Instructions for Making Up a Missed Class

Steps for Class students who miss a class:

All Class students who miss a class will be expected to make it up as Homeschool.

1. Check the **Religious Education Calendar*** for your child's grade to see which chapters/sessions your child missed and needs to complete.
2. Read the chapter/session with your child, or be sure your child reads the session.
 - a. Do optional activities if desired such as
 - i. QR code activities (Grades 1-6, embedded within the digital book)
 - ii. **Art Prints PDF***
3. Have your child complete the **Interactive Session Reviews** for the missed chapters/sessions until he or she achieves a 100% score. Interactive Session Reviews are available on the Loyola website at this link: <https://www.loyolapress.com/faith-formation/finding-god/finding-god-2021/parents-and-students/>.
 - a. Select the appropriate grade and then scroll down until you see the session reviews.
 - b. *At the end of the session review, please enter the parent email for the results. Do NOT email results to our email.*
4. Record that your child has completed the missing chapters by filling out the **Google Form Homeschool Log** by clicking this link: <https://forms.gle/gRsppXpov93PHqhHA>.

*Available as a PDF download from our website in September
