

# **SCHOOL (Shared Responsibility Opportunities) SRO HOURS**

As members of the St. Gabriel School family, we work together with our special gifts and talents to ensure the success of the school itself. Becoming involved with the school, school organizations and working on various committees during the year, everyone will help contribute to the quality of our school. (Each St. Gabriel family is asked to complete 50 hours of volunteer time - 75 hours for families with two or more children.) At least half of the SRO hours must be spent on our major fundraiser: The Dinner Auction. In addition, the remaining hours must be directly related to the school and/or parish. The following activities can be counted as time towards school SRO hours. These activities are just some of the many opportunities for volunteering.

Serving on: Home and School Committee

School Board

Parish Council

Athletics Committee
