention. They really enjoy

recess with the big kids, learning Spanish, and having school really feel like a second family since they get to know everyone pretty well!

As a parent, having the ability to volunteer pretty much whenever we want is definitely a bonus as well as the before and after school childcare option. We love getting to know all the fantastic kids that attend our school! The music program is top notch as well as the faith-based education that SPCS provides. Having our children learn more about God and develop their Catholic faith as well as participate in Mass has been the most rewarding part of choosing this school. The children's Mass on Wednesdays is really special and a great reset in the middle of the week. Also, Grandparents Day and Catholic school's week events are so much fun!

A little more about us: Thomas and Isaac both play soccer, hockey, and baseball. Tom is a recruiter and Amanda is an RN. We both coach youth sports and really enjoy it! We spent most of our free time in Door County on the lake. We are a dog loving family (Eddie 11, Cody 6, and London 4) and appreciate doing anything outside, especially on or in the water! Feel free to reach out if you have any specific questions: amerik582@gmail.com
