

It's Official!!

Our *Pilgrim Catholic Collaborative* implementation plan has been approved by Cardinal Sean!

After many months of work by your Collaborative Plan Writing Team – and with parishioners' guiding input – the Cardinal pronounced our plan “very fine!”

While our three parishes, Saint Kateri, Our Lady of Lourdes and St. Peter, will maintain their individual identities, we are now joined in the *Pilgrim Catholic Collaborative*, a new organizational entity facilitating our cooperation, coordination and the achieving of our common goals of Discipleship and Evangelization.

The final plan is now available on each parish's website under the Collaborative Plan Writing Team tab and it will soon be available in booklet form for those that would like one.

Our Plan, of course, like any plan, is just a beginning. It sets forth goals for the next year and it includes specific tasks supporting those goals. Now, it is up to us to put the Plan into action!

We invite all parishioners to review our Plan and prayerfully consider how you might participate in one or more of the goal areas. We will soon be formally inviting those who are able to join together in implementing our Plan.

In the meantime, Father Joe, together with your Collaborative Plan Writing Team, wishes to convey heartfelt thanks to the hundreds of parishioners from all three parishes who have walked with us on this planning Pilgrimage by sharing your comments, criticisms, suggestions and prayers.

We look forward to traveling together in Faith as we strive to fulfill our Baptismal calling to “Go! Make Disciples of all nations.”
