

## “Casting Our Nets” Workathon Update

As of Wednesday, at 9:00 AM, we have raised \$19,107.90 of our \$28,000 school goal for this year.

The following number of students from each grade level have reached the individual goal:

Preschool = 3  
Prekindergarten = 7  
Grade One = 12  
Grade Two = 11  
Grade Three = 5  
Grade Four = 11  
Grade Five = 6

Thank you to all who have contributed and met the individual goal. We are grateful for your support. We have many other students who are working their way to reach their goal as well. Our last Turn-In Day is...

### Turn-In Day # 4- Friday, October 26

We need everyone's help and support to reach our goal. If your child is not able to achieve the individual goal, please know that we appreciate you making a solid effort. Please know that every dollar helps. Thank you for doing the very best you can.

## Happy MEA!

We do not have school on Thursday and Friday of this week, October 18 and October 19, 2018.

Is it possible that MEA really stands for Must Experience Autumn? We hope everyone has a safe and relaxing MEA Break.

## Bubble Gum for Everyone!

Last Friday, October 12 was School Gum Day, which we had to celebrate reaching the \$3000 mark in the Workathon. Each student was given a piece of “Hubba Bubba” bubblegum to enjoy.

## The Parent Engagement Committee (PEC)

The PEC is a subcommittee of the School Advisory Board. Our primary goals are to connect parents and families; plan fun, school-related activities and events; and encourage parent/family volunteerism.

Please join us for social hour on Tuesday, October 23<sup>rd</sup> at 6:00 pm. We will be gathering in Conference Room #3 at Saint Andrew. Refreshments will be available!

We invite you to learn more about the PEC, how to use the Sign Up Genius website (for volunteering), and we need your help to determine which activities and events should be planned for the 2018/19 school year.
