Greetings and best wishes from **Moses D. Prakasam**, Bishop of Nellore Diocese, India. I am very pleased to write this note to you all. I wish and pray that Jesus would bless you all with peace and health.

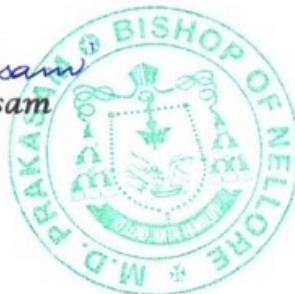

Thank you for welcoming and supporting the priests who come from the diocese of Nellore to serve as missionary priests in Arkansas. Fr. Samy had mentioned how kind and generous you all are. As a missionary Diocese, we mostly rely on financial support of the generous people like you.

Thank you for responding so generously to the mission appeal Fr. Samy had made in your parish. I understand that you all responded very generously. Thank you for sharing your hard-earned money and making sacrifices for helping for the mission needs of the Diocese of Nellore. The generous contributions of I C Church community will help us to educate the poor children, evangelize the illiterate people in rural villages and care for the leper patients with food and medicine.

Special thanks to Fr. John for giving us the opportunity to make the mission appeal possible. May God richly bless you for becoming partners in preaching the Good News of Christ. May God bless you who are cheerful givers and may He always provide in abundance for all your needs. I pray that God would bless and protect your families now and always. United in Christ. Thank you.

Yours fraternally in Christ
