Birthday Mass & CAER November 14

We celebrate student birthdays one Wednesday each month during our School Mass. We are having our Birthday Mass on Wednesday, November 14, 2018. We invite all to attend. Mass begins at 10:00 AM.

In concurrence with our student Birthday Mass celebration, we also conduct a food collection for the Elk River Food Shelf. Students are asked to bring a non-perishable food item for collection on November 14.

Students may start bringing their food donations for this Mass any time this or next week. Our desired goal is to be able to fill a grocery cart full of our donations each month. Thank you in advance for your generosity.

Boots and Snow Pants Weather has Arrived

It is our goal to go outside every day for recess as long as conditions allow. In order to keep our students warm and dry during recess time, please have students bring their boots, snow pants, hats & mittens.

Students do go outside for recess in whatever outside clothes they have at school. If students are wearing shoes only, we do not allow them to play in the snow, they are required to remain on the asphalt area of our playground.

Celebrating Sunday for Catholic Families

Saint Andrew Catholic Church and School will be providing a small weekly guide titled, *Celebrating Sunday for Catholic Families*, that provides a brief reflection on the Gospel for each Sunday and Holyday for this year. The brief reflection for the parent on an excerpt from the Gospel is intended to spark his or her thinking about the Scripture that will lead to conversation with the family on the way to and from Mass.

This is a joint Church and School endeavor. The official kick off will be in conjunction with the Feast of Saint Andrew the Apostle, November 30, our parishes patronal feast day. All families, both faith formation and school, will be provided a copy of this weekly guide.

We hope that many of the reflections and suggestions contained in *Celebrating Sunday for Catholic Families* will enrich the life of faith for each of our families. As such, we know that we need to provide ongoing positive reminders and support to help families develop this as a time of fruitful preparation and reflection.

We look forward to providing you with more detailed information in the coming weeks.
