Permission Form For Online and/or Live-Streaming Instruction Confirmation Year 2020-2021

Our Lady of the Valley Parish will be providing online and live-streaming faith formation instruction to Teens. This instruction will be recorded via Zoom. Because the course content will be recorded, there is a possibility any child/children's identity/identities (name/face) may also be recorded during the instruction.

To protect the privacy of all students participating in *Our Lady of the Valley* Confirmation online program, students and all others (except the program Director or authoritative staff members) are strictly forbidden from taking screen shots or recordings of the class, the instructor, or individual students during synchronous or asynchronous instruction.

I acknowledge my child (children) listed below may participate in recorded online classes that may result in my child (children)'s name and/or face being identified during the recording. I also agree to partner with Our Lady of the Valley Parish in enforcing the forbiddance of screen shots, recordings of the class, the instructor, or individual students by my child(children) or any others within my family or household (or under my supervision) during synchronous or asynchronous instruction.
