I hereby agree to pay the amount of the total tuition shown above according to the payment option chosen. As parents committed to Catholic education, we understand that the tuition we pay and fundraisers to which we contribute do not cover the cost of educating our children at St. Joseph School; the cost to educate one child is \$6700.00. Additionally, we understand that the dedicated parish community, which shares our commitment to Catholic education, provides the costs not covered by our tuition payments and fundraising. St. Joseph Parish encourages all families to tithe according to your income.

We encourage each family to participate in our SCRIP program. The SCRIP program helps cover the operating expenses of the school and parish. SCRIP may be purchased on-line. In addition, each family is asked to volunteer 40 hours to the school and/or parish during the school year.
